CALLS TO JAIL BY FICTITIOUS TELEPHONE CALL, THEN OVERPOWERED

By Associated Press.
SHEEPSVILLE, Ind., July 6.—Calling deputy Sheriff J. M. Wilson of Benton to the Bowser parish jail by a phone message that the speaker was another deputy and had a man under arrest, he wanted to look up a mob of unidentified white men overpowered the officer, took Joe Pemberton, a negro from the jail and hanged him from a tree in Bayou swamp two miles from Benton. Sheriff Adams of Bowser parish said about daylight Thursday morning, Deputy Sheriff Wilson having been called from his home at 3 o'clock.

The officer notified Sheriff Adams as soon as he was released by the mob and reached a telephone. All available deputies were called out and the roads and trails in the vicinity of Benton searched for clues, tracks left by an automobile in a little used road to Benton swamp putting them on the right track.

The negro was found hanging from a tree several hours after the crime was committed.

Sheriff Adams said that Wilson was unable to identify any of the men who overpowered him and took his keys away from him.

Pemberton was arrested early Tuesday night and placed in jail for shooting two negro women.

MISSOURI TOWN STILL IN HANDS OF STRIKERS WHILE RAIL SHOPS REMAIN CLOSED

SLATER, Mo., July 6.—Assistant General William Rupp of Missouri spent two hours here tonight and left for Jefferson City, where he will report to Governor Hyde and make recommendations as to the handling of the local situation where striking shopmen have closed down the Chicago and Alton shops and have been in virtual control of the town for the last thirty-six hours.

General Rupp declined to announce what his recommendations would include, but said that he had talked to Sheriff John Logsdon in Marshall and that Sheriff Logsdon had stated to him that the sheriff was unable to control the local situation and was not inclined to appoint special deputies. General Rupp told Sheriff Logsdon to put it in writing and the sheriff said he would write the governor to that effect tonight.

The assistant general told a correspondent of the Associated Press that he believed the situation here was one which an honest man could handle. He said the county and the town are thoroughly biased in their sympathies and are not prepared to take any action in protecting strikers against the mob. He said that the mob did not enter the town to molest the strikers, but to molest the town. He said that the mob did not enter the town to molest the strikers, but to molest the town.

Sixty-five per cent of the population of Slater is composed of railroad employees and their families. General Rupp said, and the remaining residents of the town are dependent on these families for their support. He believed the situation here so far as an element of law and order is concerned is parallel to that in Haver, Illinois.

MEANWHILE SHOP STRIKE OUTLOOK IS IMPROVING

By Associated Press.
CHICAGO, July 6.—A threatened extension of the strike of railway shopmen to include 12,000 signal men was postponed today by members of the United States Labor Board when D. W. Helt, head of the Brotherhood of Railroad Signal Men, which has been taking a strike vote, pointed to maintain the status quo pending further conferences.

It was the second time that intervention of board members has averted an extension of the walk out, a threatened strike of maintenance of way men having been averted Tuesday through the efforts of Chairman Ben W. Hooper and W. L. McManis, labor member of the board.

Meanwhile, railway circles expressed strong hopes of a quick settlement of the shopmen's strike which began July 3. E. M. Jewell, head of the railway department of the American Federation of Labor who is directing the shopmen's strike today, reiterated for men statements that the shopmen were willing to consider a settlement proposition submitted by any authoritative body.

"If any one has a proposition for settlement up his sleeve, let him shake it out," Mr. Jewell said. "We are ready to consider any reasonable proposition submitted by any authoritative body."

The situation is improving so far as the strike is concerned, Mr. Jewell said, asserting that he had received reports from several points that "what few men that did remain at work last Saturday and Monday, joined the walkout Wednesday."

Mr. Jewell said he had received a telegram from J. P. Valentine of Cincinnati, head of the International Brotherhood of Railway Employees, a walk out of 10,000 members scheduled on Wednesday.

He also exhibited telegrams from heads of the ladies auxiliaries of shopmen's organizations in which it was thought the women are doing nothing at all.

The sixth day of the shopmen's strike was marked with little violence except for a few parade outbreaks in widely scattered sections. The railway maintenance men were returning to work, but some of the strikers remained on the picket lines.

The officials of the union maintained that the ranks of the strikers remained unbroken.

PRESIDENT TAKES RAP AT "UNTRUE" MEMBERS

COLUMBUS, July 6.—President Harding in an address here tonight made a vigorous appeal for harmony in the ranks of the Republican party. Too many who profess to be Republicans he declared are attempting to "attract attention to themselves" instead of working for the good of their party and country.

The president said he did not care to be a lobbyist but added that some one had to act as director, otherwise there would be discord. He spoke at an open air banquet which celebrated the fifteenth anniversary of the Columbus Republican Club of which tonight he was made a life member.

Prefacing his remarks with the observation that a few Club members would sing in harmony if the tenors insisted on receiving special attention because they were tenors and the basses did likewise, Mr. Harding declared it would be impossible to preserve party harmony if individual and groups in the party took the same "slant on things."

Several hundred men and women, most of them actively identified with the Republican party, heard the president's address. He reminded them that the party is sponsor for the government today and added that "we would be better off if all who wear the badge were Republicans at heart."

"You seldom stop to think of the inheritance of the present administration," declared the executive, adding that he meant to take no "slant at what went before."

"But there was a saturation of expenditure," he continued which drove some nations into bankruptcy and the United States is madmen. Out of that great upheaval must come a readjustment, but it seems as if no one wants a readjustment for himself although he is eager to have it for others."

Mr. Harding said it was consoling to realize that the great undercurrent of American life was in a forward direction and that nothing in the world can stop it.

President Harding on his way by automobile from Marion to Washington, stopped off here today to play golf and to attend the banquet which was held tonight in his honor. He will resume his journey tomorrow morning intent on arriving at the White House Saturday.

The president's plans to stop at New Orleans, where an honorary degree would be conferred on him, and then to New York, where he will have a luncheon, were not mentioned.
