Why We Deserve Your Confidence

The Rexall formulas have never been secret. We have always known them ourselves and have given them to thousands of customers. Right here is where Rexall Remedies have always done more to protect you than is even now required by the Pure Food and Drug Law.

You only know the dangerous drugs in other remedies-the rest of their formulas are still secret. You have always known everything in every Rexall Remedy.

No Rexall Remedy is a "cure-all"—there are 300 different remedies-one for each human ill -the most reliable and successful remedy for that ill proven by years of experience. We have sold these Rexall Remedies upon the squarest plan on which merchandise was ever sold. We have guaranteed to return the money to every purchaser who came back with the empty bottle or package and said that he or she was not satisfied-and we've never failed to live up to this

The Pure Food Law did not necessitate any change in Rexall formulas -on the contrary it has set the stamp of approval upon them. Best of all, you can actually prove that Rexall Remedies are unchanged. You knew their formulas four years ago, and you'll find them the same today!

Don't the Rexall Remedies deserve your confidence? Wouldn't you more readily trust a, man whom you had proved to be naturally honest, than one who was honest because he had to be? You know that Rexall Remedies have been voluntarily manufactured and sold for four years in the very way that the law now declares to be the only right way.

FOR NERVES-AMERICANITIS ELIXIR

Rexall Americanitis Elixir is one of the 300 Rexall Remedies. It is a tonic nerve food composed chiefly of free Phosphorus, Glycophosphates, Iron Pyrophosphates and Calisaya.

The wonderful results of this remedy are due to the fact that it supplies Phosphorus to the nerve cells in a condition in which it can be immediately and easily taken up by them.

The Glycophosphates, actual nerve-tissue builders, are one of the most recent and valuable additions to this branch of medicine and unquestionably a more efficient remedy than the well-known Hypophosphites.

The Iron Pyrophosphates are the more easily assimilated form of iron which give tone and color, and the combined alkaloids of Calisaya Bark have a tonic effect on almost all the functions of the body. 75c. and \$1.50 a bottle.
