## HOT BALL GAME

(Continued from the First Page)

was Mike Grover of Culbertson.

The large crowd and the fierce determination of each club to win caused each player to be nerved up to the highest tension, and the result was a splendid game.

Culbertson went to bat first and secured one run by Cutting. Poplar tied the score in her first inning and enthusiasm ran high.

Both sides were retired without a score in the second, third, fourth and fifth. Excitement and enthusiasm was near the breaking point in the first half of the sixth when McCormick for Culbertson bunted the ball which fell near the foul line. Dr. Underwood called it a foul and Walker of Great Falls, the other umpire, called it a fair hit. Col. Walker of Poplar and Catlin of Culbertson finally agreed to toss a coin to decide. The coin fell in favor of Poplar and McCormick had to go back and try it over. The side was retired without a score and the game was still a tie—1 to 1.

In the seventh Fagen of Culbertson made a score on a two-base hit by Hocking, but was declared out by the umpire on the ground that he did not touch third base as he passed it. This decision nearly caused a riot, several of the noble red men of Poplar being anxious to mix in. The Invincibles, after an argument of nearly half an hour, decided to let the decision stand and again played ball. This ended their chances in that inning.

When Poplar came to bat in the seventh Whitney brought in a score, making Poplar one ahead. You ought to have heard them holler.

Their victory was short lived, however, for in the first half of the eighth McAllister made a home run for Culbertson which again tied the score and Mike Grover went crazy. Poplar was retired without a score and at the beginning of the ninth the score was 2 to 2.

Slette made a run in the ninth which was the game, for the Poplar boys were retired without a score in that inning. Following is the tabulated account of the game:

## SWEET GIRL GRADUATE

Miss Grace Matby, the Only One in the 1912 Class of the C. H. S.

The Third Annual Commencement Exercises of the Culbertson High School were held in the Opera Hall last Friday night, May 31, 1912, and the big hall was crowded to the doors. High School girls acted as ushers and seated the large audience with satisfaction to all.

The stage was beautifully decorated with class colors and lovely roses. At each side were potted plants and plum trees in bloom. The top of the piano was covered with American Beauty roses.

Miss Grace Matby, being the only graduate this year, occupied the place of honor in the center of the stage. Rev. J. W. Chase, Prof. W. A. Alexander and the Williston Orchestra completed the stage picture.

The Williston Orchestra played the opening overture and received an encore. Rev. Chase invoked divine blessing in his most impressive manner and this was followed by a piano duet, by Miss Matby and Miss Ida Slette. After much applause the girls responded to the encore and repeated the performance.

Rev. J. W. Chase presented the address of the evening on account of the unavoidable absence of Rev. T. R. Cookingham who was on the program for the part. Rev. Chase is an earnest and forceful speaker, although not at all dramatic. His address gave his auditors much pleasure.

The High School Boys' Glee Club favored the audience with a song and were forced to respond to an encore. The latter was a comical hit entitled, "There is Only Room for One."

The Williston Orchestra again favored the audience with delightful music, which was followed by Miss Mary Frenzel with a vocal selection entitled "The Carnival." Miss Frenzel never fails to please and the audience called loud and long for another, but she evidently concluded there was "only room for one," and refused to respond. Miss Kavanaugh accompanied her on the piano.

Miss Grace Matby then delivered the Commencement Oration. She was dressed in white and carried an armful of lovely American Beauty Roses. She was the "sweet girl graduate" true to life. Excitement lent sparkle to her eyes, color to her cheeks and animation to her manner. She received an ovation from her many friends before she began to speak.

Miss Matby chose for the subject of her oration "The Passion Play," and gave a very realistic description of the birth, life and crucifixion of our Savior as portrayed in that historic play. She spoke clearly and distinctly and the large audience followed her with much interest as she described the actors in the play who devote their whole lives to the proper rendition of their respective parts. Her oration called forth another storm of applause. In fact the audience on this night was in a particularly enthusiastic and happy mood for a Culbertson gathering.

Prof. Wm. A. Alexander made the presentation speech in a graceful and impressive manner, after which Rev. Chase pronounced the benediction and the evening's entertainment was over. The evening will long be remembered by many Culbertson people, and particularly by one, who will look back upon it in later years as one of the happy events of her life.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold give it a trial and become acquainted with its good qualities. For sale by all dealers.

### Base Ball Notes

Bill Smith, who used to pitch for Culbertson but is now with the Poplar team, was just a little sore over losing the game. He pitched good ball for all that.

Our Ike Slette was in splendid form. He let a few men trot to base on balls—but some umpires would have called several of them strikes.

Diehl caught a fly in the last half of the game while the bases were full retiring the Poplar side and winning the game.

I. L. Brooks and Mike Grover lost their hats on the train coming home. Their heads were evidently swelled by the winning of the home team.

The Culbertson boys all came home feeling good over their victory, and Poplar certainly had no kick coming.

Poplar expects to come to Culbertson on the Glorious Fourth, clean up the bunch and take the big prize offered for the game.

Culbertson goes to Sidney next Sunday and a good game is expected.

Froid second ball team will come to Culbertson to play the High School team next Sunday.

The game will be called at 2:30 o'clock p. m. Admission will be free, and it will be a rattling game.
