NATIONALS ARE PLANNING FIGHT

How to Resist Outlaw Raids and Exchange of Players Main Questions.

New York, Dec. 4.—While the National league club owners at their annual meeting here on Tuesday were discussing questions of policy and making plans to fight the new Federal league, their managers, according to advance notices will establish an exchange for players that will result in some of the biggest deals in the history of the older organization.

Several managers, it is reported are on their way with instructions to bid high for players needed to make contending teams. Miller, Huggins, new manager of the St. Louis Cardinals, wants a shortstop and an outfielder; Manager McGraw of the Giants is said to be after Zimmerman of the Chicago club, and Manager Stallings of the Boston champions has announced that he is in the market for players who will strengthen his team.

Roger Bresnahan, new manager of the Chicago Cubs has several pitchers to trade for an outfielder, and it is reported that Zimmerman and a pitcher may be offered to McGraw for Eddie Grant. Manager Herzog of the Cincinnati team and Clarke of Pittsburgh are the other leaders who are expected to make some interesting offers if other managers show a disposition to trade.

FEDERALS WIN PREMIER PITCHER

Walter Johnson Confirms News of His Signing With the Outlaw League.

CHICAGO, Dec. 3.—That Walter Johnson, premier pitcher of the American league, has signed a contract with the Chicago Federal league club was the announcement made by Charles Weeghman, president of the local club late today.

Weeghman said he received word that Johnson had signed a Federal league contract in a long-distance telephone message from Joe Tinker, manager of the Chicago club, who had been in conference with Johnson all day at Johnson's home in Coffeyville, Kan.

The contract was reported to be for two years. The amount of his salary was not announced.

Johnson Confirms News.

Kansas City, Dec. 3.—Walter Johnson, over the telephone from his Kansas farm, confirmed late today the statement of President Weeghman of the Chicago Federals that he had been signed by the Chicago club for two years, but refused to say what his salary will be.

"Is it more than \$16,000 a year?" he was asked.

"It is," said the pitcher, then found himself telling, and announced that the figure should properly be announced by Mr. Weeghman.

"I had a long conference with Manager Tinker today," continued Johnson. "He made me a very interesting offer—quite the best I have yet received, and I took him up. That's all. I'm ready to report for Chicago whenever they want me."

Immediately after their conference Tinker took a train for Chicago and Johnson motored back to his farm.

SPORTS

BIG PROGRAM AMATEUR NIGHT

Ten Big Events Scheduled for Monday—Ogden Youngsters to Figure in Tangle.

Salt Lake, Dec. 4.—Manager H. K. Downing has arranged a program of bouts for next Monday's Manhattan club boxing show that will not only be the longest, but should be one of the most entertaining that has been given.

It will be "amateur night," and there will be ten big events on the program; four will bring together the cream of the regulars, while there will be five "amateur" bouts in which a bunch of youngsters from Ogden will tangle with a bunch from this city, and the curtain raiser will bring together a pair of amateur wrestlers who will go on for a limited bout.

This will be the first time that a wrestling bout has ever been staged by the Manhattan club, and Downing is going to try it out and see if it meets with the approval of the fans.

Next Monday's bouts will doubt be more interesting than ever, through the fact that it will be Ogden against Salt Lake, which always arouses the interest of the fans.

The success of Jimmie Johns on last Monday night has aroused the enthusiasm of the Junction City fans.

and they are preparing to bring over a team of battlers to trim the pick of the local boys in the near future, and are taking this means of giving some of the youngsters a tryout.

F. B. Tuttle, who is looking after the Ogdenites, has lined up eight amateurs for Monday, and Manager Downing will pick at least five of them to go against a like number of local youngsters.

In order to insure the fans a great night of sport in case the amateurs fail to live up to their past performances, Downing has matched Charles Midkiff, who always gives the fans a great battle, and Jack Meyers of the Harman club. Both of these boys have fought draws with Kid Davis of Ogden, which would make it appear as though they were evenly matched.

Young Maloney of the Harman club and Young Wolgast will be another pair of the regulars who are on the bill. These boys went four whirlwind rounds several weeks ago and Maloney earned a decision.

Joe Pelcher, the hard-hitting Ogden featherweight, who has been one of the most popular battlers that ever appeared at the Manhattan club, through the fact that he is always on his toes from start to finish and has a punch that may bring home the money at any time, will be sent against Jimmie Brittain of Ely, Nev., who made a decided hit with the Manhattan club patrons some time ago when he battled Young Maloney all the way and only lost a decision by a shade.

The other bout has not been definitely decided upon by Manager Downing. The wrestling bout will bring together a pair of local boys who are anxious to settle a little difference of opinion as to who is the better man. This bout will be limited to ten minutes.

"Trey o' Hearts," thirteenth episode, at the Lyceum today only, five cents, always five cents.

WILL NOT PLAY TITULAR MATCHES

London, Dec. 3, 7:33 p. m.—Delegates of the English, Scottish, Welsh and Irish professional football associations at a meeting in London today decided to recommend to their respective associations that international football matches this season be abandoned.

This decision was reached by the delegates after a prolonged conference. At the conclusion of the meeting the following statement was issued.

"There is no evidence that the playing of football has hindered or is hindering recruiting. On the contrary there is good reason to believe that football has encouraged and has assisted recruiting. In these circumstances this meeting recommends that except as regards international matches it is not right that football should be suspended."

CORNELL ENDORSES AMERICAN HENLEY

Ithaca, N. Y., Dec. 4.—Charles Courtney, coach of the Cornell Navy, heartily endorses the proposed American Henley, in which crews from all

of the American universities and smaller colleges might enter. Courtney in a statement made public today said such a regatta probably would shorten the length of varsity races.

While the Cornell athletic council has taken no action in regard to the matter, it is believed it will support the American Henley idea. Cornell is likely to favor the shortening of the Poughkeepsie varsity course in any event.

APPEAL TO COURT TO HOLD JOHNSON

Washington, Dec. 3.—Clark Griffith, manager of the Washington baseball team, seemed inclined to doubt tonight the report published this afternoon that Walter Johnson had joined the Federals. He said, however, that if the report were true the Washington club would hold Johnson strictly to his contract with it and sue him in court if he attempted to break it.

"If it is true," said Griffith, "we will exercise our option on him for his services this year, for which we paid him a \$2500 option and for which he signed a contract with us agreeing to play for us this year at the same salary he was paid last year. If he attempts to break this we will certainly sue him in court and use every legal means to make him live up to his contract. That is all I care to say about the matter."

CALIFORNIA LAW DEFENDED.

Washington, Dec. 4.—Attorney General Webb of California filed in the supreme court today a brief defending the California women's hours of labor law against the pending attack of unconstitutionality.
