DOMESTIC QUESTIONS IN POLITICS HELD UNFAIR

SYRACUSE, N. Y., Sept. 6.—The more pressing domestic problems of the day are not by nature and should

not by perversion become purely political questions. W. G. McAdoo, former secretary of the treasury, said in his Labor Day message to the workers of Syracuse.

These problems will test the strength and efficiency of our dem-

ocracy, he continued. They are profound economic and social questions and to their solution should be brought all the dispassionate, intelligent and tolerant judgment of which the American public is capable, he concluded.

The Certain-teed Guarantee as a Basis for Estimating Roofing Cost

The Certain-teed guarantee provides a basis for estimating the approximate cost per year of your new roof. Certain-teed Roofing, Number 3 Heavy, is guaranteed for fifteen years. It usually lasts longer.

Taking fifteen years as the assured life and dividing the unusually low cost of Certain-teed, as compared to most modern types of roofing, by this figure, you readily see how economical Certain-teed is.

The light and medium weights of Certain-teed are also guaranteed, five years for the former and ten years for the latter.

In addition to its durability, Certain-teed is weather-proof, fire-retarding and spark-proof. And it costs less to buy, less to lay and less to maintain than any other type of good roofing.

See a Certain-teed dealer about roofing. If he hasn't enough of the weight you want in stock he can quickly get more from a nearby Certain-teed warehouse or distributing center.

THOMAS MEIGHAN
IN CHIEF ROLE IN
ALHAMBRA FILM

Talented Player Cast in Leading Role of "The Prince Chap" Showing Here

Thomas Meighan, who was so large a factor recently in the success of George Loane Tucker's "The Miracle Man" and Cecil B. De Mille's "Male and Female," is the featured player in the picturization of Edward Peple's well known play, "The Prince Chap." It is now on view at the Alhambra Theatre.

Mr. Meighan is another of those young men who became actors when their fathers advised them to be something else. The elder Meighan sent Thomas to college with the idea of making a physician of him. Instead, the youthful graduate broke into dramatics in a small part with Henrietta Crossman in "Mistress Nell." Subsequently he played opposite Grace George and William Collier and went to London in the leading role in "The College Widow." He returned to American and took up screen work, appearing opposite practically every prominent feminine star of the cinema and becoming noted for his clear-cut, intelligent performances in roles varying from butlers and master crooks to ex-army captains and society men.

In "The Prince Chap," Mr. Meighan is a sentimental artist who upsets his love affair by acquiring a 4 year old child as his ward, but who later achieves happiness. William De Mille produced the picture, and it is a Paramount Artcraft release.
