## IGHT PEOPLE LOST

of Paducah Sinks Near Grand Tower, Ill.--Several Reported Lost-- Valued at \$20,000.

Steamer City of Paducah, out for Tennessee river, and was due here this morning, a snag and sank last night at Grand Tower, Ill. No particulars received here, except that she own in deep water, with a large and seven or eight lives, one or passengers and the others deck were lost.

depot. The statement about the three out of 160 being saved, however, is clearly a mistake.

Later reports this afternoon say that two passengers, one a lady, and one deck hand, were drowned.

belonged to the St. Louis and see River Packet company, and valued at about \$20,000, partial-red. She had been running in waters for some time past, and considerable freight for Paducah, reports about the loss of life are being. One is that eight were other that one was lost and of the crew are missing and that no lives were lost.

Frank Brown, the local agent company, had heard nothing from the disaster this after-d Tower is on the Mississippi from Cairo. Nansheim this afternoon re-a telegram from Mr. A. M. saying that they had been ut of 160 people, but lost ev-g, and asked that he meet him rain with some female apparel. them does not know the gen-but took the clothing to the

County Attorney Eugene Graves this morning secured a warrant against Elvis York, of the Massac section of the county, on a charge of perjury.

York recently had Levy Wron, son of the county surveyor, arrested for cruelly beating a hog owned by York. The latter is alleged to have sworn that the hog was so badly beaten that a gate had to be opened to let it in, it being unable to get through a crack it was accustomed to go through.

Attorney Graves says that he now has evidence that the hog was not badly beaten at all, and that it went through the aforesaid hole as usual, all of which is to the detriment of the said York. Young Wron was fined \$10 and costs for the alleged offense of beating the animal, in Justice Bry-an's court.

Best and cheap job work. Sun Office.

### A LITTLE ARITHMETIC.

1st —On January 1st Mrs. Jones buys her boy a \$2 suit at a "cheap store," as she calls it.

2nd —On February 5th she finds the suit about worn out, and buys another at the cheap store for \$1.50.

3rd —On March 1st she is compelled to buy still another, and she expends \$2.50 this time, at the cheap store.

4th —On May 1st she finds the last suit worn out and she brings her boy here and buys him a suit which we guarantee to wear at least six months. She pays \$3, now how much would Mrs. Jones have saved had she bought of us in the first place? If the sum is worth saving, buy your boys' clothing here.
