The other day Wm. Stone, Jr., about 22 years of age, accidentally shot himself with a 22-calibre pistol. The bullet, small, though none the less dangerous, passed through the left hand and penetrated the thigh, lodging deep under the femoral artery, inflicting a very serious wound, which may have a fatal effect if second hemorrhage sets in. LORIN FARR FALLS-

The Gentleman Meets With a Serious Aceident at Pocatello. Hon. Lorin Farr, one of the best known and and oldest citizens of Utah, and the virtual founder of Weber county, has met with an accident of which the most serious results are apprehended at this writing, 5 p. m., Thursday. The gentleman left Ogden on Wednesday on the regular north-bound train, intending to go to the Bear Lake country. He did not get any further, however, than Poca-tello. It appears that while waiting there to take the train thence to his destination, he went to see a friend. In the darkness he got on the wrong platform at the end of which he stepped off. There being no steps there he fell down and most unfortunately struck his head on a rail, sustaining a severe fracture of the frontal bone and became senseless.
