

W. L. DOUGLAS

THE BEST \$3.50 SHOES FOR MEN

Only Fast Color Eyelets used; they will not wear brassy.

W.L. Douglas makes and sells more men's \$3.50 shoes than any other manufacturer in the world.

\$10,000 REWARD to any one who can disprove this statement.

ALL LEATHERS ALL STYLES, ALL ONE PRICE, \$3.50.

Notwithstanding the high price of leather, I can still afford to sell as good a shoe for the same price, \$3.50, as formerly. The increased volume of my business more than makes up for the lessening of my profit.

If I could take you into my factories at Brockton, Mass., and show you the infinite care with which every pair of Douglas shoes is made, you would realize why they are the best shoes produced anywhere.

If I could show you the difference between the shoes made in my factory and those of other makes, you would understand why W. L. Douglas \$3.50 shoes cost more to make, why they hold their shape, fit better, wear longer, and are of greater intrinsic value than any other \$3.50 shoe on the market to-day.

Some boys about town find nothing better to do than to loaf about the streets, calling the passing citizens nicknames, and making themselves a nuisance generally. If they are relations of yours, better see that they are put at some useful work. Loafing is the short cut to vice and crime of all sorts. "The idle man's head is the devil's workshop."

A couple of men driving rapidly through town late Saturday night fired several revolver shots in rapid succession, probably as an indication of how much they had been drinking and how they felt. Last week Monday night Prof. and Mrs. Marsh, Miss Brode and Dr. and Mrs. Cook returned from a trip to the Clay County Sunday School Rally on Sexton's Creek near the Clark school house, which was held Saturday, August 4th. The journey was made in the "Ark" and had a number of interruptions caused by breakdowns. The rally was a great success, a large crowd being gathered and a good program prepared. W. R. Boggs and Mr. Dean, Berea students have been doing very good Sunday School work in this district, and are to be congratulated on their success in this rally and all that it means. Prof. Marsh and Dr. Cook spoke at the rally, and the next day Dr. Cook preached at Burning Springs, here Supt. Brock and Miss Haag made the stay of the party very pleasant. Madman Shoots and Stabs Train Employees and Others at Sparta, Wis.

Sparta, Wis., Aug. 15.—Seven men were seriously injured, two probably fatally, in a shooting and a stabbing affray Monday on a Chicago, Milwaukee & St. Paul train here. Louis Felts, who said he lived at Milwaukee, apparently becoming demented after leaving a parlor car, where he had been the object of comment on account of his unkempt appearance, drew a knife and attacked the conductor. A struggle followed during which the men were injured.

Felts boarded the train at La Crosse to go to Milwaukee. When he attacked Conductor Cunningham, brakeman Johnson went to the aid of Cunningham. Felts was pressing these men so hard that brakeman Christianson went to their assistance. As the train stopped at Sparta, Felts jumped from the car. An encounter with the marshal of the village followed, and Felts was arrested.
