## Do You Go to Bank Only When You NEED MONEY?

Some people neglect to cultivate relations with  
a bank until the time comes when they need money

Those who make use of a bank when they have  
plenty of money are the most likely to get help when  
the pinch comes or when an opportunity presents  
itself. Are you forming your acquaintance at the  
Redwater Valley State Bank?

### President Wilson.

The Democratic party goes before  
the American people with a candi-  
date whose wisdom and ability in a  
period of unparalleled storm and  
stress entitle him to support in the  
name of a patriotism which dwarfs  
all narrow partisanship. His rec-  
ord of achievement has won the  
applause of his friends, the admi-  
ration of his political foes, and  
the gratitude of the nation at large.

He has given the country a cur-  
rency system which on the eve of  
universal upheaval enabled finance  
and industry to stand unshaken.  
What the conditions would have  
been under republican rule may  
easily be imagined by reading the  
diaster of 1907. He has proven  
himself a better pilot in a storm  
than the Republicans in an era of  
profound tranquility.

Under his guidance a Democratic  
Congress has written upon the  
statute books a tariff law which  
has brought prosperity to every  
class of the American people. The  
familiar shibboleths of the Old  
Guard, the prophecies of impending  
calamity have become the butt of  
mockery and derision in the light of  
cold facts. The noisy forecasts of  
evil are drowned in the song of the  
harvest and the hum of the loom.

He has passed unscathed thru a  
crisis in international affairs that  
would have scared the soul and  
paralyzed the mind of a weaker  
character. Charged with the wel-  
fare of a hundred million people,  
whose destiny was exposed to all the  
cross-currents which blew from the  
earth's four corners, he has main-  
tained peace while giving the world  
a new and inspiring vision of the  
moral grandeur of the nation,  
jealous of its honor, but devoted to  
the interests of mankind.

In the highest sense he is the  
embodiment of a splendid Ameri-  
canism. The best traditions of the  
republic are wrought into the very  
fibre of his being. He loves peace  
well enough to fight for it, if need  
be. He has made it doubly clear  
to all the nations of the New and  
Old World that the United States  
covets nothing which is not legiti-  
mately its own. In trying ordeals  
he has shown that the American  
people ask nothing and concede  
nothing, except to work out their  
own destiny under the free institu-  
tions which are their peculiar heri-  
tage.

But with it all, the candidate of  
the Democratic party is no vision-  
ary, groping in cloudland. He is  
a stir in a world of realities. He  
has taken measures which insure  
the safety of his country. If, out  
of this welter of war, this riot of  
mad passion, should come a menace  
to the liberty, peace and prosperity  
we enjoy, the forces he has mar-  
shalled with an unvaunting but de-  
termined efficiency will be ready  
at hand, waiting only to be quickened  
into action by the word of com-  
mand.

Strong, alert, tried and approved  
by experience, he has won the con-  
fidence of the people, and this will  
be their verdict at the polls.

Charles Clifton and H. Boston,  
from over at Bloomfield, passed  
thru here the first of the week en-  
route to the Big Dry in search of  
homesteads. While here they  
had the misfortune of losing their  
saddle pony, but were fortunate  
in finding him again after only a  
day's delay.

While nearly all the rest of the  
world are scrapping one another,  
we fellows here in Circle will cele-  
brate our unique position by in-  
dulging in all sorts of capers next  
Tuesday. Come early and stay  
late. Something doing all the time.

Quite a few from here attended  
the Miles City horse sales the first  
of last week. Max Lehman of  
this place bought 26 head, and P.  
C. Floyd bought 20 head. M. M.  
Logan of Duck Creek purchased a  
small bunch, and Ray Cullum  
from up Horse Creek purchased a  
team. Mr. Floyd states that the  
better grade of horses sold very  
high.

LOST—on way out from Miles  
City one steel gray mare branded  
XX on left shoulder and one  
buckskin mare branded  
on left shoulder. Liberal  
reward. Notify

A large crowd attended the La-  
dies' Aid doings at the Sam Unden  
home east of town last Sunday,  
quite a few motoring out from  
town. A most delicious and  
sumptuous lunch was served in the  
evening. Among the many deli-  
cious things to eat there was  
served genuine Norwegian "lepse"  
and "gomme," which certainly  
was great.

the Fourth of July. All Catholic

the same.

Monday, July 10th. 6-16-30 Adv

D. S. Smith and J. Sherman, of  
McGuire, were callers in town  
last week. Mr. Smith has re-  
cently purchased the Thoreson  
place out there, formerly known  
as the Gilmore ranch.

Last Monday there was a big  
ball game at the Horse creek  
Postoffice between McGuire and  
Horse creek. We understand  
that the score stood 7 to 7 the  
ninth inning, but at the end of the  
tenth inning the score stood 7 to  
19 in favor of McGuire.

his home at Brenfort, S. Dak., a  
few days ago.
