The Want Ads Are

Business Peacemakers

In the store, the office, the factory, the work places, the home-wherever human interests clash, wherever workers and employers come to be discordant, wherever new workers or new work are the urgent need—the road to peace lies through the want ad. columns.

In almost every case, a peace-wrecking incident of daily life needs but the simple remedy of a little want advertisingwhether it is the sudden exit of the servant, stenographer, clerk, cook, boarder, roomer, tenant; or the unexpected need to quickly "raise some money."

More and more, every day, in the lives and affairs of the people of this city, the want ads. are coming to play the parts of adjusters, of vexation-preventers, of BUSINESS PEACEMAKERS!
