MATTERS OF CHINA.

The New Viceroy's Internal Policy and Rumours, etc.

The various matters hereunder are taken from the Hongkong Telegraph of Dec 30th last, and by it duly credited to the North China Daily News:

THE INTERNAL POLICY OF VICEROY YUAN

It is stated from Peking that while Viceroy Yuan Shih-k'ai was in that city lately, H. E. conferred with Prince Ching with reference to (1) the establishment of a War Office at Tientsin, connected with the Peiyang Administration, which should control the organization and supply of the land forces of Chihli and Shantung after the best foreign methods; (2) the complete rehabilitation of the Peiyang squadron under the control of competent British or American naval officers; and (3) the equipment and arming of the whole of the land forces of Chihli and Shantung with the most modern arms and ammunition, said forces to number at least 100,000 men within three years. It is also stated that Prince Ching fully agreed with the Viceroy.

EN ROUTE TO EXILE.

A Wuchang dispatch reports the arrival at that city from Nanking, on the 13th instant, of Yung Ch'uan (Manchu), ex Provincial Treasurer of Chekiang, who was cashiered on account of the anti-foreign riots in Chuchou and other cities of Chekiang last year. After calling upon the various high officials of the city, Yung Ch'uan left the same day by junk, escorted by a couple of gunboats, to go up the gorges en route for Chengtu, capital of Szechuan, which is to be his place of exile.

A REPORTED OFFICIAL CHANGE.

Dispatches received from Nanchang, the provincial capital of Kiangsi, state that there is a rumour amongst mandarin circles in that city to the effect that H. E. Li, Governor of the province, is to go to Shansi as Governor while H. E. Tsun Ch'un-hsen, Governor of that province, will come South to take Governor Li's place.

RUMOURS AND CONJECTURES.

The report that the Empress Dowager has the intention of appointing P'u Lun, Prince of the 4th Order, as Her Apparent upon her arrival at Peking would appear to be premature, and as a matter of fact so contrary to the usual policy of that shrewd and strong-minded old lady that the very announcement would seem to contradict itself. In other words, Prince P'u Lun is twenty seven years old, having been born in 1874; and as the Empress Dowager's ambition is to get hold of some youthful member of the Imperial Clan—the younger the better—having no intention yet of relinquishing what she has, it seems improbable that she would even dream of putting one who has attained the age of manhood, possessing independence of mind and holding opinions of his own, in a position which could easily interfere with her own policy and work destruction to the party supporting her if such an Her Apparent had the desire to do so. It is true that Prince P'u Lun, as the first character of his name designates, belongs to a junior branch to that of either the present Emperor or the late Emperor Tung Chi, who is in want of an heir; but "circumstances alter cases" and the circumstance of P'u Lun's age must alter his case in the opinion of the Empress Dowager.

The annual meeting of Whitney & Marsh, Limited, will be held at the office of the Company on Feb'y. 7th, at 4 p. m. H. T. MARSH, Secretary. 2122-21
