## FROM FAR AWAY LANDS.

Matters of Interest from Portions of the Outside World.

From late exchanges received yesterday the following telegraphic news are culled:

### STILL THE WATER CURE.

Washington, May 1.—Following the precedent set in the case of Gen. Smith, the President has himself, through Secretary Root, ordered the trial by court-martial of Major Edwin E. Glean, Fifth Infantry, one of the officers referred to as a participant in the administration of the water cure in the testimony developed before the Senate Philippine committee.

### BRITISH GENERAL DEAD.

London, May 1.—General Sir William Olpherts, K. C. B. V. C., who gained the sobriquet of "Hell Fire Jack" at Lucknow, is dead. He was born in 1822, and served in Burmah, the Crimea, and the Indian Mutiny.

### MURDER AND SUICIDE.

Denver, Colo., May 1.—Mrs. J. Kingsbury, wife of the foreman of a local laundry, poisoned her two children, aged 8 and 12 years respectively, and herself this afternoon. Despondency is given as the cause.

### IS IT A REVOLUTION?

St. Petersburg, May 1.—The labor population of the whole district between Moscow and Vladimir, Russia, is in revolt. There have been numerous encounters between the working men and the troops, and many persons have been killed or wounded. A Uhlan regiment, commanded by Colonel Morosoff, refused to act against the workmen.

### CANADIAN SENATOR DEAD.

Ottawa, May 1.—Senator Arthur M. Dechene died in Montreal this morning. He was a Liberal.

Alphonse Arthur Murille Dechene was born in 1848 at L'Islet, Quebec, and was elected to the House of Commons in 1896 as a Liberal. He was later appointed to the Senate.

### PEACE CONFERENCES.

Pretoria, May 1.—The general meeting of the Boer leaders at which a final decision upon the subject of the peace negotiations is expected, will take place at Vereeniging, Transvaal, May 16.

London, May 1.—It is officially asserted that subsequent to the deliberations of the Boers at Vereeniging they will proceed to Pretoria and deliver to Lord Kitchener their decision in regard to the peace terms they are prepared to accept.

### NOT YET AMERICAN.

Copenhagen, May 1.—The secret session of the Landsting today was not productive of definite action regarding the Danish West India islands treaty; but a vote taken at the closing of the sitting indicated a determination on the part of the majority to postpone ratification of the treaty till after a plebiscite should be taken. The vote means the rejection of the proposal of the Folkething and necessitates a conference. The discussion is engendering an intense partisan feeling in all circles, and which is vigorously used to keep the other side firm. The opposition hopes to hold together long enough to force the rejection of the treaty, but the faith of the leading advocates of the sale in its ratification is still strong.

### LADY CANDIDATE.

Toronto, May 1.—South Toronto Socialists have nominated a West End painter named O. A. Connor as their candidate in South Toronto. Miss Margaret Hoile has become their candidate in North Toronto. She is secretary to Gaylor Wilshire, the editor of the Socialist magazine. There seems no reason to suppose that a woman is allowed to sit in the legislature, but that is additional reason why Miss Hoile contends for her standing.

### NEW LIBERAL LEADER.

London, May 1.—At a meeting of

the Liberal Peers this afternoon, Earl Spencer was selected to succeed the late Earl of Kimberley as Liberal leader in the House of Lords.

### AND ANOTHER SUICIDE.

Despondency the Cause on Account of no Work and Ends His Life.

A. M. Hewitt a kamaaina well known as a sugar checker or tally clerk on the water front shot himself fatally yesterday afternoon at his home in Kalihi. Mr. Hewitt was a man about 46 years of age, a native of England and a resident of Honolulu for more than a quarter of a century.

He worked at one time on a Hawaii sugar plantation, and when he came to Honolulu he opened a restaurant, and latterly entered the stationary business. When Mr. Oat went out of the business, he opened a stationary store himself and failed. In the latter place, some years ago, he attempted suicide by taking poison, but on this, his second attempt, he made sure of being successful.

When Coroner Chillingworth reached the home of Mr. Hewitt yesterday afternoon, he found the body stretched out upon the floor of the front bedroom where it had fallen. Pools of blood lay all over and around the remains. In the house were seven children, the youngest one only one month old. Despondency and worry over the failure of been able to provide for the wants of his large family is the cause of the suicide.

The body was removed to H. H. Williams undertaking parlors and the funeral took place this afternoon for interment at Nuuanu cemetery.

### Electric Car Accident.

On Thursday night while one of the Pacific Heights electric cars was climbing up the hill, it almost went over but for the sufficient presence of mind of the conductor. Instead of going over it crashed into a stone wall and was stopped in time. The cause may have been too much power on, so we are told by some of the passengers who were on the car at the time. Other than a good shaking up and a scare, there were no serious results.

The masquerade ball of the Lanikai Club, for which great preparations have been made will take place this evening at San Antonio Hall. Valuable prizes are to be given away for the most original and best dressed maskers.
