## EAST WHITTIER

"Hello, central, please ring up Whittier and call A. L. Reed. I want to ask him a few questions."  
"All right, here he is. Go ahead."  
"Hello Reed. How is Jack?"  
"Oh, I guess he is all right. Who do you mean?"  
"Jack Frost. Hasn't he been over to see your country?"  
"Well, yes, he has been close around here, and we were afraid he would do us up, but all the damage he has done is to do up the tomatoes. The peas are O. K.; picking 'em right along every day. The young lemon shoots are growing finely, I haven't seen a single one nipped. Oh I tell you, we've got the location and soil for lemons and winter vegetables. You see, we have the Puente Hills right at our back, and the cold winds from off the snow can't touch us. That's why we are so warm in winter."  
"How is your land selling?"  
"Like hot cakes; going right along."  
"How about the price?"  
"Same as last season—\$200 per acre. We have 500 acres in the famous Leffingwell Ranch for sale, and it is the finest land out of doors, and no mistake. We are now at work on one extension of three miles, which will cover about 2,000 acres more of finest lands. We are very sorry for Riverside, Redlands, San Berdoon and all those places Jack has served so badly, but we must still say Whittier country beats 'em all. Come over and see us. S. K. Lindley 106 Broadway will give you folder or come direct and see

Evans and Morel Seen Near Escondido.

They Were Headed for the Mexican Line.

A School Teacher Saw and Conversed With the Fugitives.

That Was as Long Ago as Last Thursday and by This Time the Outlaws Have Crossed the International Border.

By the Associated Press.

SAN DIEGO, Jan. 21.—Under-Sheriff Crenshaw received a telephone message from Escondido today stating that two men answering the description of Evans and Morel had been seen yesterday. The information came from ex-Sheriff Cravath, who said he had learned that the men were seen in Keyes cañon, about eight miles to the northeast of Escondido, by a schoolteacher named Ross, who was teaching school in the cañon. Particulars of the story were finally received from A. H. Besch of Escondido, who said he had just secured them from Ross. The report had been current in Escondido Saturday but was not believed.

The reports said that at 2 o'clock Thursday afternoon two men drove up to the school house in Keyes cañon, and stopped to water their horses. They came up the cañon from the San Luis Rey river road. This is the old stage road from Los Angeles to San Luis Rey, and up the river to Bear valley.

The schoolteacher was at once struck by the resemblance of the men to descriptions he had read of Evans and Morel. The man he took to be Evans had a lap robe thrown over his left shoulder and the front of which he held with his right hand, but it slipped, and Ross saw that his left arm was cut off. The man's right eye was closed or missing. The other man was driving. They drove one horse only, hitched to a light cart.

The eight of the men scared the schoolteacher half out of his wits. He could not tell whether they carried arms or not. He did not recall seeing any. They asked Ross the best and shortest road to the Mexican line, and he directed them as best he could. They immediately left, taking the road due south leading to Warner's ranch, and which would take them to Campo on the Mexican line.

Ross returned to his task and taught school the next day, going to Escondido on Saturday and telling what he saw. By that time the men were safely at the line. Ross is an intelligent man of good reputation, and can have no possible reason for lying about the matter. Sheriff Hill was notified at once by his lieutenant upon receipt of the news and he prepared to send a posse to the line to head off the men, but on learning that they had passed Keyes valley as long ago as Thursday he abandoned the idea, as they are probably now in Lower California and have had time enough to go past Juarez mining camp as far as the San Rafael valley.

The Campo telehouse line was down today and all means of communication shut off. From San Rafael valley in Lower California the government road, built by Thomas Blythe, leads to Trinidad valley and across the desert to San Felipe on the Gulf of California. The Mexican authorities will be notified in the morning, and in case further investigation reveals that the men were the Fresno fugitives a few tried men will be sent down from here to work with the Mexican rurales in following them up.

### SHOT BY A GAMBLER.

Another Shooting Scrape at Prescott. A Soldier the Victim.

PRESCOTT, Ariz., Jan. 21.—Another shooting scrape occurred here last night in which a soldier named Riley of Fort Whipple, recently from the east, was shot in the head by Frank McQuiken, a gambler. The trouble occurred over a woman. The ball struck Riley in the right temple, glancing around the skull and coming out back of the right ear. The wound is not considered dangerous.

### MOUNTAINS PIERCED.

Completion of the Big Tunnel on the New Coast Line.

SAN LUIS OBISPO, Jan. 21.—The great tunnel through the Santa Lucia mountains, which the Southern Pacific company has been boring for more than a year, was pierced this morning. It is nearly 4000 feet long and is the third finished of the seven tunnels which the railroad had to make to complete the line to this point. The remaining four are short ones, all being worked on, and all will be finished before March 1st.

### Pacific Coast Weather.

SAN FRANCISCO, Jan. 21.—Cloudy weather prevails over the Pacific slope tonight, except about Los Angeles and over Arizona, where it is clear. There was a light rainfall over the major portion of Northern California this morning. There has been no rainfall reported from south of the Tehachapi mountains. Foggy weather prevails tonight in the Sacramento valley.

### Consul Allen Retires.

SAN DIEGO, Jan. 21.—Col. E. C. Allen retired on Saturday from the office of British vice-consul at this port, and will make his home at San Jacinto, where he has farm interests. His brother, Maj. W. T. Allen, succeeds him as vice-consul.

### HUNTINGTON SQUARES HIMSELF.

His Indebtedness to the Stanford Estate Paid in Full.

NEW YORK, Jan. 21.—The World will tomorrow publish an interview with C. P. Huntington in which he again strongly denies any indebtedness to the estate of the late Senator Stanford. Huntington returned from Washington today and the World says in regard to his assertion that Mrs. Stanford will not bring suit against him and the statement of his lawyer, Charles H. Tweed, that his indebtedness to the estate, if any, has been paid. Men well informed say these are facts and the result of Huntington's Washington trip, during which he transacted some business on a very large scale. During the course of the interview Huntington said in reference to the securities of Senator Stanford, now in the hands of the Pacific Improvement company: "I will explain that once and for all. The Pacific Improvement company is a California corporation. Senator Stanford, as well as myself, held stock in it. At times money was needed to carry through schemes. The stockholders put up the money. Senator Stanford put up securities at various times. That is all there is to it. The securities are in the hands of the Pacific Improvement company. Those put in by all the members of the company are still in the company's control. They are perfectly safe, and every member, or his heirs, knows just what interest he holds."

Continuing, Mr. Huntington said: "I state clearly and unmistakably that I have none of Senator Stanford's securities. I repeat I have no securities belonging to the estate. Further than that I have nothing to say except to deny the stories already printed."

### MRS. JOHN CHATTERTON.

LILLIAN RUSSELL AGAIN BEFORE HYMEN'S ALTAR.

She Weds Her Leading Man and Thus Becomes Signora Perugini—The Marriage Ceremony Performed in Hoboken.

NEW YORK, Jan. 21.—For the third time in her life the erstwhile Lillian Russell, before whose shrine worshipped the "Johnnies" of Gotham for the last decade, stood at the altar of hymen today and promised to "love, honor and obey" her future "lord and master" in the person of John Chatterton, whose nom de theater is Signor Perugini. At 10 o'clock Miss Russell, in company with her mother, Mrs. Cynthia Leonard, her sister, Mrs. Alfred Schultz, and others, was conveyed across the ferry to the residence of Civil Justice Miller in Hoboken. Awaiting them were the groom-elect, Edward Hoff of the Bostonians, and Thomas Daly. The marriage was consummated within five minutes, and the entire party then returned to the bride's home on Seventy-seventh street where a sumptuous wedding breakfast was served. Tonight a dinner was tendered by Signor Perugini and bride, at which were present the bride's mother and sister, Mrs. Lillian Nordica, Colonel and Mrs. Savage, Mr. and Mrs. Thomas Daly, Mr. and Mrs. Edwin Hoff, Fred Schwab and "Teddy" Piper. The bride received many valuable gifts, among them being two necklaces of diamonds, a tiara of diamonds and sapphires, a diamond sunburst, two sets of sterling silver knives and forks, a chest of old silver, a morocco leather traveling bag with sterling silver fittings, and two sets of jewel rings and bracelets. Signor and Signora Perugini will continue their role at the Casino.

### DEERWY LYNCHING.

A Little Girl Outraged by Two Burly Negroes.

ST. LOUIS, Mo., Jan. 21.—A special to the Republic from Aurora, Mo., says: Near Vernon, a town five miles west of this city, on the Frisco road, Mr. Jacquin's 12-year-old daughter was dragged to the woods, tied to a tree and ravished by two burly negroes, and not found till 4:30 this afternoon. She was horribly lacerated. The fiends are making toward this city, and parties are out in all directions with Winchester and shotguns. Some are on a fresh trail, and if the men are found they will be lynched tonight, as there is the greatest excitement ever experienced in this city.

### INSANE WITH THIRST.

An Unknown Man Found Dying in the Desert.

SAN DIEGO, Jan. 21.—An unknown man was found on the Colorado desert a few days ago by E. P. Cleland. The stranger was insane with thirst and after being provided with water could give no account of himself, his tongue being swollen so that he could not speak. He was placed in charge of an Indian at a rancheria near by, and will be brought in when he recovers.

### Montgomery's Speed.

NEW LONDON, Conn., Jan. 21.—At noon today the navy board finished its work and announced the time of the new cruiser Montgomery in her speed trial Friday. The speed awarded is 19.56 knots and brings her builders a bonus of \$200,000.

### Dry Weather at San Diego.

SAN DIEGO, Jan. 21.—With the exception of two light showers, aggregating a fall of .29 of an inch, there has been no rain here during the present month. The weather has been cool, but cloudless.

### WANT TO SEE THE MONEY

Corbett and Mitchell Will Fight for Cash.

Both Insist on Having the Boodle in Sight.

Referee Kelly Must Have the Purse in His Fist.

The Duval Club's Check Not Considered Good Enough—Arrangements for the Battle About Completed. Seconds Selected.

By the Associated Press.

JACKSONVILLE, Fla., Jan. 21.—It has finally been decided that the Duval Athletic club will be compelled to turn into cash the check Referee John Kelly holds in trust for the winner of the big fight. Kelly today visited Corbett and the latter said he would uphold Mitchell in the demand that the money be put up. It is argued if the club is "on the square" there can be no objection to interpose to the proposition, and the money must be in the hands of the referee when he enters the ring, to be turned over to the winner at the conclusion of the battle. Tomorrow Brady, representing Corbett, and Masteron, on behalf of Mitchell, will accompany Kelly before the club officials and make a formal demand for the cash.

The arrangements for the fight are about completed, although the location is still being kept within the confines of the club officials. It has been decided to spirit the principals, with their seconds, away, sometime Wednesday afternoon. Each will be furnished with a special train and pulled towards the common center by circuitous routes. The general start will be made from here early Thursday morning before sunrise, it is intimated, in order to give the fighters as much time as possible in which to effect a finish.

The club has stopped selling tickets for \$25, and it is claimed will sell no more until 1000 spectators are assured. Corbett will go into the ring seconded only by Americans, Jack Dempsey, Delaney, Donaldson and Brady. Al Smith will be timekeeper. There will be but one American in Mitchell's corner, Bat Masteron or O'Donnell, both of Australia, and Harry Darrin of England. Billy Thompson who holds the watch is also from Australia.

An attachment will be served tomorrow on Corbett's personal property at Mayport for \$1000 for alleged damages to the property occupied by the party. The cottages used for training and sleeping quarters are the property of Judge Gibbons, of the municipal court, and Claus Meyer of this city. They claim Corbett occupied the property without the consent of the owners.

States Attorney Hartridge returned from Tallahassee today after a consultation with Governor Mitchell. Hartridge said the governor left the instructions to Sheriff Broward, to Attorney-General Lamar and the states attorney. The attorney-general, together with Adjutant-General Houston, will arrive in Jacksonville tomorrow or next day. The three heads will then be brought together and as the result the sheriff will receive orders. Hartridge said should the crowd board a train none of the railroad employees would be arrested, but he would say nothing as to whether the principals would be or not.

Among several attorneys of this city, the opinion that Governor Mitchell intends an important move on the morning of the 25th, is gaining strength. They have an idea that instead of preventing the fight by means of the militia, the governor will order the arrest of Corbett and Mitchell on the charge of arranging for a fight, which Attorney-General Lamar holds comes within the law prohibiting arrangements for a duel. Should they be arrested on the morning of the 25th it would necessitate a postponement of the battle for one day at least, and the men would undoubtedly be put under heavy bonds to keep the peace until the courts have decided the legality of the matter. This would effectively put an end to the contest in case it is decided that the fighters are within the limits of the law, it is not probable the contest would take place, as the men would be out of condition and the crowds gone.

A report came up from the Mitchell training quarters tonight to the effect that the English champion, during exercise early in the evening, sprained and wrenched his leg.

The club this evening sent a commissioner to Annapolis island to notify Mitchell that a special car will be in readiness for him Wednesday morning. According to the commissioner, when he returned, Mitchell was in a very unpleasant state of mind when he learned what was required of him. It is said he declared he would not fight under the auspices of such a club, and that he had put up with too many of their bluffs already.

The commissioner was then told of the injury the English champion had sustained. How serious that may be has not yet been learned. At Smith, however, came out tonight with a proposition in which he offered to bet \$5000 against \$1000, sprained ankle or no, Mitchell would get into the ring with Corbett Thursday.

The Duval club issued an edict in response to the assertions which Mitchell is said to have made, in which the Englishman is served with formal warning that the club would claim his forfeit of \$5000 if he did not appear at the point indicated in the original summons Wednesday at 6 a.m. In addition to this, it is authoritatively stated the referee will award the \$5000 side bet to Corbett in that event. There is considerable other money which Mitchell would lose if he failed to subject himself to the orders of the Duval club.

### BULLY FOR THE BULLS.

Toreros Get the Worst of It in an Exhibition at Albuquerque.

DENVER, Colo., Jan. 21.—A special to the Republican from Albuquerque says: Three weeks ago Don Antonio Fuentez and some celebrated bull fighters arrived in this city from Mexico, and immediately made preparations for an exhibition. An appeal was made to Governor Thornton to suppress the fights. The governor instructed the district attorney and the sheriff to enforce the law. Captain Fuentez said no blood would be drawn, but that the fights would be vicious and exciting. Two thousand people saw the fights this afternoon, visitors coming many miles for the purpose. There were five fights. In the third, Don Cruz Erazorezo was tossed over the head of the bull. In the last fight Don Enrique Luna got into a tight place and was thrown into the air by a vicious bull. The bulls were not in the least hurt.

### A DISASTROUS ACCIDENT.

Three Men Killed and Many Injured by the Collapse of a Train.

LITTLE ROCK, Jan. 21.—A special to the Gazette from Stephens, Ark., says: One of the most disastrous accidents that ever occurred in this section happened at Ogawmaw last night. A log train was coming on its last trip loaded with woodmen and when passing over a trestle it gave way and the train with the entire crew went down, killing three outright and wounding eight others. The killed are: Paddy O'Brien, Melville Dewitt, Chatham. All the physicians of this place are at the wreck attending the unfortunates.

### THE HAWAIIAN THRONE.

IT WILL BE EXHIBITED AT THE MIDWINTER FAIR.

Other Trappings of the Late Monarchy to Be Displayed—Eastern Press Representatives En Route to the Exposition.

SAN FRANCISCO, Jan. 21.—Among the Hawaiian exhibits at the midwinter fair, loaned by the provisional government, will be the royal throne of Hawaii and other appurtenances of the ex-monarchical trappings of that island kingdom. The furnishings of the royal bed chamber, the uniform formerly worn by King Kalakaua and other articles that adorned the royal palace will also be exhibited. The Hawaiian throne consists of a pair of chairs resembling somewhat old fashioned pulpit chairs, which are covered with gold and upholstered in red satin and plush. As articles of furniture they are uncomfortable, but make up in glitter and show what they lack otherwise. The chairs are accompanied by the rug on which they rested in the throne room of the Hawaiian palace, and the royal standards, which are made of red feathers.

Chicago, Jan. 21.—Representatives of the Chicago press left for San Francisco tonight to be present at and participate in the formal opening of the California midwinter international exposition. The party is a large one and numbered a representative of each of the chief Chicago newspapers, as well as Pittsburg and Cleveland representatives. George M. Pullman dispatched them in his private car and did everything possible to make the journey a pleasant one. The excursion left for San Francisco at 10:30 o'clock tonight. At Omaha representatives from St. Louis are expected to join the party.

### COLORADO LEGISLATURE.

A Mild Protest Against the Adjournment of the Session.

DENVER, Colo., Jan. 21.—A parade was held today under a call of the labor organizations, to protest against the adjournment of the legislature without enacting laws for the relief of distress, by affording employment. Two thousand men were in line. It was reviewed by Governor Waite and the Populist members of the legislature from the St. James hotel. Very little enthusiasm was manifested. One marcher proposed three cheers for Governor Waite, but there was no response. After the parade a meeting was held at which resolutions were adopted demanding an abatement of the attachment laws and enacting laws for building a state canal and for other public improvements.

### A DYNAMITE BOMB.

Timely Discovery of an Infernal Machine at Guthrie, O. T.

GUTHRIE, O. T., Jan. 21.—A dynamite bomb, charged with enough dynamite to blow up a block of buildings, was found in the office of the townsite board yesterday. It was a piece of lead pipe three feet long. A party of newspaper men took the deadly instrument to the suburbs of town and built a fire over it. It exploded, tearing a hole in the ground big enough to bury a horse and the shock was felt for miles. It is believed the bomb was intended for Governor Keuffner and School Land Commissioner Bincoe, as it was found in close proximity to the executive buildings.

### A Republican Contest.

CHICAGO, Jan. 21.—At a meeting of the Republican state central committee today it was decided to contest the constitutionality of the apportionment of the legislative, senatorial and congressional districts of Illinois by the last legislature. Ex-Attorney-General Hunt announced the contest in the original summons Wednesday at 6 a.m. In addition to this, it is authoritatively stated the referee will award the \$5000 side bet to Corbett in that event. There is considerable other money which Mitchell would lose if he failed to subject himself to the orders of the Duval club.

### Many Fishermen Drowned.

BIRMINGHAM, Jan. 21.—A heavy gale prevailed in the bay during the last 24 hours and numbers of fishing boats have been lost. At least 25 fishermen were drowned.

### ALEXANDER ASSASSINATED

Servia's Boy King Reported to Be Murdered.

The Rumor, However, Lacks Confirmation.

Excitement Over Ex-King Milan's Return to Belgrade.

The Servian Cabinet Resigned Owing to His Visit—The Young King Said to Be Determined to Rule or Ruin.

By the Associated Press.

LONDON, Jan. 21.—A Daily News dispatch from Vienna says: It is rumored that the king of Servia has been murdered. The rumor yet lacks confirmation.

BELGRADE, Jan. 21.—Ex-King Milan arrived here this afternoon in answer to a summons from King Alexander. Premier Gritich immediately tendered his resignation on account of Milan's arrival. King Alexander thereupon assured him that Milan's presence in the city did not imply the adoption of an unconstitutional or unparliamentary course. It is said a coalition presided over by Nicolaievitch is forming.

LONDON, Jan. 21.—A dispatch from Vienna to the Standard says the Servian cabinet has resigned because of the presence of ex-King Milan in Belgrade. This they declared to be illegal, but did not care to commence an open conflict with the crown by Milan's arrest and expulsion. M. Pasich, president of the skuptschina, is en route to Belgrade from St. Petersburg. If he is willing to form a new cabinet, possibly the crises may be deferred. The real cause of Milan's arrival at Belgrade, the dispatch says, was a difference between King Alexander and the radical ministers. The king appealed to his father, who advised him not to break with the radicals unless he wanted to suspend the constitution and institute a military regime, which Milan strongly deprecated. King Alexander replied that if he could not have his own way he would abdicate and leave Servia, whereupon Milan started immediately for Belgrade. A dispatch to the News from Vienna says it is no longer a question of parties, but will King Alexander be able to keep his throne. With him the Obrenovitch dynasty must stand or fall, and Milan has gone to Belgrade to avert the danger. Part of the radicals, it says, led by a fanatical priest, Guritch, and ex-Premier Pasich, a partisan of Russia, have openly declared in favor of the descendants of Kara Georg, Servia's redeemer from the Turkish yoke. The real pretender to the dynasty is Prince Asten Kara Georgevitch, a Russian officer who married Princess Demikoff and is a great favorite of the czar.

### REEVES REINFORCED.

Eight Thousand Insurgent Troops Enter Rio de Janeiro.

NEW YORK, Jan. 21.—The Herald's dispatch says: Newspapers here published a dispatch from Rio de Janeiro saying General Saraiva has entered Rio bay with transports carrying 8000 insurgent troops.

BERNOS AYRES, Jan. 21.—The Brazilian government forces in Rio grande do Sul have arrived at Santa Anna, pursued by the rebels, who made heavy levies upon the inhabitants, causing general discontent.

### A CUP OF POISON.

Sara Bernhardt's Narrow Escape From Death.

PARIS, Jan. 21.—It has transpired that Sara Bernhardt had a narrow escape from death by poison while performing in her new piece, Icel, on Friday last. Her new Dahnousservant, Kerim, who attends her at rehearsals, put some laudanum in her cup of tea by mistake. Bernhardt noticed the strange taste before she drank enough to do her any serious harm.

### AMBUSHED BY PIRATES.

A Detachment of French Troops Slaughtered in Tonquin.

PARIS, Jan. 21.—A dispatch from Tonquin says a detachment of French troops commanded by Captain Delaunay were ambushed by pirates whom they were pursuing in the bush near Calhoun on December 31st. After the French entered the ambush the pirates fired a volley on them, killing Captain Delaunay, wounding three lieutenants and killing or wounding 18 men.

### Vaquez Again Defeated.

NEW YORK, Jan. 21.—The Herald's special dispatch from Managua says: President Vaquez of Honduras made a stand against the Nicaraguan invaders at Cerrito yesterday, but was again defeated. There has been another sharp engagement between Bonilla's advance and Vaquez's rear guard, ending with Bonilla's men falling back.

### Talmage Resigns His Pastorate.

BROOKLYN, Jan. 21.—Rev. T. DeWitt Talmage, at the close of his sermon at the tabernacle tonight, made the announcement that he intended to resign from the pastorate of the church, his resignation to go into effect on the occasion of the twenty-fifth anniversary of his taking charge of the tabernacle. No intimation had been given by Dr. Talmage, and the announcement was a surprise to the congregation.

### Death of Commodore Holt.

JACKSONVILLE, Fla., Jan. 21.—A special from the Times-Union from the Hotel Punta Gorda, Fla., says: Commodore C. H. Holt, son of the famous Col. of arms fame, and commodore of the New York and Larchmont yacht club, died in the Hotel Punta Gorda this afternoon.
