SAN BERNARDINO.

The Trustees Meeting—Local Happenings in That City.

SAN BERNARDINO, May 24.—The trustees met last evening with all members present. Trustee Lawson stated that the merchants were complaining of inadequate sprinkling on the business streets in windy weather. The street superintendent was directed to remedy the evil.

A report was received from the trustees of the city library, which was referred to the city manager. The ordinance requiring the closing of saloons on Sunday was read and passed by a unanimous vote.

A board of health was established for a term of four years.

The street superintendent was ordered to prepare the city hall for the purpose of D and Fourth streets for the purpose, and then order the expressmen of the city to use such lot for a standing place for their teams.

No action was taken on the diagram made by F. C. Finkle of Third street.

NOTES.

PASADENA.

Preparations for Celebrating Memorial Day—Local Affairs.

PASADENA, May 24.—Active steps are being taken in this city for the proper observance of Decoration day. The G. A. R. and auxiliary societies have taken hold of the matter and are fast completing arrangements.

In response to a request from the G. A. R., the school trustees have issued a communication to the teachers, and pupils requesting them to unite with the Grand Army in paying honor to the dead heroes.

A special train has been arranged for on the Terminal road, to leave the station for Altadena at 9:30 a. m. A return trip rate of 10 cents has been secured and the Grand Army in paying honor to the dead heroes.

The W. E. C. is co-operating with the G. A. R., having taken charge of the floral decorations, and a beautiful display of flowers is being prepared.

COMING ATTRACTIONS.

Friday evening next Maude Granger will appear at the opera house in The Fringe of Society, supported by a strong company. Miss Granger is an old-time favorite, and will doubtless attract a large audience. Seats are now on sale at Sueserott's.

Franklin's specialty company will appear at Williams hall Saturday evening, the 27th instant. The programme will consist of singing exhibitions, song and dance specialties, etc., closing with a few other minor matters. Manning of Los Angeles and Dave Coyle of this place.

NOTES.

Travel to the beach is beginning to improve on both the Terminal and Santa Fe roads.

Yesterday was the warmest day of the season by several degrees.

The foundation of the new Throop Polytechnic building is almost completed, and work will begin on the superstructure in a short time.

A baseball game will be played on Memorial day at the Athletic club grounds between two home teams.

The Pasadena band will go to Long Beach Saturday to play at the opening of the new wharf.

Raymond Adams and Hiram Staats leave in a few days for a fishing trip up the San Gabriel cañon.

The War Song concert at the tabernacle, Monday evening next, will doubtless prove a musical treat. Miss Josephine Williams of Los Angeles will give several recitations.

A meeting of the Christian alliance is held every Sunday afternoon, at 3 o'clock, at the Chicago lawn.

Rev. J. W. Phelps of the First M. E. church has been granted a leave of absence, during which he will visit to Chicago and his old home in the east.

Earl Reid has resigned his position as a sub-carrier in the postoffice, leaving a vacancy which no one seems to want, although that is not surprising, considering the salary attached is \$1 per cent of the salary which is earned when vacant places.

SOUTH PASADENA.

Death of Miss Lord at Oceanside—Local.

SOUTH PASADENA, May 24.—News of the death of Miss Cornelia Lord at Oceanside on the 20th of quick consumption, was received here with profound regret.

A few weeks ago Miss Cornelia left for a visit at Oceanside but failed so rapidly as to be unable to return. She was a young woman of unusual sweetness of disposition, so cheerful and bright that only her most intimate friends knew she was seriously ill. It was her wish to be interred in Evergreen cemetery, Los Angeles, which place she helped her father visit some years ago, when but a little girl.

The concert given by the Christian Endeavorers last week, was a social and financial success.

Thursday evening Miss Morgan of Morgan station, gave a farewell party to Miss Stella Barton who, in company with her mother, left for the world's fair yesterday.

Mr. A. F. McReynolds has moved to the place recently purchased from A. S. Harrington on Diamond avenue.

Mrs. Collier has remodeled what was formerly the "Fruit and Nut" building into a neat dwelling, which is occupied by Mr. William Wassele and his bride.

Mrs. M. W. Jordan and Mrs. Helen Jordan left last evening for New Jersey, via the Santa Fe.

Yesterday Mrs. Packard and family returned from Port Townsend, Wash., where he has been for the past four years.

Mrs. E. M. Austin, formerly Santa Fe agent at this place, now of Arrowhead Springs, was in town Saturday.

Miss Alice Eaton has gone to the world's fair.

Mrs. Kate Hawker is building a two-story dwelling on Diamond avenue.

Mrs. Leo Longley is quite ill.

Mr. T. D. Keith purchased the Lindser place recently for parties in the east.

The contract for sprinkling our streets was granted to Mr. J. Mitchell.

TO JUNE 1ST ONLY.

A Great Opportunity That You Should Take Advantage Of.

To establish a wide reputation The Galen Institute will render their services until June 1st free of charge. The only favor they ask is a recommendation after a cure has been effected. From their experience in the hospital of Europe and America, their knowledge of the rapid advancements that have been made in diagnosing and treating diseases in the last few years, can tell the probability of a cure in all cases of ear, skin, liver and kidney diseases, female complaints, nasal, catarrh, dyspepsia, rheumatism and nervous debility. They make every case a special study and will not take any case to treat unless there is a moral certainty of making a complete cure. Permanently located in Los Angeles December 1892, at 308 1/2 South Spring street. Office hours 10 a. m. to 5 p. m.; 7 to 8 evenings. Open every day excepting Mondays. Thousands of cases have been treated and cured by their system of treatment in the last eleven years.

THE CROPS.

The Weather Bureau's Report of Their Condition.

The weather bureau furnishes the following report of the condition of the crops in Southern California for the week ending May 23d:

The weather was generally clear with a deficiency in temperature during the first part of the week and an excess during the latter part, which was very warm with drying desert winds. The highest temperature at Los Angeles was 90 deg. and at San Diego 80 deg. No rain fell and none is now desired, as a large amount of hay is on the ground and harvesting will begin early next week. The reports continue to show bright prospects for the deciduous fruit crop.

The Green shades that are more carload a day of fresh vegetables are being shipped from Southern California to the east. These shipments include green peas, string beans, asparagus, tomatoes, celery and cabbage. This business is yet in its early stages and may be expected to grow to a very large and profitable one.

SANTA BARBARA COUNTY.

Santa Barbara city.—The outlook for the fruit crop of the county is very good. The prune yield will be large, and apricots about two-thirds of a crop, but the size and quality of the fruit will be good.

VENTURA COUNTY.

Barredale.—Corn is up and is looking well. Beans are all planted. The new potato crop does not look as well as last year. General conditions favorable to crops. The weather has been warm. Satisfactory.—Barley is looking well.

Somies.—The hills are dotted with hay cocks. Good crops are reported by all. Fillmore.—There is a good prospect for crop.

Hueneme.—Barley is nearly five feet high. Corn is in fine condition. Simipolis.—The barley crop will be large this year; a yield of 30,000 sacks is expected. The honey crop is good.

LOS ANGELES COUNTY.

Pasadena.—The weather was warm and clear. Peaches are getting heavily picked. Apples are short but of good quality. Peaches are heavy; prunes have set heavily; walnuts will be a good crop. Haying continues; the crop is generally good.

Duarte.—The week was warm and clear. Fruits are growing nicely, and haying is about over, the crop is not heavy but good.

Pomona.—The prune crop will probably be heavier than last year. Peas and peaches never looked better.

SAN BERNARDINO COUNTY.

Ontario.—The week was warm and dry, favorable for harvesting. Peaches are doing well. Apples and peaches are acting well. Monday was the warmest day of the season—temperature, 95 degrees.

Chico.—Barley has nearly all out, and is turning out better than expected. Sugar beets are growing rapidly and vigorously, and give promise of a heavy crop.

Redlands.—The indications are that apricots will be ripe enough to ship in about 10 days.

RIVERSIDE COUNTY.

Riverside.—A very large crop of hay is now being harvested. A breeze "northwest" prevailed on Sunday. Highest temperature, 87 degrees.

South Riverside.—The young orange grove have yielded quite an amount of fruit this season.

CHARGE COUNTY.

Anaheim.—The week was cool, except on Monday when a hot sun prevailed. The sugar-beet fields promise a very good crop.

Fallerton.—Harvesting will begin Monday on the San Joaquin ranch. It is estimated that the crop will be 500,000 sacks.

Orange.—About 15,000 boxes of oranges were shipped north and east.

Santa Ana.—The cabbage crop, the largest ever produced, has nearly all been shipped east, at prices in excess of what we anticipated. The day and grain crops are very large. Oranges have nearly all been shipped.

Tustin.—The grain harvest will begin next week, the acreage is the largest ever known. Orange shipments continue. Considerable ground has been put to pasture, the stand is good and plants growing well.

SAN DIEGO COUNTY.

The weather during the week was generally favorable to crops, but higher temperatures are desired. The outlook for crops was never better except for grapes; many farmers have not cultivated this year as there is no money in them.

REDONDO.

Shipping Arrivals and Departures—News and Personal Notes.

REDONDO BEACH, May 24.—The steamship Corona, Captain Hall, from the south, moored alongside the wharf at 12:30 p. m., today, landing a number of passengers from San Diego. On her departure north at 3:30 p. m. she took out 235 tons freight, including 3500 sacks of corn and barley, and 45 passengers for San Francisco. Among the passengers from San Diego were E. H. Morton of Chicago, Paul C. Ransom of Buffalo and Fred Townsend of Boston, who are returning from a two-week trip to Coronado and into Mexico, where they enjoyed a glorious hunting expedition. Mr. Morton will remain at the Redondo, while Messrs. Ransom and Townsend will continue their trip as far as San Francisco.

The fishing continues very promising at this point. Large schools of salmon invaded these waters yesterday, and fully 2000 pounds of these elegant fish were taken by hook and line off the wharf yesterday. They belong to the rock cod family, a deep sea fish, and are not generally found near the shore.

This morning Earl Winsor made a haul by seine of 525 pounds of pompano, on which he will realize a handsome return for his morning's labor. The pompano are regarded as the rarest and finest fish obtained on the coast.

Schaefer, the caterer of the casino, is making preparations for something grand and sumptuous in the way of fish dinners on Salt Water day, which is to be celebrated next Sunday, May 28th.

Mr. W. W. Graham, the representative of the house of Whittier, Fuller & Co., is among this morning's arrivals.

Mr. S. Westlake of Elder & Westlake, Kansas City, is sojourning at the Redondo for several days.

This morning's arrivals at the Hotel Redondo: J. D. Wilder, Boston; Rev. W. H. Lanning, D. D., Walker, San Francisco; W. E. C. Harrison, Baltimore; E. H. Morton, Mrs. H. Brinverter, Geo. A. Anderson, Chicago; L. Libens, Rev. O. W. Taylor, Mrs. A. E. Emery and child, Mr. and Mrs. S. B. Hyman, R. G. Lunt, Mrs. Francis T. Ryan, two children and nurse, Los Angeles; Mrs. Gordon M. Stolp, Oakland; Frank Milton, Fullerton; D. Crawford, St. Louis.

ARIZONA.

News Notes from the Sun-Kissed Territory.

(Tombstone Prospector, May 20th.)

The recent discovery made in the Eagle Tail mountains is from all accounts a bonanza. The Phoenix Herald says that the directors of the company met last Thursday and decided to send out to the mines a force of 18 to 20 men to assist the present force in blocking out as large a piece of gold as the largest wagon will hold up. The block will be about 15 feet long and 6 feet square, and weighing about 60,000 pounds. The vein from which this ore will be taken is 45 feet wide with an unknown depth, and crops out on the surface for over a mile, hence a block 45 feet square by one mile in length could be had if there was any way of transporting it to the railroad. This one vein assays \$1190.60 gold, \$81.40 silver and \$23 copper per ton.

The value of this one block will be \$57,230. It will be a glittering beauty, showing silver and copper glazes and native gold, intermixed with a blend of brown and green and red oxide. This large block of ore will be hauled on wagons to Sentinel, a town on the Southern Pacific 35 miles from the mine, and shipped within this month to the managers of the Arizona mineral exhibit at the world's fair at Chicago.

Ben Crawford will be deputy collector at Nogales under Collector Webb.

(Phoenix Gazette, May 21st.)

The working forces of the Santa Fe, Prescott and Phoenix railroad company are strung out along the line from Prescott to People's valley, and the work is being done very rapidly.

There are many campers at the Castle creek springs, and many prospectors all over the mountains. Many good strikes are being made.

H. E. Peoples sent down some fine ore samples yesterday from a mine recently by himself and Dave Goldberg. It was out of sight.

Another man was killed at Morenci the other day. The people of that mining camp would feel neglected if they failed to get their man every month.

Ripe apricots are being shipped from Phoenix to Los Angeles. The apricots in that section will not be ripe for four weeks.

ONLY SIX DAYS!

Remain of the \$5-a-Month Rate for Catarrhal Affections.

Mr. E. B. Smith—Remember—Their Mail Treatment.

During the Month of May Dr. De Monco and associates will treat catarrhal affections at the rate of \$5 a month, and furnish all medicines free until cured. For all other diseases the price will be low and uniform, according to the actual cost of the remedies required.

Beware of those who advertise free services and then charge for medicines, or advertise free medicines and then charge for services. One visit will convince. Take warning in time. All reputable physicians are not ashamed of their names.

UNCLE SAM'S

Trusty Lieutenant, Mr. E. B. Smith, Postmaster at Pomona, Cal., Makes a Strong Statement.

Among all the well-known citizens of Pomona none are better or more favorably known than Mr. E. B. Smith, Postmaster.

THE FOLLOWING STATEMENT MADE BY MR. SMITH

carries weight with it, and will be good news to his many friends. He says:

"I suffered for years from chronic catarrh of the head, nose and throat, and during the past year the trouble became very much worse. I had intense pain through my head, and sometimes reaching down my throat, and it was almost impossible to eat. My nose was always stopped up with large hard lumps. There was a continual discharge of mucus from my throat, and in the morning it would cause me to hawk and spit until I was almost exhausted. I had severe pains through my chest and under my shoulder. I could not sleep well at night, and would get up in the morning feeling hot and irritable."

"I have been under the care of Dr. De Monco and associates but a short time, and I have not felt so well for years. I sleep well, my appetite has improved, and my hearing is wonderfully improved."

"I
