The Vatican at Rome Recommends Nuxated Iron

If you lack BODILY or MENTAL VIGOR; If you are WEAK; NERVOUS or IRRITABLE, TRY NUXATED IRON TODAY.

Nuxated Iron CONTAINS ORGANIC IRON LIKE THE IRON IN YOUR BLOOD AND LIKE THE IRON IN SPINACH, LETTICES AND APPLES.

Nuxated Iron also contains a remarkable product, brought to the attention of the French Academy of Medicine by the celebrated Dr. Robin, which represents the principal chemical constituent of active living nerve force FOR FEEDING THE NERVES, so that NUXATED IRON might be said to be both a BLOOD and a NERVE FOOD.

THERE ARE 30,000,000,000 RED BLOOD CORPUSCLES in your blood and each one must have iron.

Today about one person out of every three is said to suffer more or less from the great debilitating weakness brought on by malnutrition or lack of sufficient nourishment; which is caused NOT BY LACK OF FOOD but often by LACK OF SUFFICIENT ORGANIC IRON in the blood to enable us to GET THE STRENGTH OUT of our food.

IRON IS THE MASTER PRINCIPLE OF THE BLOOD AND LIFE. Our forefathers ate the leaves of grains and the skins and seeds of vegetables and fruits, rich in strongly acting organic iron, but modern methods of cooking have all these things away—hence the alarming increase, in recent years, in Anemia—iron starvation of the blood with all its attendant ills.

When, as a result of iron starvation, you get up feeling tired in the morning, when you find yourself nervous, irritable and easily upset; when you can no longer do your day's work without being all fagged out at night; when your digestion all goes wrong, or you have pains across the back, shortness of breath, heart palpitation or your face looks pale and drawn, don't wonder if you feel like a collapsed man in a state of nervous prostration; or, if in your weakened condition you contract some serious disease, but consult your family physician at once. He will advise you to take a "blood-cleanser" of your own blood corpuscles to get the iron-power of your blood yourself by adding plenty of iron to your diet, or by procuring iron-rich foods and vegetables to your daily food and take organic iron—Nuxated Iron—with them for a while and see how much your condition improves. Thousands of people have surprisingly increased their strength, energy and endurance in two weeks time by this simple experiment. But be sure the iron you take is organic. Extracted iron and not metallic iron which people usually take and which is made merely by the action of strong acids on small pieces of iron entirely different from that found in Nature. The fact that you may have taken metallic iron without realizing any benefit does not prove that Nuxated Iron will not help you. Nuxated Iron represents organic iron in such a highly concentrated form that one dose is estimated to be approximately equivalent to organic iron content to eating

half a quart of spinach or one quart of green vegetables. It also takes extract of beef instead of eating pounds of meat. Nuxated Iron is used by over 4,000,000 people annually. Because of substitutes. Look for the letters N.I. on every tablet. Your money will be refunded by the manufacturer if you do not obtain perfectly satisfactory results. At all druggists.
