Dr. McLaughlin:
Dear Sir: In regard to
your Electric Belt. I will
say that I received much
relief from its use. It is
some little time since I laid
the appliance aside, not reoutring its assistance but

always praise the Belt for he good it has done. Yours very truly. MES. W. S. PORTER.

MEN! WOMEN!

I CAN MAKE YOU STRONG.

Dear Doctor: It is with pleasure that

I write you a few lines to recall to your memory the fact that I bought a belt of you some five years ago. I had been roubled for fifteen years previous to that time with weak lungs, and I think I used \$1,000 worth of medicines, with little or no good results; but your belt cured me. My object in writing now is to procure similar treatment for a friend, and you are at liberty to print, this letter, as I want others to know that your treatment will do for them

MRS. W. S. PORTER.

Surely you must believe what you see proven. Stekneonle are inclined to doubt such evidence, as they have tried so many things (all drugs) without relief; but I am saving them from the drug shows every day. It is so much nicer, too, being cured my way. You nut my appliance about your waist when you go to bed, take it off in the morning. You feel a sentle glow of strength bouring into your nerves. It soothes you to sleep, and when you wake up you feel a sindeome for in being alive, an ambition to go out and breathe the fresh eir and sunshine. You are insolved with a new life.

What alls you? Write and tell me, and, no matter where you are, I think I can give you the address of someone in your town that I have every the contact of the contact what it did for me. Yours very truly,

of someone in your town that I have cured. I've cured faousands and every one of them is a walking advertisement for my Belt. Read my book I have a book which every man should read (one for women also). It tells facts that are of interest to every man who wants to remain young in vitality at any age. Send for this book today if you can't call. I mail it, sealed, free. Remember, my Belt does not burn, though you feel the ourrent and can regulate it. I warrant it to give a strong current for years, though no man who uses it right needs it over three months. Cut this out and act today.
