Does not the same principle govern the commercial prosperity of man? An inferior cannot supersede a superior article. Their saie in the United States alone exceeds one million dollars per annum while the amount exported foots up to several hundred thousand more. Well, Mr. Editor, it did not cure me in three-louths of a second, nor in one hour or month, but in less than eight minutes I was relieved, and in three months entirely cured and have remained so over sixteen months. While using the Catarrh remedy, I used Dr. Pierce's Golden Medical Discovery to purity my biood and strengthen my stomach. I also kept my liver active and bowels regular by the use of his Pleasant Purgative Pellets. If my experience will induce other sufferers to seek the same means or relief, this letter will have answered its purpose.

emblazon a similar cure in the papers. For 25 years I suffered with catarrh. The nasal passages became completely closed. "Snuff." "dust." "ashes." "inhaingtubes," and "sticks" wouldn't work, though at intervals I would sniff up the so-called catarrh snuff, until I became a valuable tester for such medicines. I graduaily grew worse, and no one can know how much I suffered or what a miserable being I was. My head ached over my eyes until I was confined to my bed for many successive days, suffering the most intense pain, which at one time lasted continuously for 168 hours. All sense of smeil and taste gode, sight and nearing impaired, body surunken and weakened nervous system snattered and constitution broken, and I was hawking and spitting seven-eighths of the time. I prayed for death to relieve me of my suffering. A favorable notice in your paper of Dr. Sage's Catarrh Remedy induced me to purchase a package and use it with Dr. Pierce's Nasai Douche, which applies the remedy by hydrostatic pressure, the only way compatible with common sense. Well, Mr. Editor, it did not come to more hour or monts, but in less than

Its Cholagogue properties, render it an unequal rendey for Billousness; Torpid Liver, or "Liver Complaint;" and its Tonic properties make it equally effications in curing Indigestion, Loss of Appetite and Dyspepsia. Where the skin is sallow and covered with blotches and pimples, or where there are scrofulous, swellings and affections, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel drowsy, debilitated, have sallow color of skin or yellowish-brown spots on face or body, requent headache or dizziness, bad taste in mouth, internat heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite and tongue coated, you are suffering from Torpid Liver or Billousness. In many cases of Liver Complaint, only part of these symptoms are experienced. As a remedy for all such cases, br. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.
