SQUIRE COOP'S RECITAL AT WEBER ACADEMY HALL

At the Weber academy hall last night was given the first of two concerts to be given by the advanced pupils of Squire Coop. The concert provided an excellent entertainment for a large crowd of Ogden's music-loving population, and the indications are that a still larger number will be present at tonight's recital.

All of the numbers last night were liberally applauded and the audience seemed well pleased. Last night's program was as follows:

The program will consist of heavy vocal numbers and will commence promptly at 8 o'clock.

MENDHA COMPANY HAS ORE ON NINTH LEVEL.

Salt Lake City, June 10.—A letter from the mine management of the Mendha company at Ploche on Wednesday stated that the ore bodies had on the level above had been encountered on the 900-foot level. Although local officials never doubted for a moment that these ores would go down strongly, this news nevertheless demonstrates that their faith was well founded and they are naturally delighted with the news. On the 800-foot level the management is running out numerous crosscuts into the beds, one being fifty feet in extent. Work will now be rushed on both the 800-foot and the 900-foot levels, and the process of blocking out the ore for shipment when ready will be greatly facilitated. The ore is a shipping grade of silver and lead.

HORSE BALKS AND BACKS VEHICKLE INTO THE RIVER

An unusual accident, which caused the victims some discomfiture and a few witnesses much merriment, occurred yesterday afternoon on the Canyon road, near the Sanitarium. Two men were driving a spirited horse across the bridge which spans the Ogden river in front of the Sanitarium, when the animal took fright and balked, refusing to advance further than the flood ditch paralleling the river.

One of the drivers alighted from the buggy and beat the horse severely about the front legs in an endeavor to quiet him, but the beast reared and backed the vehicle down the steep incline into the gully. The other occupant of the carriage jumped quickly to the ground and saved himself a good drenching in the muddy waters below. The buggy was overturned and fell flat in the stream, sinking entirely beneath the surface of the water, while the horse managed to break loose from his entangled harness and wandered back again to the road, quiet and unconcerned.

The two men, with the aid of more or less valuable advice from several bystanders, finally managed to draw the water-soaked rig up again to the road, and after straightening out a few broken and disarranged portions of its make-up, harnessed up the horse and drove away none the worse for their experience.

The dearest suit you can buy may be the lowest in price. A suit that doesn't wear or hold its shape is dear, no matter how little you pay for it.

IF WE TAILOR YOUR SUIT its first cost will be no more than you ordinarily pay. Its better fit, its better wear, its permanent good shape, however, will make it really cheaper in the end than any other suit you could buy. Come in and be measured. You need a new suit, anyway. Why not have the best when it costs no more?
