A Mid-Summer Hummer In Sailors.

Our buyer has just returned from market with a beautiful and carefully selected line of new sailors, and some of them are beauties, but we find we have too many, so we will give our customers the benefit and sell them at one-balf the usual selling price. We must have money, so we have decided to close out our stock of trimmed hats and bonnets at ruinously low figures. All our \$6.00 patterns go now at \$3.00. All our \$5.00 ones at \$2 50. All our \$3.00 hats at \$1 50. They consist of trimmed leghones, short back sailors, chiffon hats and hats of every shape and style. They must go now regardless of price, so call and see the extreme low figures we have placed on everything pertaining to head gcar. All our chiffons, ribbons and flowers are seasonable, mid-summer trimming and four prices cannot be duplicated elsewhere.
