Stars of Former Years are Relegated to Class B Ranks

Wells of Capital Medalist; Kennedy, Tulsa, Ties for Second

COURSE IS VERY SLOW

Held Appears Strongest Ever Starting for an Amateur Event in Oklahoma

REAGAN PEARL PLATE was defeated by MA Clegg June 13—beaten 8 and 7 after two slower 6-hole rounds. In the Oklahoma championship over 18 holes, Tulsa's Al Ethington, of Muskogee, won the title, defeating Houston's Tom Lyle, 10 and 9. Lyle, a world's long-distance record holder since last December, winning at referee's decision in 18 rounds, when then Herman had won victories over several leading contestants over 18 holes and Jimmy Wilson, the famous "golfer," in London last January.

FORDS WIN HARD FRAY

Defeat Adams Simply 7 to 6 in a Hasty Contested Game

The Ford vs. Adams Auto League was a highlight game of the Xmas tournament, as no one could be sure of the outcome. Adams, who tied with 86, one stroke back of Kennedy and McWhorter, II, Cunningham of Oklahoma City, with 85, followed close upon upsets throughout the day. The first shock came when L. G. Wright, champion of the Oklahoma City club, turned in 106. Then George Frederickson of Oklahoma City, former champion and twice medalist, came in with 88, while the third place was given to C. A. Mattson of Tulsa, with 89. Mattson was winner of the state championship in 1918 and was third among followers of the sport to have been playing 18 holes and the day before was among the leaders in the open championship. None of these four champions and medalists qualified in the amateur competition. Frederickson, Mattson, Jr., E. Stafford, R. E. Finken, T. E. Brauff, W. M. Clegg of Muskogee, Sherman Pyle of Adair, W. T. Smith of Muskogee, and John Edwards of Ardmore were relegated to class B as the result of their 18 hole scores of 90 or more.
