Six Hundred Girls Caught in a Burning Hosiery Factory at Reading, Pa.

At Least Fifty Severely Injured, Some Fatally, by Jumping to the Ground.

Several Dead Bodies Discovered in the Ruins-Routine Work in Congress.

Reading, Pa., Dec. 7 .- The Nolde & Horst hoslery factory burned today. Loss, \$250,000. Six hundred girls were employed in the building. As the flames spread very rapidly they were thrown into a panic and many jumped to the ground. At least fifty were injured. some fatally. The search of the ruins has already revealed two bodies burned beyond recognition. Three girls are re-ported missing and are believed to have been burned to death.

IN THE HOUSE.

Democrats Object to Early Consideration of Finance Bill.

Washington, Dec. 7.—In the house today Overstreet, of Indiana, in charge of

he finance bill, asked consent for beginning its consideration next Tuesday, Richardson, minority leader, objected on the ground that the request was lost unusual; that the measure was ery important; that it had been perected during recess by the other side and should not be taken up on two days' notice. He asked that it go to the com-mittee. Overstreet also asked consent or printing an analysis of the bill in record, but Terry, of Arkansas, obected. Mercer, of Nebraska, announced the death of Greene, of Nebraska, and,

respect.

fter adoption of the customary resolu

ion, the house adjourned as a mark of

The Senate. Washington, Dec. 7.—In the senate oday Chandler, of New Hampshire, offered a resolution instructing the committee on privileges and elections o investigate the right of Clark, of Montana, and Scott, of West Virginia, o seats in the senate. Referred to the ommittee on contingent expenses. After a brief and unimportant open session the senate went into executive

session and, at the expiration of fifteen the different aspirants. Senator Gear is Fifer, of Illinois, to be interstate comcredited with a desire not to complicate merce commissioner, and Frederick W. matters by taking it up prior to the legtor of the census.

unced yesterday, Congressman Smith Carlile Hits Inheritance Law Tax. McPherson is said on good authority to be an aspirant, and to have better of Kentucky, attacked the constitution-chances of appointment than any man mentioned thus far. Mr. McPherson such vigor and logic vesterday after-lives at Red Oak, and was first elected noon that few of the people who heard to congress only a year ago. The judicial position is more to his liking, and it impression that there are grave is said he will have the strong political grounds for apprehending a decision in iso named as an aspirant and is in the to the court in behalf of the governands of his friends. Judge Towner has ment for fully two hours. The solicitor been pushed forward as a candidate for the congressional nomination in the Eighth district next year, and it has been considered that he would be the standard bearer of the opponents of Col. Hepburn, who say they will make complainants of the complainants the case of the complainants are specific field of argu-
