Theories and Things Only the other day I listened to a lecturer on sunspots expatiating on the enfranchising an ennobling power of his science, teaching as it does the majesty of God and his handiwork. I agreed, of course. Theoretically, I knew he was right, yet as for myself, I could not help preferring to wonder at the hand of the Almighty in the creation of a dandelion, a sparrow, a founder—Robert M. Gay, in the Atlantic.

IF BACK HURTS BEGIN ON SALTS

FRESH YOUR KIDNEYS OCCASIONALLY IF YOU EAT MEAT REGULARLY.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms an acid which settles the kidneys, then become overworked from the acids, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, stop eating meat and get about four ounces of Jad salts from any pharmacy take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will feel fine. This famous salt is made from the acid of grapes and lemon juice, combined with bicarbonate and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine and it is a powerful cause of irritation, thus ending bladder weakness.

Jad salts is inexpensive and cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

BE PRETTY! TURN GREY HAIR DARK

TRY GRANDMOTHER'S OLD FAVORITE SCALP SAGE TEA AND SULPHUR.

Almost everyone knows that Sage Tea (and Sulphur) properly compounded, does bring back the natural color and lustre to the hair when faded, streaked with grey, also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this medicine was to make it at home, which is messy and troublesome. Nowadays by asking at any drug store for "Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.
