### **NUMBERS ASSIGNED TO 227 MEN WHO REGISTERED FOR MILITARY SERVICE HERE ON JUNE 5, 1918**

100年的100年11月1日日本

Numbers for the men who were registered on June 5, 1918, for selective military service, were drawn in Washington today, and in consequence wasnington today, and in consequence of this 227 Grand Forks county men have received numbers which indicate the order in which they will be called for active service in training camp and on the battlefield. No selection was made all the 227 men who have was made, all the 227 men who have registered here in 1918 being num-bered.

The first number drawn, 154, was assigned to Thos. L. Gibson, 1409 Jennie avenue, Grand Forks city.

As yet no announcement has been made as to when the men will be called for examination, but it is understood that it will be within a very short time.

Following is a list containing the numbers drawn at Washington this morning and the names of Grand

Forks county men whose previously assigned numbers correspond to those given them today: The first number drawn was 246.

Others following were: 154—Thomas L. Gibson, 1409 Jennie Ave., Grand Forks. 10-Dalton B. D. Irwin, 1448 Veits

Ave., Grand Forks. 29-Henry W. Running, R. F. D. Aneta. 210—Halvor Bertinius Nygaard, R.

### 79—Arthur Joseph Le Blanc, R. D. 1. Emerado. 15—Gotfried Sebastian Land North-SHERIFF FIGHT IS VERY CLOSE

This Afternoon Stewart was Leading Sorbo by 92 Majority.

HASSELL NOMINATED FOR COUNTY JUDGE

Victory of Burtness Appears Absolute-Whitman May be Leading.

Although no returns have been compiled, it appears from all indications available that the propositions to the effect that the county purchase certain land near the court house and in the neighborhood of the poor farm at Arvilla have been decisively jected by the voters.

Returns received up to a late hour his afternoon indicate that the fight this afternoon indicate that the fight for the nomination of a candidate for sheriff of Grand Forks county is becoming hotter with every additional precinct reporting. While C. C. Stewart led B. O. Sorbo by 134 this morning, his lead some hours later had decreased by 42. In other words, Stewart had 1,647 votes and Sorbo 1,555. These returns have come from 54 out of a total of 61 precincts and it was of a total of 61 precincts, and it was thought today that while the figures naturally will increase, the proportion may remain about the same as now. The figures for John Steen and Governor Frazier remain unchanged as far as this county is concerned: 47 precincts give Steen 1,996 and Frazier 1,165 votes, and it is not expected that further returns will materially affect the Steen majority of

receiving 1,773 votes, compared to John Baer's 1,205.

County Judge Renominated. For county judge L. K. Hassell still maintains a considerable lead over Simon, and while returns are not available from more than 35 precincts, it appears that Judge Hassell may consider himself renominated in view of the overwhelming majority Although there are no detailed re-

turns on the senatorial fight, it looks very much as though W. S. Whitman has defeated Treacy for senator from the seventh district. One feature of yesterday's primary election which attracted much atten-

tion was the defeat of O. K. Lageson by O. B. Burtness for representative from the sixth district. Burtness' total in 13 precincts was given as 728 and Lageson's as 323. Following is a tabulated list of the SHERIFT.

Washington ..... DR. LIBBY AT

Professor of History Will Lecture at Bisbee July 4.

CHAUTAUQUA

Dr. O. G. Libby has accepted an invitation to be the speaker at the Bisbee chautauqua on July 4. Dr. Libby will give his address on "Democracy and the War." Dr. Libby has been in great demand as a speaker on patriotic occasions, and his address is arousing a great deal of enthusiasm wherever he has given it. With his wide knowledge of current history and his broad historical background Dr. Libby is able to give an address of much more than the usual value. There is much more than senvalue. There is much more than sentiment in what he has to say, and the statements which he makes with such unquestioned authority from his historical standpoint are very timely.

CIGARS A LUXURY.

Paris, June 27.—A seven-cent cigar is a luxury and a six-cent smoke a necessity, in the opinion of the French under secretary of state for the finance department. He makes this distriction in suggesting methods of introducing a tobacce ration, the principle having been approved by the French cabinst. The secretary suggests that the ration scheme should apply only to the sale of the cheaper grades of tobacco, cigarettes and cigare and not to those classed as luxuries. He would give no smokers cards to women, although the women munition workers are said to have become great smokers.

Only \$50,000 Has Been Subscribed Out of Allotted Total.

The War Savings Stamp drive in this city is not progressing nearly as well as it was expected to, according g to those in charge of the campaign, who frankly expressed their disap-pointment today. It seems that peo-ple generally do not realize that the campaign is a war issue just as vital 29 as are the Liberty Loans and the Red
Cross, and if the city does not make
better response—in fact, a much better response—Grand Forks will not be in a position to "go over the top."
One member of the committee asked this morning: "Can our city really afford to have it told all over the country that it did not in every way 50 possible stand back of the boys at the front?"

THIS MORNING

THIS MORNING

Went to Leeds for the exercises to-night and Mr. A. T. Volwelller speaks in Michigan this evening.
Professor G. E. Hult left last night for Sykeston where he will address the high school commencement gathering this evening. He will go to Es--Grand Forks will not be this morning: "Can our city really 125 afford to have it told all over the

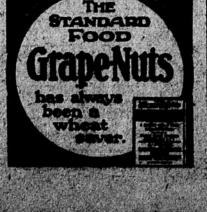

front?"
The total quota for Grand Forks is 174 1 The total quota for Grand Porks 183 \$260,000 and at this time only \$50,-43 000 has been subscribed. Most of the subscriptions have been taken by 103 Subscriptions have been taken by 42 people of moderate means. Subscriptions from other sources have been disappointing to date, and men of the wealth are urged to take a much more active part in the drive than they

have done so far.
The total amount for the nation is two billion dollars, and it is felt that this can easily be attained if every 21 individual in every community—no matter how small it may be—will seriously understand the significance 6 of the movement which is extremely 19 essential for the one supreme purpose of winning the war.
It was intimated today that if the

city does not make a better showing tomorrow, it may be necessary to arrange for a house to house canvass. J. E. McLean, chairman of the headquarters and sales committee, said last night that while the day closed has been a good one, today and tomorrow's sales must be considerably greater in order to raise the allotted quota of \$260,000 which the city of Grand Forks has been called upon to subscribe. Mr. MacLean urges that every person visit the headquarters today who can possibly do so. Small pledges are just as acceptable as large ones; no one need hesitate to call because his means are limited and he does not feel that the limited and he does not feel that the amount he is able to give will be of any great value. Every pledge, even to those of the smallest denomination, will be welcomed. This is just the point that we are trying to emphasize, he said. Every pledge, whether great or small, is symbolic of the loyalty and good will of the people and this is the spirit which must awaken in every heart to make the campaign and succeeding ones the campaign and succeeding ones what they should be.

County Doing Well. P. S. Peterson, chairman of the P. S. Peterson, chairman of the War Savings Stamp campaign in Grand Forks county, said last night that the people in the county are doing themselves proud in the work. Charles D. McCanna, chairman of District No. 6 at McCanna, is the second to report his district "over the top." At the end of the second day the people of District No. 6 subscribed \$6,485. Their allotment was \$5.-\$20.

H. A. Brathovde, chairman of Dis-trict No. 10, at Reynolds, reports that things look very encouraging and ex-pects to have reached his quota by tomorrow night. W. W. Erb, district chairman of Honeyford, is also very optimistic in regard to the campaign

to make a report of having gone over to make a report of having gone over by tomorrow evening.

District No. 8, Arvilla, A. J. Knutson, chairman, gave a very encourag-ing report. Says he is almost to the top, and will be over the top by Frilay.

The postoffice department announc-

amounts of stamps. Northwood called for \$1,251 worth and Kempton sent in an order for stamps to the value of \$2,000; Niagara and McCan-na are also among the districts havaing placed big orders.

Everywhere through the county there is strong evidence of the hearty

co-operation of all the people.

A. J. Ulvedahl, chairman of district No. 11, Emerado, reported last night that his people are coming along nicely and is assured from the sup-port already given that he will have made a report of his district going "over the top" by tomorrow night.

AND NO CASUALTIES Paris, June 27.—Few bombs were irropped and no casualties were sused by the German sirplanes which raided Paris last night, according to the Petit Parisien report of the German attempt at an air bombard-

Number of Professors Speak at Commencement Exercises This Week.

A number of the high schools of the state are holding their commencement exercises this week. Members of the faculty of the University of North Dakota are giving the addresses on these graduation occasions. This morning Dr. R. T. Young went to Pembina where he will address the graduating class of the high school

mond for tomorrow evening and to Maddock for Saturday evening.

Lyle M. Bittinger, university registrar, is at St. Thomas today, and will deliver the address there this evening. He will go to Petersburg tomorrow to deliver the address at the high school

this evening to a class of 44 men, commencing at 7:30 o'clock. A banquet will be given at the close of the ceremonies to which all Scottish Rite Masons are invited. This will close one of the most successful meetings of the Ancient and Accepted Scottish Rite of Freemasonry ever held in the state. ture fields. During the year he has given a number of addresses for the Red Cross. Mr. Taylor has a year's leave of absence from the university for his war service. Dr. O. G. Libby will go to Munich

the week.

Tomorrow the much heralded school commencement address there, Shrine ceremonial will be held. Representative Masons from all parts of mencement of the speaker at the commencement of the Suxton high school on Saturday evening. Dr. Lauriz Vold will speak at the commencement exercises at Ardock tomorrow evening. Dr. John W. Todd will go to Conway for Saturday evening for the commencement exercises there. Dr. K. R. Stolz spolle at Powers Lake last evening, and will speak at the commencement exercises at Wolford commencement exercises at Wolford commencement exercises at Wolford this evening and at Minnewaukan tomorrow evening. Dr. E. P. Robertson will speak at the commencement at Noonan tomorrow evening. Dr. Henry-R. Brush of the Department of Romance Languages is to be at Cogswell tomorrow evening for the commencement exercises.

commencement exercises. Professor Frederick H. Koch returned from Reynolds this morning where he ad-dressed the high school commence-ment last evening. He will go to Pisek tomorrow for the commence-ment there.

ment there.
Some difficulty is being experienced by about fifty high schools in the state who had expected to have their commencement exercises this week because of the fact that the final examination questions which were sent out from the office of the high school examiner at the university early last week have not yet been received. The questions were sent out in sealed packets by express.
