You'll experience no disappointment, rather, a pleasant surprise, when you once see the garments themselves. Mere type description cannot give you a clear conception of the values. The styles are all the very latest, most in demand. Many of the dresses and suits were in the house but a short time, but incoming Fall stocks make immediate room urgent—hence the sacrifice price. Among the dresses you'll find fashionable twilled foulards in all colors; natural pongee and Tussah silks, colored Tussahs and messalines.
