### At the Orpheum.

Another overflowing house made glad the hearts of the Orpheum stockholders last night. The program is one of the best that have been presented at this popular place of amusement.

The trio Rand, Byron and Rand in their acrobatic sketch and little Miss Dreyfus with her clever dancing and sweet songs are hosts in themselves. Hamilton Hill never sang better than last night while the Willards in their musical acts, Jackson Heerde in "The Hottest Coon" and the comedy skit by Boggs and Haewood all came in for a generous share of applause.

## TRAMWAYS AGAIN

### Minister Young Takes Measures to Protect the Public.

### NOTICE GIVEN TO CLEAR STREETS

Judge Perry Denies Application of Tramways Company for Modification of Injunction.

That the Government has taken no action with regard to the condition of Union Square has surprised many people, but it is explained and partly excused by the untimely death of Minister King. The new Minister, Hon. Alexander Young, has already moved in the matter and reported in the Cabinet meeting yesterday that he had taken measures to have the square in front of the Executive building restored to its normal condition. The first of these measures consisted in serving the manager of the Hawaiian Tramways Company with a peremptory order to place the square in the same condition in which it was prior to the tearing up of the street to lay the track which is now the subject of the injunction.

Instead of proceeding to do as they were ordered, the company's attorneys sought the courts again and yesterday appeared before Judge Perry with an application for a modification of the injunction. They coolly asked the court to allow them to complete the track for which the street is now torn up, agreeing to take it up if it should be found they had no right to lay it. In support of the motion they offered the peremptory order and notice served on them by the Interior Department. Judge Perry promptly denied the motion, which leaves Minister Young's order in full force.

Under their charter and the subsequent laws affecting tramway companies and their tracks, the power of the Minister of the Interior over the tracks and rights-of-way is in these cases almost absolute if he chooses to exert it to its fullest extent. The public will be grateful to Minister Young if he continues to use these powers to the utmost, both early and often.

### AN ENDORSEMENT.

Keala, Kauai, H. I., June 22, 1899. Mr. H. P. Walton, Manager Peerless Preserving Paint Co.—Dear Sir: In September, 1896, you did nearly \$5,000 worth of work for us under a three years' contract and I am pleased to testify to the fact that you kept your agreement to our satisfaction. We find that your paint gives better satisfaction than any we have tried on roofs, either shingle or iron, and as we are situated so near the sea the paint question is an important one for us. We realize that no paint will "kill rust," although the "Eureka" people guarantee to do so with their paint, and we have given them one-half mile of rusty track to experiment upon. We do not believe they can accomplish what they claim, although we hope so, as the world has been looking for such a paint for centuries.

We do believe that your paint will protect iron from rust along the seashore and will give it a good trial on our railroad track, which is situated between Anahola and Kapaa.

The proposition that I offered you and the Eureka people to each paint one mile of our track and we would pay the man whose paint was in the best condition at the end of the year, the price of the two miles fell through, as the Eureka people would not accept the proposition. If the Eureka people claim to have contracted with us for any work outside of the one-half mile of track mentioned above, they have no authority to make such statements, for such is not the case.

That we have given you another contract amounting to over \$3,000 is the best proof that we are satisfied with your paint and agreements.

Yours truly, GEO. H. FAIRCHILD, Manager Makee Sugar Company.

### Took His Curious With Him.

The luggage of Artist Hubert Vos who sailed with his family for the Mainland on the Doric this morning was carted down to the steamer last night and it took Freight Clerk Thorne some time to check it off. There were many cases of valuable curios from the Orient and these islands in the lot and all of great value. The best evidence of Artist Vos' being as thorough a traveller as he is an artist is the careful

way every package was strapped and marked.

### Cabinet Meeting.

At the meeting of the Executive Council yesterday the following expenditures were authorized to be made from the Loan Fund: Road from Mokuauia to Kipahulu, \$8000; road from Kailua to Hanalei, Nahu, Maui, \$20,000; water works for Wailuku and Kahului, \$13,900.

### Triangle Club.

A meeting of the Triangle Literary Club was held in the Y. M. C. A. last evening. Much important business was transacted. It was decided to send to the Coast for designs for a club badge and a committee was appointed to draft a new constitution and by-laws. The program for next meeting was prepared and will consist of musical and literary selections by the members. At the close of the meeting refreshments were served.

### PLUCKING LIVE TURKEYS.

Judge Wilcox Imposes Merited Punishment on Two Chinese.

The cold blooded cruelty of the average Pake was well demonstrated yesterday morning at about 9:30, when two Chinamen named Ah Hok and Kee Hok were arrested at the Kong Hop Kee fruit and vegetable store on King street opposite W. W. Diamond & Co. The men were caught in the act of plucking live turkeys. The work was being done in the open alley way in plain sight of passers by. Quite a number of turkeys had been picked, several of which were still alive and one was running about inside the building completely denuded of its feathers while another was undergoing the same agony.

At the Police Court the men were charged with cruelty to animals; they had no excuse to offer for their conduct and appeared quite surprised at the fuss made over the, to them, simple matter.

Judge Wilcox imposed a fine of \$10.00 and imprisonment for ten days in both cases. An appeal was lodged and the two Chinamen were released on \$100 bail each.

### THE OPERA TONIGHT.

Will Commence at 8 O'clock Sharp—Final Announcements.

The inauguration of Honolulu's greatest musical event will take place tonight. It will be a feast of song and melody of bright scene and pretty girls—of handsome costume and brilliant effects. It will be the night of all nights in this city, and society will be on hand in recherche gowns and exquisite decoration to do honors to the first night of this famous engagement. The Opera House will be beautifully illuminated with every light in the house in full glow.

Needless to say there will be no deviation from the announcement already made regarding the hour of commencing. The performance at 8 o'clock promptly: door open at 7:30; the box office at the Opera House will be open at 7 o'clock tonight—for the accommodation of gallery patrons. Carriages at 10.

### STRUCK A HOT STOVE.

And Something Still Hotter When he Got to the Police Station.

A man walked into the Police Station at about 11 o'clock last night and exhibiting an arm which bore marks of a recent contact with a hot stove, explained that he had been celebrating the anniversary of the birthday of his mother's husband's only grandson's father and had fallen into a heated dispute with the kitchen stove, and begged that the officer in charge would apply a soothing balm to the injured member. Vaseline being out of stock, a search was made for a substitute but the nearest obtainable was a bottle of HHH embrocation for horse rheumatism, etc. This was applied and the sick man retired but not before executing a highly diverting hornpipe and shattering the surrounding atmosphere with expressions of joy and gratitude toward the amateur surgeon.

One more case of practicing medicine without a license.

New bill at the Orpheum tonight.

## ONE DAY LATER

### "Doric" from Yokohama Brings Papers Up to 21st Instant.

### A FIFTY MILLION WAR CREDIT

133,000 Militia Respond to Call—92 per Cent of Army Reserves for Duty in Transvaal.

The steamship Doric brings Yokohama papers of the 21st. The latest telegrams published contain little that was not given exclusively in the Advertiser of yesterday. The following may be of interest:

### GREAT EARTHQUAKE.

SAIGON, Oct. 16.—A telegram from Java says that an earthquake has taken place in Ceram, destroying the town of Amahay and killing 4,000 persons. Ceram is an island of the East Indian Archipelago, with a population of 195,000. It belongs to the Dutch. Amahay is a town on the south coast, situated on a bay of the same name.

### THE BOER WAR.

SHANGHAI, Oct. 20.—The calling out of the militia was a surprise. One hundred and thirty-three thousand have applied to be employed. The army reserves have responded to the call splendidly; over 92 per cent have answered the summons. It has been decided to replenish the denuded garrisons. The War Credit granted by the British Parliament amounts to £10,000,000 sterling. The news from Mafeking is doubtful and disquieted. The latest intelligence indicates that the Boers have been repulsed with heavy loss, but they began bombarding the place again with Krupp guns. The Boers are making a general advance in Natal, apparently with the object of enveloping Ladysmith. Hitherto there have been only outpost skirmishes.

### FROM ANOTHER SOURCE.

SAIGON, Oct. 20.—The military situation in South Africa is unchanged. A battle appears imminent.

### SUDAN EXPEDITION.

TOKYO, Oct. 20.—The expedition against the Kalifa Kodja numbers 9,000 men.

### THE FRENCH TRIALS.

SAIGON, Oct. 17.—The examination of the persons accused of high treason is continuing in the High Court of the Senate. Nothing remarkable has occurred. The majority of the accused refuse to answer any questions.

### MAJOR MARCHAND.

SHANGHAI, Oct. 18.—Major Marchand has sounded the French Government as to whether he would be allowed to offer his services to the Transvaal Government. The French Government has discouraged the idea.

### MUTINY AND MURDER ON THE HIGH SEA.

SANTA CRUZ DE TENERIFFE, Oct. 19.—The brig Juliana Schlosser, recently arrived here on her way to Brazil, and reported that during her voyage the helmsman had murdered the captain, the captain's wife and the mate. The Brazilian Consul asked assistance from the authorities and the Spanish cruiser Infanta Isabella sent several boats crews to the brig. They were fired on by the brig's crew and the marines replied, finally boarding the brig. Eleven seamen then jumped overboard but were rescued by the cruiser's boats and are now imprisoned. The helmsman committed suicide. Another murdered man was found on board.

### WEST INDIAN RECIPROCITY.

WASHINGTON, Oct. 19.—The latest aspirants for reciprocity arrangements are the British Islands of St. Kitts and Turks Island in the West Indies. The arrangements so far cover nearly all the British West Indian possessions, save these two, and Mr. Tower, the British Charge, has taken the initial steps in their behalf.

### THE CANADIAN CAPITAL.

OTTAWA, Oct. 20.—The complete list of officers for the South African contingent is not yet ready, as many changes are taking place and some appointments are not yet settled. The delay is retarding recruiting at certain points.

### AFTERMATH OF THE "AFFAIRE."

PARIS, Oct. 18.—M. Gohier, a writer of leading articles for the Dreyfusard organ "Aurore," fought a duel today with the son of General Mercier, for-

mer Minister of War. M. Mercier was pinked in the chest, but is not thought to be seriously hurt.

### THE SAMOAN ISSUE.

LONDON, Oct. 20.—The Times' correspondent says: "The suggestion of submitting the Samoan question to arbitration does not meet with approval in authoritative quarters here."

### THE ALASKAN BOUNDARY.

WASHINGTON, D. C., Oct. 20.—Secretary Hay has received notice from the British Embassy of the approval by the British Foreign Office of his last proposition relative to the Alaskan boundary modus vivendi. Formal confirmation of the arrangement will take place today.

### THE AFRICAN SITUATION.

Dispatches to Date Condensed in Small Paragraphs.

The Boer camp opposite Glencoe is being strengthened. A Boer patrol was repulsed opposite Glencoe without loss of life. Heavier guns are being forwarded from Tintwa Pass leading to Ladysmith. It is positively asserted that Mafeking was safe on October 15th, and that on the 14th the Boers had been repulsed with a loss of 200 men, while the British had two killed, two severely wounded and 12 slightly wounded. The Basutos and Zulus are becoming inflamed over Boer outrages on members of those tribes. One hundred and fifty Basutos reached Cape Town from Johannesburg with the report that the Boers had robbed them wholesale and flogged them with black snake whips. They were given food and started for home, cheering for the Queen and chanting war songs. A Boer attack is expected on the railway near Colenso. The outposts at Natal have had brushes with the enemy. The Boer object in massing in Bechuanaland is that it is well stocked with cattle and that by holding it they secure a passage for arms from Walvisch Bay, Damaraland. The Boers have blown up bridges at fourteen streams and Modder river, the former north and the latter south of Kimberley.

### SPECIAL LONDON CABLES.

TORONTO, Ont., Oct. 20.—A Globe London cable says the Imperial War Office is making inquiries for Canadian hay. The cable also says that Lord Strathcona and Mount Royal has been asked to become a candidate for the lord rectorship of Aberdeen University.

### BELIEVED TO BE HERBERT.

MONTREAL, Oct. 20.—The body of a young man, now believed to be J. J. Herbert, the missing teller of the defunct Ville Marie bank, was found in Rack river, a short distance north of this city, yesterday.

### ADOPTED BY CAPE COLONY.

TORONTO, Ont., Oct. 20.—Advice received by Hon. Mr. Mulock state that Cape Colony has considered it necessary now to adopt penny postage, thus making a 2-cent rate to all parts of British South Africa.

### BENNETT DEFEATS MCUNE.

TORONTO, Oct. 20.—Jack Bennett of McKeesport, Pa., defeated Tom McCune of Detroit in a 20-round fight at the Crescent Athletic Club here last night.
