WAR REVENUE BILL Economize in Clothes

It Helps You and the Men Who Fight

If you were a military man directing a march you'd have a well worked out plan of action. You'd know the "lay of the land," the roads that were best, and all that sort of thing.

But being a business man you have a different kind of plan. You watch expenses carefully and buy wisely and economically, so that the men who direct our marches won't be hampered by a shortage of food or cloth-

New we are not military experts-but we do understand values in clothes. We know that when we sell a good suit we help you and we help our country. That's why we especially recommend
