Mr. Finkler Says
I have here always and never to remain always, and in all ways maintain the "Jewelry Store of the Panhandle" and its reputation. Every man, woman and child in the Panhandle knows there was never an interior article offered for sale in this store.
Our responsibility is over your most valuable asset when making a purchase here.
I shall be glad to meet my old friends and customers and make new ones at this sale. I started this sale on Sept. 13, 1921.
