BETTER FRUIT PRICES EXPECTED

Special to The Heraid.

NEW YORK, March 17.—Thirty-three carloads of navel oranges were sold. The market is still demoralized by wretchedly poor fruit, some of the cars showing 50 per cent decay and very little sound stock is oftered.

Prime fruit was easier in sympathy with the balance. There is no hope for improvement till glut of decayed stock is removed. Had the growers feed the fruit they might have saved much money, as trade is anxious for good oranges and cannot get them.

Lighter receipts are expected next week on account of the delay in shipping caused by rains. This should help the situation.

The best averages made today were by Gold Buckle brand, \$2.12; Ostrich, \$2.38; Winner, \$2.25; Golden Flower, \$2.40; Cloister, \$2.27; Stag, \$2.26; Carnation, \$2.20; Prices follow:
