KAPIOLANI TRACT FOR SALE.

The Kapiolani Tract ex-
tends from King street to the
Beach. A road 60 feet wide
will be opened on the east
side of the property adjoining
the Kamehameha Girls'
School; said road will extend
to the sea.

Cross-roads will be opened
between blocks. Every lot
will have a frontage on a
road. The elevation varies
from forty feet high to ten
feet high above sea level.

No swamps around the
premises. No freshet will
enter the property.

There is an offer to buy a
part of the property by a
great manufacturing com-
pany. The chances are the
offer may be accepted. There
is every reason to believe that
the prices of lots will increase
in a short time. The owner
of the property will give all
chances to purchasers to
make money on their invest-
ments.

The ground is superior to
any tract in the market.

The premises are situated
within one mile and a half of
the Post Office.

The Government water
pipes are laid along the upper
portion of the property.

The prices are the cheapest
of any tract within two miles
from the center of the city.

The terms which will be
given to purchasers will be
the best ever given by any
real estate dealer or broker
during the last twenty years
in Honolulu.

lars, apply to
