DISABLED WAR

Baltimore, Milwaukee, Detroit, Columbus. O., San Francisco, Denver, New Orleans and Minneapolis, hendicapped for life and unable to more than barely live on the government allowance of \$80 a month during their vocational training, have written to the headquarters of the Carry on Association here requesting the establishment of Carry On Clubs in the

According to the projectors of the association which provides the wounder soldier with a good home, nourishing food, laundry, dental and medical cure, transportation and an allowance for clothes, all for \$10 a week, a dependent ex-fighter is thus left with money enough to keep up his war risk insurance and have some amusement beside. Since last April, when the first experimental clurwas opened in New York at 28th street and Madison avenue, accommodating tor ty men and ten extra for meals, its wor is said to have shown great possibilities The organization opened another Neork club on Christmas day and the wees previously one with a capacity for 159 men was opened in Washington

The enterprise is said to have the approval of the American Legion which is reported raising \$35,000 in New Orleans for a 'Carry On Club" there. Denver with 3,000 arrested tubercular cases, to also reported to be preparing for a clusdrive. Altogether there between 230,000 and 260,000 disabled ex-service men in the

United States. The "boys" oin the Carry On Chinouses do much of the housework and enforce their own regulations. A big sunny room filled with ex-soldiers play ing, reading or chatting or singing the accompaniment of a phonograph or a phonograph or plane is the chief featurof the institution. One young ex-fighter said he gained 31 pounds in 30 days as a received. The first club was formed, it was said, because it was shown by carefully compiled statistics that while as invalid young man might be able to live on \$80 a month in many parts of the country it was impossible to do so in

Alaska's Mineral Output Smallest Since Year 1910

WASHINGTON, Dec. 31.—Alaska's aineral output in 1919 was the smallst of any year since 1910, and its alue was less than half that of 1916. preliminary estimates of the geological survey made public today show. The output for the year brought only about \$18,850,000 as compared with \$28,254,000 in 1918 and \$48,600,000 in

dustry to normal conditions as a result of the fall in the price of the metal since 1916, when the war demand greatly stimulated production. High perating costs also caused a depres ion in gold raining.

Eight copper mines were operated in Alaska in 1919, producing about 44, 0,000 pounds valued at \$8,600,000. The production in 1918 was 69,225,000 pounds, valued at \$17,099,000.

The value of the annual octput of gold declined from \$16,700,000 in 1916 to \$9,000,000 in 1919. Alaska still contains large reserves

AVON, ILLINOIS.

Contractor & Builder

Charter Oak Stove & Range Co.,

Sirs: -I am using a Charter Oak Cook Stove, manufactured in 1852. It was bought by my father in 53, and has been in constant use ever since. It is in perfect condition, having the same top, back and doors; all are good. The top is as level as any new stove ever made, so is the lining in the back, and not even cracked.

Respectfully,

Mrs. W. J. O'Donnell, Avon. Ills., Box 223.
