SHAW-WALKER

SHAW-WALKER Steel Letter Files

SKYSCRAPERS in business, law, medicine, etc., of course, need shelving and filing each other's papers as well.

In addition, it is a well known fact that a man's papers should be kept in a safe. The Shaw-Walker letter file is a safe in itself. It is fireproof, burglarproof and earthquakeproof. It is made of heavy steel and is built to last. It is the only letter file that is a safe.

Drawers are made of heavy steel and are equipped with a locking mechanism. Will not rust, and will not warp. No need for oiling or greasing. No need for painting. No need for repainting. No need for repainting.

Progressive Conservatism

A bank can be so "hide-bound" in its conservatism as to lose its powers of expansion—or, it can be so liberal in its policies as to endanger its solvency.

This bank has tried to strike the happy medium—a PROGRESSIVE CONSERVATISM which combines all the elements of safety, with a policy of liberality without prodigality.

The solid, consistent growth of the National Bank of Commerce from year to year proves the wisdom of this course.
