

BOARD HEARS OGDEN CASES

Compensation and Training
Granted Service Men Here
Yesterday

With the traveling case board established at the home service bureau of the Red Cross, in the First National bank building, former service men of Ogden who, while in service, sustained injury of some nature, were given attention regarding their cases yesterday.

The traveling board, consisting of six members, saw twelve men prior to 12 o'clock, four of whom were awarded compensation and vocational training. Men who were awarded compensation of the second section were as follows: Howard Preece, 2468 Washington avenue; Gaspare Dignoli, 185 West Twenty-second street; Delbert A. Miller, 2723 Lincoln avenue; and Harold McKnight, of the Bloom hotel.

The men will begin their training next fall, and will be awarded compensation ranging from \$40 to \$150 per month, according to the number of years dependent upon the recipient of the compensation.

From fifty to sixty cases were lined up yesterday afternoon for examination by the board.

The members of the board stated that through the assistance of the American Legion, and the Red Cross organization, their work had been considerably lightened, and expression of gratitude for this co-operation was expressed.

Members who are on the board are as follows: Raymond W. McLean, training assistant; Dr. Samuel R. Johnson, board physician; Earl B. Doyle, Washington representative; Miss Helen Hedger, Miss Winifred Howell, and Richard Milton, superintendent of adjustment.

The board will depart from Ogden for Tooele this morning, and will visit that city, Cedar City, Milford and Eureka before establishing headquarters at Salt Lake. At Salt Lake they will open offices at the Boston building, room 202, and Harry B. Curtis will be in charge.

The traveling board will be in Salt Lake four days and in case that any Ogden service man who desired communication with the board, but was detained from visiting them while in this city, transportation will be provided if he communicates with the board while it is in Salt Lake.

Dates for their visit to Salt Lake have been announced as June 20, July 1, 2 and 3.

GEORGIA MINSTRELS AT ORPHEUM TONIGHT

The minstrel fans of this vicinity will be pleased to learn that one of the very best and largest minstrel organizations on the road will be in Ogden tonight at the Orpheum theatre.

Possibly certain people have forgotten that they are minstrel fans because it has been so long since they had an opportunity to see a really first class minstrel—however, the fever of minstrel microbe will get them when the richly dressed parade of the Famous Georgia Minstrels pass over our streets at night the day they appear here.

The amusement question has by some people always involved the "questionable" amusement question, but that theme is never aroused by the coming of a high class minstrel like the "Georgias." Baseball games, a good circus and an up to date minstrel seem to be at least three forms of amusements which are never questioned by the scrupulous.

Laughter, the creating of laughter is the one purpose of the minstrel, as well as the rendering of tuneful and pleasing songs.

The minstrel man has been known from almost the beginning of this world's history and was well known by the writers of Biblical affairs. It is this very characteristic of the minstrel which makes it capable of appealing to all classes and when the famous Georgia Minstrels appear at the Orpheum tonight there will be seen hundreds of people in the theatre who are not habitual theatre-goers.

Ancient Hebrews practiced the art of gliding with gold leaf or powdered gold.

North Ogden Notes

(Special Correspondence)
NORTH OGDEN, June 19.—John W. Gibson, son of Mr. and Mrs. John W. Gibson, in a fall from a "hip over" load of hay recently, sustained quite an injury to one leg requiring a number of stitches to close the incision made in landing upon a rock.

Mr. and Mrs. Charles A. Jones were in attendance Friday at an annual reunion of the family in Idaho.

Dr. Dwight L. Harding, of the Ogden stake high council, will be in attendance at our ward meetings tomorrow and deliver addresses.

Annual conference of the primary association of the ward was held here last Sunday, with a fairly good attendance. An excellent program was given by the children and interesting talks were made by stake and local officers.

Mrs. Della E. Barker, wife of Bishop Frederick Barker, has returned from an extended visit with her parents, Mr. and Mrs. Charles A. Hickenlooper in Sanpete valley.

Mrs. Martha Ellen Campbell has returned from visiting at Utah lake with her son, L. S. Campbell, and his wife.

Formerly Miss Hester Beebe of Salt Lake. She rejoiced with them on the advent of their first born, a son.

Mrs. Ellen Waldram of Rexburg, Idaho, is visiting with relatives and friends in North Ogden.

Over sixty of the members of the ward have their credentials for the excursion to the Logan temple on the 25th of the month.

It is expected that Mrs. Vinny R. Barker will speak before the parents' class of the ward on the subject of "Genealogy," Sunday morning.

Leroy Judkins, son of Mr. and Mrs. Eugene E. Judkins, was united in marriage to Miss Luella Richardson of Ogden Thursday in the Salt Lake temple.

Girl Sent to Cover
Democrat Convention

Miss Carrie Hartman, girl reporter on the Cleveland Plain Dealer, was in Ogden yesterday en route to the Democratic convention at San Francisco. Miss Hartman at the union depot was eager for the train to depart, stating that she was anxious to arrive at her destination.

"I have been assigned to a big task," she said, "but believe me, it is the big ones that make one hustle. The San Francisco convention should be a thriller and I am out to do my best to give the Plain Dealer some inside news. I did not attend the convention at Chicago and have been sent west to cover the doings in place of J. Carl Hartley, our correspondent who covered the Republican doings. The sudden illness of Mr. Hartley won the honors for me."

Arrested for Selling Goods Without License

Alex Atway who, when booked at the police station gave Jerusalem as the land of his nativity, entered a plea of not guilty before Judge J. R. Roberts of the city court yesterday morning. He was arrested by Deputy Sheriff William Brown on a charge of having wilfully and unlawfully sold merchandise without at first having secured a license.

Atway requested a trial and had two Gypsy beauties in court to testify in his behalf. His case was set for Monday morning.

The Gypsy women, prior to the opening of the court, created considerable amusement. Representatives of several various nationalities chanced to be present at the court and tested out the claim of the Gypsies to the effect that they could converse fluently in nearly every known tongue.

Volleys of hard sounding language were hurled at the gaudily dressed women who answered with no hesitation whatever.

A giant riveting machine of 575,000 pounds pressure can be so regulated as to crack the shell of an egg without crushing it.

The man who invented a machine to break walnuts won a \$10,000 prize for his idea.

Divorce Is Granted Mrs. Jesse Farley

Decree of divorce was granted yesterday in the district court by Judge A. E. Pratt to Lydia Farley from Jesse N. Farley on the ground of non-support and failure to provide.

Mr. Farley was ordered by the court to pay \$25 a month for the support of the plaintiff and two children, and to pay attorney fees and court costs.
