ROBERS VARIA OF

He Says that the Recent Crisis Should Not be Charged to the Irish Party.

eala, who lives it the rear tenement at Boston, March 19.-The Globe to-day Italians to attend the christening of one of publishes the following interview with Mr. Parnell, in London. Referring to

recent events, Mr. Parnell said: Ireland. The surest way to British pre-knives were used as weapons. Godfather ity has grown for nearly 2,000 years. In and took Policeman Brennan back with the country which has published the most him. The fight was over by this time. less Friday fish from the north side of the reached half way around his neck, laying less from the south side. Why should the bad Alberto was wounded, the two Anons Irishman be absolutely a slave, and the tried to escape, but were prevented by the Irishman give up his struggles to be free? berte, but Mrs. Alberra bore witness to After centuries of strife the Irish people the contrary. Alberto was removed to the reached, by wonderful patience and won- St. Vincent's Hospital. The physician derful tact, that stage of political success said he could not live. wherein their struggles for liberty were confined to parliamentary efforts. So good saloon at 14 West street at 3 o'clock yesterwas that cause that legislation was secured, giving the Irish peasantry some rights reached the sidewalk the large pushed the on their native soil. So prudent were these smaller man away. The small man drove peasants in the enjoyment of the fruits of a knife into larger man's neck, and, turntheir hard toil, that malice has for the time ing, ran into the arms of Policeman Mofailed, and since the period of the Minis- Dermott, He described himself at the ter's concessions, no unlawful act has been station as John O'Grady of 21 Morris street or can be brought home to the real Irish and a printer. The wounded man is Patparty. If crimes have been committed in rick Coleman of 19 Morris street, a coal Ireland, so have crimes been committed cart driver. His wound is not dangerous, elsewhere; but in Ireland everything done by persons not in office must be done by street, was stabbed by a man unknown to Irishmen, and if the acts are criminal it him at Spring and Elizabeth streets, about seems nearly impossible for Englishmen 2 a. m. yesterday, and is likely to die. to assign other than revolutionary reasons

the London press, without exception, said that his secret would die with without investigation, without reason, charged both explosions upon the Irish party, describing them as diabolical plots Fair repetorial investigation might have shown that the explosion at the Government buildings was caused by gas, and that to punish and intimidate the Government. the one at the Times building was caused by gas, and that the one at the Times building was caused by any one of a thousand persons who imagined themselves aggrieved. I tell you, notwithstanding all the troubles of the Irish people, there is to-day as much bitter woe in England and Scotland, and as much bitter hostility among the poor and idle of both countries against the lordly power as there ever was in Ireland. The Irish are struggling for fair policies. They Irish are struggling for fair policies. They are accustomed to being hungry and ill-housed and cold, and are not murmuring on that account, but the laborers in Scotland and England are falle, and hungry, and of angerously impatient. You don't cheef an every proper series of the probate Court. Ded at expense of purchase and content and congerously impatient. You don't cheef an every probate Court. Ded at expense of purchase and congerously impatient. Your don't cheef as the probate Court. see all this in the editorials of the Loadon newspapers, but you see it in the columns where the stories of the poor are told, and in the vasily increased number of crimes and violence. The manufacturers and

gal acts. I further may say that, whether party or not the opponents of the Irish party for Benton, March 5, 1988. have found it convenient to engender or inventuets of violence for the purpose of injuring the Irish cause in Parliament and before the English people, the fact that they invariably, without investigation, charge the Irish party with having perpetrated all these crimes, produces the same result, and is almost equally criminal. I charge the London press with the political crime of having, without reason and greeing to the above named Defendants:

Without inquiry, attempted to convince their land time and the above maned flats the first of the convince that is in the Fried Court of the Court of the convince that is in the Fried Court of the Court without imiguity, attempted to convince Englished that a seried of outrages, which will involve that a seried of outrages, which will involve the this is not respect to a constant the property of the respect to the trial involve the respect to the trial involve th
