## HANDICAPS FOR TENNIS TOURNAMENT

Teams Are Selected to Represent the Leading City Clubs.

## ROBERTS BROS. SCRATCH

OPENING ROUNDS TO BE PLAYED COMING SATURDAY.

All is now ready for the interclub doubles handicap tournament, which starts at the Miller courts next Saturday. The teams have been named, the handicaps being done, and the biggest event that has taken place in local lawn tennis circles will be pushed through to have the finals played on the Fourth of July. The intermountain lawn tennis association has given a handsome cup as a trophy for the victors.

The handicapping committee met yesterday afternoon, when the names of the teams from the respective clubs, the Miller club, Dinwoodey and Edwards; East Side club, Raymond and Smith; Country club, Thompson and Taylor; B Street club, Roberts brothers.

Divided into Three Classes.

The handicapping of these teams, in order to give each club a fair deal, proved to be a hard one, and after considerable discussion the committee decided to divide them into three classes. The class A teams are designated as the scratch teams, the class B teams a large handicap of fifteen points, and the class C teams a handicap of fifteen and a half points.

It is a disappointment that the absence of Captain Ely of Douglas makes an entry from the post, but it is hoped that he will be able to get a line on the meet for the Utah team for the large tournament in August.

Strong Card For First Round.

Raymond and Smith and the Roberts brothers will be the first teams to meet. The meeting will be at 10 o'clock next Saturday afternoon, the teams representing at 2:30 o'clock at the Miller courts. The best of three advantage sets shall win a match, except in the finals, where the best of five advantage sets shall win.

A more interesting combination from the drawings is that in the first round between the Roberts brothers and Raymond and Smith, which is expected to be on hand.

Phillips and McDonald, appointed official referee and D. McPherson, Boyd official umpire for the series, and experienced line-men will be in place when the order is given to play.

DAVID BARRY LOOKS GOOD

Gives Fast Workout Before Crowd of Sports and Makes Fine Impression.

The local fight fans have seen Barry's first workout, and the word has been passed up and down that the Irishman from the golden state of California is a worthy contender for the title of champion. Yesterday was his first day at the gym, and he was given a workout by the trainer, which was a fine one. Barry was in the ring at 10 o'clock, and he was in the ring at 10 o'clock, and he was in the ring at 10 o'clock.

YALE 7, HARVARD 2.

Sons of Eli Win Baseball Championship.

New Haven, June 25.—By defeating Harvard, 7 to 2, today, Yale won its first intercollegiate championship since 1878, to the great delight of a commencement throng of 2,000 persons.

Yale, a clear claim to the title, the local colleges having beaten all the eastern teams except Princeton, which Harvard defeated in the only game. The crowd was one of the largest ever attended to a college game here, and the enthusiasm was intense.

The game was a hard one, and the Yale team was in the lead for most of the game. The Yale team was in the lead for most of the game, and the Yale team was in the lead for most of the game.

Indications in the first inning were that the game would be closely played, but both teams soon showed their skill, and the Yale team was in the lead for most of the game.

Ball Game at Ogden Today.

The Elders and Lobsters will play at Glenwood, Ogden, today. The game is to be called at 8 p. m. This will be the first time a game has been called so late in the day, but it is thought many fans who work all day will be able to attend at that hour, and the innovation probably will be tried again.

R. M. B. To Play Eureka.

The Rocky Mountain Bell Telephone company has secured the Eureka and Eureka champions for next Sunday at Eureka. The Bell is one of the strongest commercial teams in the state, and it will be able to make the champions go some.

## FAST TIME AND CLOSE FINISHES

Iver Lawson Wins Two-mile Lap Race Handily.

## BUT FAILS TO GET RECORD

AMATEURS MAKE ROUGH HOUSE IN TANDEM THREE MILE.

Devoid of any sensational features, the races at the saucer track last evening were marked by fast time and close, hard-fought finishes. The two-mile open lap professional, the last race on the card, saw the "iron" bunch "bat" it out for the entire distance, and at the finish saw Samuelson and Lawson fight it out for first, with the world's champion getting the honors.

The only combination that got in its work was the Williams-Hollister team, and they were good enough to land third place for Hollister instead of first, as planned. After the lap-getting riders and their little jing, Williams carried Hollister to the front four laps from home by setting a terrific pace. The pair was in the lead for most of the race, but two laps from the tape the Hollister team made a quick jump, getting away from Lawson, who was on his rear wheel. Iver began to unwind at once and was on even terms with Samuelson, who was a rough house event from start to finish and two riders, Miller and Taylor, got a bad fall out of it. Mills was carried off half a lap from home, and killed in by a length to the end.

Iver essayed the task of breaking the Hollister team, but he was no match for the pair, and he was carried off half a lap from home, and killed in by a length to the end.

## TWO HIGHWAYMEN FLEECE VICTIM UNDER SHADOW OF THE TEMPLE WALL

George Chatelein, 142 South Second street, was robbed by highwaymen last night by two men on West Temple street, between North and South Temple streets. Mr. Chatelein met the men on North and West Temple streets. "Would you please give me the money?" he was asked by one of the men. Feeling in his pocket he handed the man a couple of matches and walked on. When he reached the west entrance to the temple grounds one of the men seized him by the arm, and the other man round the robber caught his other arm, forcing him up against the wall and ordered him to hand over his money. The second man went through his pockets and took his watch and pocketbook. Neither man exhibited a gun. After searching him they crossed the street and went down North Temple street.

Mr. Chatelein reported his loss to the police, but was unable to give a good description of the men. He said the man who asked him for a match was about six feet in height and smooth shaven. Both were apparently well dressed. Mr. Chatelein said he was returning to his home when he was encountered.

The steamer had to be put in dock about 8 p. m.

Under the law of the state a man may escape paying his poll tax by working on a highway, that is, improving its condition. It has been ascertained that some of the men have been in the habit of sending their sons to do the work and have then appeared before the authorities and made oath that they have complied with the requirements of the law. That was the customary thing last year, but this year the poll tax is being paid without any reference to work on the highways, except in a few cases.

In the latter instances City Supervisor Joseph H. Hurd, who is in charge of the poll tax, is careful to see that no boys under 15 years of age are permitted to work on the streets, and that the men who work must give a full day's labor.

The poll tax collections to date amount to \$7,700, of which \$5,100 was in labor and \$2,600 in cash. The collections last year up to June 27 amounted to but \$1,156, of which \$2,805 was in labor and \$551 in cash.

THE FIRE DEPARTMENT PUTS IN A STRENUOUS DAY.

The fire department was yesterday called out three times between 8:30 a. m. and 2 p. m. None of the fires was large, but long runs were given the horses in each case. The first call was to the corner of Tenth street and Grant avenue, where two barns and a mow of hay were burning. The steamer had to be put in service, but the fire was put out with a loss of about \$50.

A little later in the day a call was sent in from the railroad yards, where a fire was burning. The fire was put out with a loss of about \$50.

## AFTER POLL TAX DODGERS City Official Brings Fifteen Suits Against Men Who Have Failed to Come to Time.

Fifteen suits have been instituted by Assistant City Attorney D. O. Willey, Jr., against persons who failed to pay their poll taxes last year. The amount is \$3 in each case, and while about \$2,600 was collected in 1904, there remains due to the city nearly \$1,000. It is to collect that amount that Mr. Willey has begun the suits, and he believes that as soon as all the men who have been delinquent with their poll taxes recognize that the city is determined to collect the several thousand dollars even if it takes without any reference to work on the highways, except in a few cases.

In the latter instances City Supervisor Joseph H. Hurd, who is in charge of the poll tax, is careful to see that no boys under 15 years of age are permitted to work on the streets, and that the men who work must give a full day's labor.
