FORBES DAY CELEBRATION GRAND SUCCESS

The high esteem in which Prof. J. B. Forbes is held in this community and the appreciation for his untiring efforts in the cause of education, was manifested by the success of the celebration given in his honor on Arbor Day or Forbes Day as it was called.

The day's celebration commenced with a baseball game at the City Park at 2:09 p. m. between the town team and the high school team, with a score of 11 to 4 in favor of the town team. Immediately after the ball game an automobile parade was held on Main Street, headed by the band and followed by an automobile carrying Prof. Forbes and all the surviving students here of his first class. The parade ended at the Forbes building where a beautiful blue ash tree was planted in honor of Prof. Forbes. Mrs. S. L. Chipman made the presentation speech proposing that a cement encasement be placed around the tree with the inscription "Forbes Day, April 15, 1921" engraved upon it. Patriarch Warren B. Smith, the oldest of the first class of students, and Miss Lucile Thornton, a member of his last class of students, held the tree while the following placed a shovel full of dirt around the tree: Arthur Forbes, Mrs. Nancy Forbes, Mrs. Lucile Bush, Mrs. Alice Crosby, Mrs. LaVern Maag, Mrs. Emma Foster, Mrs. Olive Bailey, Mrs. Nellie Joy, Mrs. Ruby White, Charles Forbes, Katie Forbes, Ida Forbes, Mrs. Zina Friday, Francis Joy, Jos. D. Forbes, Wm. Bush, B. R. Crosby, Mrs. Susie Thambann, Mrs. Alice Hunter, Martin Hansen, Mrs. Elizabeth Hansen, David Ingersoll, Benj. Greenwood, Amos Olson, Robert Walker, Mrs. Caroline Adams, Wm. Forbes, Lenore Christensen, Mrs. Jane Forbes, Mrs. Amelia Rowley, Mrs. Emma C. Smith, Harry Lee, Mrs. Charlotte Greenwood, James Spratley, S. L. Chipman, John Hunter and many children.

Prof. Geo. H. Brimhall of the B. Y. U. offered a prayer and remarks were given by Dr. Thomas, State Superintendent of Public Instruction.

After the Forbes tree was planted two trees were planted at the Tabernacle grounds in honor of Edward Southwick and Mrs. Eliza Christensen in recognition of their work in the anti-cigarette campaign.

The auditorium in the Tabernacle was well filled for the program in the evening. The opening song entitled "Welcome Teacher," was composed by Mrs. Emma C. Smith especially for the occasion. The opening prayer was offered by Warren B. Smith. The remainder of the program was as follows:

Song - High School Chorus
 Sketch of the Life of Prof. Forbes - by S. L. Chipman
 Address of Welcome - James H. Clark
 Double male quartette - Ernest Paxman and others.
 Original lines - Mary E. Abel
 Remarks - Daniel Harrington
 Song - High School Ladies Glee Club
 Roll call of students. Roll call of outside guests showing over thirty present.

Presentation of flowers to Mr. and J. B. Forbes - Mrs. Annie C. Hindley.
 Response - Joseph B. Forbes
 Toasts - Elmar Nichols, E. W. Robinson, principal of Jordan High School and Mr. Banks of Provo, all

former students.
 Solo - Mrs. C. E. Young
 Reading - Mrs. Maud Christensen
 Double quartette - Arthur Forbes and family.

After the program the crowds went to the Apollo Hall where they spent the remainder of the evening. A purse of \$1,237.18 was then turned over to Prof. Forbes as a token of esteem.

Arbor Day Services Held On The Tabernacle Grounds

The service held in honor of the Anti-Cigarette Bill, on the grounds of the Alpine Stake Tabernacle, was from every point impressive and considering the cold and lateness of the hour was well attended. "Homeland" was exceptionally well rendered by the male chorus. Prof. Ernest Paxman director.

Mrs. Liza Christensen presented the tree to the Honorable Edward Southwick, commenting briefly upon the sturdy qualities of character it took to frame and put through such a bill in the face of such difficulties as were thrust to entangle his every effort. The speaker said that the bill was in its infancy but that it would reach sturdy maturity one day and bless all who come under its domain.

Honorable Edward Southwick was present and responded with warm and happy enthusiasm. "This being the third exercise of this nature today, the peoples hearts must be interested in this wonderful development," he said, adding with his characteristic fervor "our young Americans need it."

Mrs. Emma Smith presented the tree to the workers of The Don't Smoke Campaign Committee. In her sweet and sincere manner she told of the efforts spent but not in vain, adding many more words of earnestness and admiration for the untiring efforts of this band of workers. Mrs. Liza Christensen responded in behalf of the Committee. President S. L. Chipman made an enthusiastic master of ceremonies. Patriarch Warren B. Smith acted as Chaplain. The trees planted were the Blue Ash.

HIGH SCHOOL TRACK MEET APRIL 6TH

The annual county high school track meet will be held in American Fork this year and it is expected that from 1500 to 2000 students will come from the high schools of the county to participate in the festivities of the day. The date of the track meet is May 6th.

The program for the day has not yet been fully outlined, however, there will be a program in the tabernacle in the morning, composed of the best talent of the high schools of the entire county. The track meet will be held at the city park in the afternoon, at which the athletes of the schools will test their skill at the various athletic sports and determine which ones will go to the state meet.

The dance in the evening will probably be held in the Pleasant Grove Amusement hall, as it is understood that a satisfactory agreement between the school officials and the local hall managers could not be reached.

A luncheon will be served at noon in the basement of the tabernacle for the accommodation of the out of town visitors.

Just the thing for spring cleaning. Baxter's have vacuum cleaners for rent or for sale.

DATES FOR WARDS SUMMER VACATION AT MUTUAL DELL

The dates have been set for the various wards of the Alpine stake to send their Bee Hive girls and Boy Scouts to the Mutual Dell in American Fork canyon. Only three days will be allotted to each ward this year on account of the lateness of the season. It is announced by the Stake Board that should two wards want to combine and spend the whole week, that there would be no objection. Wards are also privileged to exchange their allotted time should they care to do so.

The dates as allotted are as follows:
 Alpine—July 11-12-13.
 Am. Fork 1st ward—July 28-29-30
 Am. Fork 2nd ward—July 4-5-6

A FREE PICTURE SHOW APRIL 26TH AT THE REALART

The U. of U. Extension Division will entertain the residents of American Fork by giving a rare and exceptional treat on Tuesday, April 26 in the way of a free picture show and lecture. Dr. Heber J. Sears will conduct this most entertaining and educational feature.

All young men over twelve years of age and upward will be made welcome. Fathers come and bring your boys. On Tuesday, April 26th at 10:45 a. m. be there and enjoy one of the greatest educational eye openers that the U. of U. has to offer. The U. of U. Extension is doing a wonderful work, efficient men and women are giving all their time for a stronger and better generation. Come out and reap the results of hard toil and research, results of many years of untiring effort.

On this same day at 2:30 p. m. this same Dr. Sears will give a timely and inspiring lecture accompanied by a free moving picture to all young ladies over twelve years of age, mothers and grandmothers. There will be no Relief Society meetings, all members of that organization are expected to be in attendance on that day.

Don't forget Tuesday April 26th at the Realart Theatre.

Let us give this group of men and women who are giving us absolutely free and without charge our support by being there.

Committee.

BAND DANCE NEXT SATURDAY NIGHT

The Silver Band Dance to be held next Saturday night will be one of the big social events of the season. The band has been holding extra sessions of practice in preparation for the big event. It will be given on the pavement along Main street. The proceeds will go into the treasury of the newly reorganized band. This will be the first public appearance of the band since its reorganization. Many new popular tunes will be played. Confetti will be a feature of the evening. A special band stand will be erected and the whole affair will be more of a street carnival than just a dance. The public is invited. Watch for further announcements in next week's issue.

SUNDAY NIGHT MEETING
 The meeting last Sunday evening was under the auspices of the Seventies. N. L. Nelson of Provo was the speaker. The meeting next Sunday evening will be given by students of the Seminary under the direction of Prof. Branwell, and promises to be very interesting.

AUTO ACCIDENTS ON EAST AND WEST SIDES OF CITY

Two auto accidents occurred on our paved roads here Sunday. The first one occurred just around the curve on Third West where the road from Lehi turns south to our Main street. The accident happened when the new car being driven by O. R. Meredith, Sr., of Salt Lake, was proceeding south toward Provo. Those in the car were O. R. Meredith, Sr., and his wife, A. H. Meredith, his wife and their two children, Laura, aged 16, and Harry, aged 14.

The party was on its way to Provo to visit relatives and as Mr. Meredith was going to make the turn, another machine appeared and Meredith swerved sharply to the side of the road to avoid a collision, thus crashing into a telephone pole. The front of the automobile was badly wrecked and it was necessary to tow it to a local garage.

Mrs. O. R. Meredith, though being the only one thrown from the car suffered only slight bruises. Mrs. A. H. Meredith, being unconscious, was removed to a nearby home, that of Mrs. John Winn, and physicians were summoned. According to doctors in charge, the woman received a skull injury and a broken nose. She remained unconscious until late afternoon. Mr. Meredith borrowed an automobile from John Holindrake

here, and the party returned to Salt Lake.

The other accident occurred on the east side of town in front of Grant's store. Mr. A. J. Olpin of Pleasant Grove, brother of Bishop Olpin of that city, and his wife had been visiting with friends up the Alpine road and were returning to their home. As they reached the pavement, they attempted to cross the tracks to get on the south side of the road, when a large Pierce-Arrow car, approaching from the east, tried to turn out in front of the Ford car, with the result that they collided. The big car did not stop, however, but eye witnesses of the accident, secured its number and it is expected that suit will follow. When notified that he had caused the accident, the unidentified driver of the car made the statement that he was on the right side of the road and was not to blame.

The damaged car was taken to a local garage where it was found that repairs to the extent of about \$50.00 were necessary.

CAR TIPS OVER.

Wednesday afternoon, while driving to Alpine, Dr. Noyes had a narrow escape from a serious accident. As he neared the Boley farm, something went wrong with the steering wheel and he was unable to control the car which ran off the bridge and tipped over. The car was bent quite badly and one piece of glass on the right side of the sedan was broken. Dr. Noyes, however, escaped without injury.
