SEA GULLS WIN THE FIRST GAME WITH MUCH ROWDYISM

The first game of the post-season series between the winners of the two halves of the Union association pennant race went to the Salt Lake club at Glenwood. With smiling complacency, the Cannons booted the game away. Whenever it began to look like Ogden had a real chance, some Cannon would promptly pull a John Anderson on the bases or kick the old pill around the infield or outfield with great gusto. Barham labored manfully against the handicap but his efforts were unavailing. On the other hand, the support accorded to Red Toner was of sterling quality.

Barham was found safely nine times while Toner was touched up for four teen safeties. The advantage of the Cannons was only in the hits, however. They were outplayed in every other department of the game. The Sea Gulls exhibited some of the finest baseball ever seen on a Union association field.

The umpires had their troubles for sure. Len Scott was to have assisted LaRoque but he did not appear and Carroll, who has been umpiring in the Copper League, substituted for him. Carroll certainly had his work cut out for him. The Salt Lake players seized upon him as their special prey and the spectators derived much amusement from seeing the umpire chased from first base to third and then back to the box by a half dozen howling Sea Gulls. LaRoque also had his troubles. Once he reversed a decision of his co-worker and again he slipped up and refused to let Dowling walk on four balls, declaring only three had been called. Dowling afterward struck out.

The return of Bill Dowling to the second sack was hailed with much satisfaction by many of the local fans. He was greeted with a genuine hand on his first trip to the plate and when he cracked out a single on the first ball pitched the applause was increased. Out of four times up, Dowling got two singles and a base on balls.

The first run of the world's series came in the very first inning. Galena got on because of Sawyer's error and was sacrificed to second by Hester. Carman was hit in the ribs. French singled and drove Galena across. Huelsman was passed purposely. Carman scored on Davis's sacrifice fly. In the third, French hit to right in the leg and bounded to the bleachers, giving French a lucky run. With one down in the sixth, Davis was beamed and reached second when Dowling dropped Seabough's throw, whence he scored on Bostick's single, which Demaggio booted, allowing the runner to reach third. Sawyer should have fielded the ball in the first place. Bostick and Toner then pulled a squeeze play and another run was scored.

A pass to Huelsman, a wild pitch

and a fielder's choice sent another run over in the eighth. Prospects for more scores in this inning were nipped in the bud when Demaggio threw Tonneman out at the plate.

Salt Lake got two more in the ninth. Hester was beamed and scored on singles by Carman and French. Carman was tagged out at the plate by Seabough after a long throw from Risberg. French scored when Barham threw wild to head him off at second, and Cobb kicked the ball in the outfield.

Ogden had men on the bags in every inning, but could score in only three rounds. In the third Dowling drew a base on balls and scored on Woolums' single and Cobb's infield out. Sawyer's double and Barham's sacrifice fly put the second run across for the Cannons.

The last half of the ninth saw a belated rally that sent the fans into several sorts of ecstasies. Woolums started things with a scratch single to Hester. Risberg, Sawyer, Demaggio and Seabough got safe hits in succession. Kitty Knight went up to bat for Barham with two down but all he could do was to take two healthy swats and then he was called out on a third strike.

The baiting of Umpire Carroll by the Salt Lake team was most disgraceful. At one time, almost every player of the Sea Gulls line-up was bounding the umpire and French, who attempted to trip or spike him, Carroll evidently was absolutely fair and his judgment was good, but he was repeatedly attacked in a most threatening manner by Hester and his men.

YESTERDAY'S GAMES

AMERICAN LEAGUE.

Philadelphia shut out St. Louis in both games today, the scores being 9 to 0 and 1 to 0. In the opening event Brossier held St. Louis down to three hits and fanned ten batsmen, while the home team hit the deliveries of Leverenz, Balchley, and Mitchell hard. Pennoek not only kept the visitors' hits scattered, but he scored the only run of the second contest on his triple and Murphy's single.

Second game—	St. Louis	0	7	1
	Philadelphia	1	3	1

Detroit made the series with Washington three to one by taking today's game 2 to 1. Reynolds outpitched Johnson and the latter's errors aided in his own downfall. After the locals had scored a run in the first inning on a base on balls, Foster's single and sacrifice fly, Detroit won out in the third. Stange singled and Johnson let Reynolds' bunt get through him.

With two out, Cobb singled, scoring Reynolds, and Bush scored the winning run when Johnson intercepted Moeller's throw and threw wild to the plate.

Washington	1	4	3
Batteries—	Reynolds and Stange; Johnson and Ainsmith.		

Cleveland had little trouble in winning from Boston today. In the fourth inning, a botched throw by Chapman's grounder and the error allowed two bases. Chapman scored on Jackson's single. On the throw-in Jackson went to second. Lajole's sacrifice sent him to third.

Jay Kirke made a home run drive and the scoring ended. Boston scored in the third on Hooper's single, a pass to Scott and two infield outs.	Cleveland	3	5	1

NATIONAL LEAGUE.

The Braves regained part of their loss yesterday when they defeated Chicago 4 to 1 today and now are within one point of the leaders in the pennant race. New York, idle on account of rain, retain the lead. A fifth inning batting rally by Boston was responsible for the visitors winning. Chicago's run was the result of a base on balls to Bresnahan and Vaughn's double in the third inning.

Maraville, Whitted and Cather easily took the fielding honors, the latter holding Leach at second on a hit in the eighth, which seemed good for a home run. Sweeney was hit by a pitched ball in the fifth inning and retired. Bresnahan taking his position at second.	Philadelphia	0	5	1
	Pittsburg	2	5	1
Batteries—	James and Gowdy; Vaughn and Archer, Bresnahan.			

Philadelphia was shut out, 2 to 0, today in the last game at Pittsburg for the season between these two teams. Marmax and Alexander were both effective, only five hits being made by each side.

CONGRESSMEN ARE FINED \$21 A DAY

Washington, Aug. 26.—Immediate appearance of new faces in the house was anticipated by Democratic leaders today as the sequel to the cancellation of all leaves of absence except those based on illness. The sergeant-at-arms and his assistants today were forwarding the orders to absent members all over the country. A few of the representatives have remained in their home districts almost the entire session, their checks being forwarded to them. Several are in Europe and others are detained by illness.

GERMANS GATHER AT KOENIGSBURG

Kaiser's Troops Prepare for Determined Fight Against Strong Russian Forces.

London, Aug. 26, 5:41 a. m.—The Times' St. Petersburg correspondent says that the Germans who retreated by forced marches after their defeat by the Russians at Gumbinnen, are assembling a part of their forces at Koenigsburg. The German fortified position on the river Angerab was abandoned without fighting.

"The roads beyond the Angerab are strewn with cartridges, knapsacks and equipment cast aside in the hasty flight of the German troops," says the Times correspondent.

"North of Neidenburg, Sunday and Monday, there was stubborn fighting in which the Russians were again victorious, largely through their superb use of the bayonet. The enemy here has assembled the entire Twentieth regiment in a fortified position. The Russians had to negotiate pits and barbed wire. Hand grenades were used. The Russians finally carrying the positions at the point of the bayonet. The Germans retreated toward Osterode, leaving behind many guns, machine guns, caissons and prisoners.

"Meanwhile the Vilna army is driving the first German army corps toward Danzig. The question now is whether the German forces can escape and how long the Russians will take in occupying the territory east of the river Vistula. There they will find strong German defenses. It best reported that the Russians on Monday reached Marienburg, only twenty-
