MEMORANDA.—One of the servant girls employed at the Cresson Mountain House lost five hundred and some thirty odd dollars one night last week. Although the weather in this section has been unusually wet, we see by our exchanges that in some parts of the State crops are suffering very much for the want of rain. In Lancaster county, springs that were scarcely ever known to fail before, are now almost dry. It is estimated that about \$50,000 worth of berries are shipped from Cambria county during the berry season. Altoona has a driving course. A man keeping bachelor's hall in Altoona, went home one night last week and found his domicile ransacked and a considerable sum of money carried away. Our farmers have pretty generally got their grain crops cut. The crops were excellent. Besides, the Altoona incendiary, was convicted of arson last week, and sentenced to the penitentiary for four years. A series of robberies were perpetrated in Tyrone on Thursday night last. The store of Study & Bro., was entered and robbed of \$400 in money. The money drawer of Jacob Stevens, saloon keeper, was also robbed. And the clothing store of Goldman and Kegel. On Saturday last, Mr. Herman Kephart of Gaysport, Blair county, while engaged in uncoupling freight cars at Duaneville, got his wrist between the humpers and had it badly mashed. On Saturday afternoon last, Michael McEneaney, of Hollidaysburg, whilst cleaning his engine in Johnston's nail factory, had his front finger badly mashed. Hon. D. J. Morrell returned to Johnstown from his western trip on Saturday of last week. The season for killing trout closed on the 31st ult., and the speckled beauties will enjoy a respite for the next six months. The law is a most excellent one, and it is to be hoped that any one caught violating it will receive the full benefit of its provisions. Benj. Holtzner, an accomplice in the murder of Phalon was released from jail on bail on Monday last. The exceedingly coolness of the weather these evenings make warm fires, overcoats, et cetera altogether comfortable. The knife, which it is said, was used in killing Phalon was found in a pile of saw-dust one day last week. John S. Rhey recovered the clothing taken from his office the night of the circus. A colored individual named Monroe had fastened to them. A school for the education of small boys, between the ages of 4 and 12 years will be opened in this place on the second Monday of September, under the direction of the Sisters of St. Joseph.

BLAIR COUNTY COURT.—The Blair County Quarter Sessions last week were occupied principally in the trial of the Altoona incendiaries. Thomas A. Beales, John B. Campbell, and James A. McConnell, were arraigned on Tuesday morning, on a charge of having fired the lumber yard of D. & C. Moore, on the 4th of June last. A *not. pros.* was entered by the District Attorney in favor of the two last named in order to enable them to turn States' evidence. Their testimony elicited the fact that they, in company with Beales on the night in question, proceeded to the lumber yard; that Beales struck a match and set fire to the lumber, and that all three retired a short distance and waited till the alarm of fire was given, after which they all ran to the engine house, took out the apparatus, and went to the fire. Upon their testimony Beales was convicted.

LIST OF LETTERS.—Following are the uncalled for letters remaining in the Ebensburg P. O. August 1, 1869:
Miss Ellen Albough, Asst. Assessor, Richmond, C. D. Bradhead, Mr. Bailey, Miss Ida C. Darsie, Thomas Davis, (Smith), John Curry, Miss Mary D. Evans, Miss Mary E. Evans, David H. Evans, E. A. Jones, Mrs. Mary Jones, 2 Mrs. Margt. Jones, J. J. Kaylor, Leib & Hopple, Geo. E. Lent, Joseph Mack, Miss Mary J. Storm, Mrs. Mott Smith, Miss Mary Shaffer, Miss Mary E. Sherry, Miss Mary Sherry, John Tierney, Adam Underlander, Mrs. Mary Williams, Wheeler & Wilson's Sewing Machine.

POLITICAL.—The 4th inst. has been a week of a number of important facts, namely: check received; our candidates; Republican convention; the situation; etc.

Well, to begin, the check has arrived. The Happy Family wear smiling faces. I don't. They are not posted. I am. Who'll carry the purse, that's the question? I know who could use it to the best advantage, but my modesty prevents me from just mentioning the person. It is a position much sought for. It is a position that requires a man capable of knowing how to take care of the spoils. Who'll it be? The south wing claim it must be used there, or defeat will be the result. The north wing claim they must have it. What's to be done? I would suggest that it be used in establishing whisky shops in some of our Republican districts where such institutions are not known. Happy thought! Didn't half think like I can, either. I will report further in regard to this matter again.

Next comes the appointment of Anna for Co. Auditor, vice Kennedy, who declined. Does said appointment suit us. Echo answers no! no! Another man on the ticket who does not suit the masses. Defeat comes buzzing around my ears like a mosquito on a hotsultry night. But such it is. If a man from Ebensburg or Johnstown could not have been prevailed to accept the position, why not urge Jehucay Wickerhoff to be the coming man, who, it might be mentioned stands six foot in stocking feet, wears his suspenders crossed, as you know all great men do; has an excellent capacity for whisky; he knows no South, no North, no East, no West, nor no nothing. Such are Jehucay's claims on the party. But, like a watermelon, he was squashed.

I am informed your Convention will meet in a short time. I've been thinking all along that it would. Our party are afraid of your nominations. So am I. There is no use in keeping it a secret any longer. I hear it whispered that the sum of \$10,000 is to be used to secure the election of your county ticket. I know how the slate reads. Few do, though.

The political situation from our standpoint of view is everything but a pleasant one. The Happy Family are at work. The county has been secured, with very unfavorable reports. Dissatisfaction prevails everywhere. Wickerhoff is dissatisfied. So am I. What Democrat isn't. Heretofore Porter's election was considered certain, but now put down as doubtful. Kennedy's withdrawal has created a great deal of excitement. Some think he has left the party and taken Washington township with him. Such subjects I do not like to dwell upon. Believe me and don't believe anybody else. OBSERVER.

SAD ACCIDENT.—A sad and painful accident occurred in Cambria township, three miles north of Ebensburg, on Friday morning last. A little girl aged nearly four years, and daughter of David Powell, had one of her legs cut off above the ankle by a mowing machine, which her father was employed with cutting grass. The professional services of Drs. Lemon and Evans were summoned and medical aid rendered. The amputation of the leg was perfect. The father's attention was directed in another direction when the little girl was coming to meet him, thus causing the accident. The little sufferer is doing well under the circumstances.

THE COMING ECLIPSE.—An eclipse of the Sun, the most remarkable that has occurred for many years, and the like of which will not be seen again for many generations, occurs on Saturday next. It will be total over a narrow path extending over a portion of the Western States, Kentucky and North Carolina, and ending in the Atlantic Ocean. Iowa, Illinois and Kentucky will be particularly favored with a view of the celestial phenomenon. The total eclipse will only last about two minutes and fifty seconds. Extensive preparations have been made by scientific men for a fair view of the great celestial wonder.

VISITORS.—Our friend and subscriber, Col. Robt. A. McCoy, chief clerk in the Surveyor General's office at Harrisburg, paid us a pop visit one day last week.

MR. R. H. THOMPSON, clerk in the Philadelphia post office, arrived home on Tuesday. Philadelphia life agrees with the "Doctor."

Thos. Fenlon, Esq. and family, formerly of this place, but now of Leavenworth, Kansas, arrived in this place the other day.

Mr. Wm. Rodgers was at home on a flying visit for a couple of days. Glad to see them all.

DIED.—On the 4th inst., at his residence in Cambria township, south of Ebensburg, Isaac Jones, aged about 23 years.

THE NEW CURRENCY.—A number of the ten-cent notes of the new national currency are in circulation. They are exquisitely engraved. The border like work is as well executed as the finest notes in circulation. On the left is the vignette of a girl and on the right the seal of the Treasurer. The back of the note is indorsed the same as the notes of the old issue. The paper of the currency notes is superior to that of the currency notes heretofore in use. Instead of the flashy bronze heretofore used, an engraved seal printed in red, has been substituted. The fifteen-cent notes will bear a representation of the dome of the capitol. Mr. Fessenden's head is taken off the twenty-five cent notes, and that of Washington substituted while Mr. Lincoln's face will replace that of Mr. Spinner on the fifty-cent notes.

THE NEW GREENBACKS.—The new one-dollar notes will have a vignette of Washington, and a representation of Columbus discovering America on the face, instead of the vignette of Chief Justice Chase as on those now in use. The two-dollar notes will have a vignette of Jefferson and a view of the Capitol, in place of the vignette of Franklin, as on those now in use. The plates for these notes have been engraved at the Treasury Department. The backs of the ones will be printed by the National Bank Note Company of New York, and that of the twos by the American Company of the same city. The designs for the fives, tens, twenties, and other denominations have not yet been determined upon.

CAMBRIA MEMBER.—We notice that our esteemed citizen, Hon. A. A. Barker has been chosen the Cambria county member of the Republican State Central Committee. The selection of Mr. Barker to this position is one which gives universal satisfaction to the Republican party of the county. With his thorough acquaintance of the wants of the party, and his large political experience, he will prove himself of great value both to the Committee and party. He is one of those hard-working politicians who, when he undertakes anything is sure to succeed. No better appointment could have been made.

SHOOK SHOP BURNED.—On Friday night last, the shook shop belonging to Messrs. A. A. Barker & Son, located in Susquehanna township, this county, was discovered to be on fire. Before alarm could be given the flames had made such headway that the shop, together with a large quantity of shook and staves were soon consumed. The Messrs. Barker's loss will be in the neighborhood of \$500. It is supposed to be the work of incendiaries.

DIED.—At his residence, in this place, on Sunday 1st inst., Dr. Robert S. Bunn, aged 44 years, 4 months and 15 days. The deceased was a most amiable, honest and upright man. In his profession he ranked foremost. His remains were followed to the grave by a large circle of friends and acquaintances. May he rest in peace.

OUR TELEGRAPH.—The telegraph is coming! Before another issue of our paper, the telegraph to Ebensburg will not only be talked of, but a reality. The poles necessary for the construction, have been distributed, and workmen are engaged in putting them in their proper place, while others are engaged putting up the wire. The Freeman suggests celebrating the event. We second it. What say?

TIME FIXED.—Rev. Mr. Christy informs us that the pastoral residence belonging to the Catholic congregation of this place which is to be disposed of, by chance (\$2 per chance) will positively come off during the first week of the coming court. We shall give due notice of the time and day of the drawing.

OUR STATION.—The station house of the E. & C. R., at this place, has undergone a thorough repairing. New sills have been placed under the building; and the platform around the building has been relaid. A number of other improvements have been made inside the building.

NOTICE.—Dr. D. W. Zeigler, the well known and popular dentist, will make a professional visit to Carrlton on the 16th inst., and remain a few days. The Doctor can be consulted at his rooms at Lawrence Schrotte's hotel, where we confidently advise those desiring any work in the dental line to give him a call.

CONFIDENCE.—A man who hails from Clearfield, met a couple confidence men in Philadelphia the other day, and after a bargain was made for some lumber, they succeeded in fleeing him to the tune of \$500.

DIED.—In Cambria tp., on Wednesday of last week, Mrs. Elizabeth Rowland, aged 78 years.

LOCAL CORRESPONDENCE.

LETTER FROM EBENSBURG—ACCORDING TO BASE

DATE: Aug. 4, 1869.

JOHNSTOWN Aug. 2, 1869.
To the Editors of the Alleghenian:
Can day last week, Col. James M. Cooper, who resides in Parkersville, two miles west of town, was severely injured by the upsetting of his carriage and his horse falling upon him. He is improving.

Mr. Anthony O'Donnell, an employee of the Cambria Iron Co., while coming out of the mines from work was caught between one of the ore cars and the side of the drift. At the time of the accident Mr. O'Donnell had several picks on his shoulders, the points of which were driven into his back until stopped by the handles. Mr. O'Donnell lingered in great agony for about five hours when he died. He was buried last Friday by the St. Peter's Benevolent Society of which he was a member. His remains were followed to its last resting place by one of the largest funerals that has ever taken place in this vicinity.

The Tannehill troupe gave two entertainments to crowded houses at Parke's Opera house, on Friday and Saturday evenings last. They give another entertainment to night.

The Independent Sr. base ball club was reorganized one evening last week by electing John Gore, Sr., President; Jno. S. Odgen, Vice President; Harry Rosensteel, Secretary.

There is some talk about making a public park out of the public square, which would be a great advantage to the citizens of the town.

THE Freeman says: Some six or eight years ago a man named Andrew Shaffer, residing in Jackson township, this County, partially mutilated his person in a way not necessary to describe, and one day last week attempted to finish the job and came very near finishing himself. Shaffer had been on a spree and was absent from home for several days, but on Wednesday of last week, we think, he was found by a member of his family in a meadow near the house, his outcries having attracted attention to him, and his injuries were then supposed to be of fatal character, but we since learn that he is in a fair way of recovering. Mr. S. is the father of a grown up family, and is well advanced in years. His shocking mutilation of his person was probably the result of a species of insanity superinduced in both instances by an intemperate use of spirituous liquors.

NEW BANKING HOUSE.—A new Banking House has been established in Johnstown, on main street, under the name and firm of Messrs. John Dibert & Co. The junior member of the firm, Mr. John D. Roberts, formerly of this place, and late assistant cashier of the First National Bank of Johnstown, has been appointed cashier. We wish the gentlemanly proprietors success.

We direct attention to the advertisement in another column of Valentine Laitinger, who, it will be seen, has bought the stock and fixtures of T. W. Williams' tin shop. We bespeak for him a large share of patronage, as he is a good mechanic and does all kinds of work as cheap as the cheapest, and as good as the best.

BURGLARY.—On Friday night of last week, the store of J. & P. M. Brown of Summerhill, Cambria county, was entered by burglars, who succeeded in carrying away \$20. No clue to the robbers.

Among the most enterprising business men in town is our merchant friend V. S. Barker, who, it is acknowledged by all keeps the best assortment of clothing in town. Not this alone makes it an object to buy from him, but the extremely low prices at which he is offering his goods to the public. See.

If you want ladies', misses', childrens', men's, or boys' shoes, go to the cheap store of Messrs. A. A. Barker & Son, High street, Ebensburg. They are selling wonderfully low and everybody should take advantage of these liberal inducements.

FRY, AHEAD.—Fry, the popular merchant, is ahead of all competitors for selling cheap. It's a fact. Everybody says so, and what everybody says must be true. Go and see for yourself.

Buy your fruit cans at Huntley's if you want the best and by odds the cheapest in town. His stock is large and comprises all the different kinds manufactured. Everybody can be supplied.

Buy your flour from V. S. Brker.

HOOTLAND'S GERMAN BITTERS

HOOTLAND'S GERMAN TONIC

The Great Remedies for all Diseases of the Liver, Stomach or Digestive Organs.

HOOTLAND'S GERMAN BITTERS
Is composed of the purest juices, as they are medicinally termed, (Raspberries, of roots, herbs, and barks, etc.) making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind.
HOOTLAND'S GERMAN TONIC
Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from all alcoholic admixture, will use
HOOTLAND'S GERMAN BITTERS.
Those who have no objection to the combination of the Bitters, as stated, will use
HOOTLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes such as indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Distress after Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the Stomach, Swimming of the Head, Headache or Dizziness, Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dizziness of vision, Dots or webs before the sight, dull pain in the Head, Deheaviness of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc. Sudden Flush of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merit, skillfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit the well-known remedies—Hoodland's German Bitters, and Hoodland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhoea, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines.

DEBILITY RESULTING FROM ANY CAUSE
whatever; Prostration of the System, induced by Severe Labor, Hardships, Exposure, Fever, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE.
And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will insulate new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE!
It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the Bitters, or the Tonic, is especially recommended.
WEAK AND DELICATE CHILDREN
Are made strong by the use of either of these remedies. They will cure every case of MARASMS, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, and space will allow of the publication of but a few. Those, it will be observed, are from men of note, and of such standing that they must be believed.

TESTIMONIALS:
Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes:—Philadelphia, March 16, 1867.—"I find Hoodland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system."
"Yours, truly, Geo. W. Woodward."

Hon. James Thompson, Judge of the Supreme Court of Pennsylvania.
Philadelphia, April 28, 1868.
