Choose Carefully Your Route East

In planning your journey there are important travel points to keep in mind: you can use the Burlington as part of any desirable route to Chicago, St. Louis, Omaha or Kansas City. Burlington through lines can be used in a greater combination of diverse going or returning routes than any other line. Five highest type Burlington trains Denver east; four Burlington through trains Seattle east; through standard sleepers, with a half day in Salt Lake through personally conducted luxury sleepers from Los Angeles every Monday, Tuesday, Wednesday and Saturday, with a half day in Denver. Your ticket can always include the Burlington. Have it that way.
