Ab Owings was a visitor in the city on Tuesday and Wednesday from the ranch.

Mrs. M. W. Power was up from Beach visiting relatives a few days this week.

Mrs. B. H. Rice entertained the Ladies Aid society at her home on Thursday evening.

Mr. and Mrs. Arthur G. Parsons returned the first of the week from a few weeks' visit at Chicago and other eastern points.

Attorney E. F. Fisher returned to the city the latter part of last week after spending several days in Glendive on legal business.

Raymond Schuster was in from the ranch on business Wednesday. Mr. Schuster expects to depart shortly for his home in Joliet, Ill.

Paul Smith, of Beach, was a brief visitor in the city Sunday, en route home from Glendive, at which city he has been employed the past summer.

Dean James, who until recently has been assisting Manager J. W. Langley, at the local office of the Midland Coal & Lumber Co., resigned his position the latter part of last week to accept the management of that company's new yard at Intake, Mont.

Chronicle: A couple of weeks ago we chronicled the fact that M. J. Kiedrowski sold his farm

four miles south of this city to Rolland D. Preston for \$39 per acre. Mr. Kiedrowski sold his farm, all right, and Rolland D. Preston was the purchaser, but the price per acre he had to pay in order to liquidate the debt he necessarily contracted in buying the land was \$49 instead of \$39, and more in keeping with the price Golden Valley dirt is usually sold for. Mr. Kiedrowski was in the city the latter part of last week and informed us of our mistake.

Simple Mixture Used in Wibaux.

Many in Wibaux are now using the simple buckthorn bark and glycerine mixture known as Ad-E-I-ka, the new German Appendix remedy. A SINGLE DOSE relieves constipation, sour stomach or gas on the stomach almost INSTANTLY. This simple mixture antiseptizes the digestive organs and draws off the impurities and people are surprised how QUICKLY it helps. C. M. Allen, Druggist

The Northwestern Land Products

Show At St. Paul Auditorium

December 12-23, 1911

The first annual Exhibit of the newly formed Northwestern Development League of the "Prosperity States of America," Minnesota, North Dakota, South Dakota, Montana, Idaho, Washington, Oregon and Alaska.

The Land Products Exhibition in Saint Paul is one means adopted for carrying out the objects of the Northwestern Development League.

It will be a show of the Northwest States, by the Northwest States, and for the Northwest States, and not to promote private or corporate interests. Saint Paul has been selected as the place for the first exhibition under the auspices of the Northwestern Development League, primarily because of the fact that St. Paul and Minneapolis, the Twin Cities, form a great gateway through which much of the traffic of Northwest passes, and through which move the thousands of people who go to and fro in the Northwest, bent on pleasure, health or the search of a home. Convenient DeLuxe trains several times daily to and from St. Paul and Minneapolis via the
