WEBER TEACHERS TO GET MORE PAY

At the meeting of the Weber county board of education, Saturday afternoon, the date for the graduating exercises for the schools was fixed at May 28th.

The last teachers' institute for the year will be held in Ogden, May 7th, at which time final arrangements will be made for the graduation and promotion of the various classes, and the teachers who have been engaged for the year will have until that date to decide whether they will accept positions.

At the close of the institute, a teachers' party and banquet will be given and a jolly good time is anticipated.

The board of education decided to raise the salaries of the teachers, a resolution to that effect being unanimously adopted.

The sense of the resolution adopted is that beginning teachers who present examination certificates are to receive \$35 per month. Beginning teachers who have had four years of high school work, and the summer school will receive \$50 per month. Beginning teachers who hold normal diplomas will be paid \$45 per month.

All teachers and principals will receive in addition to their salary under their present rating \$2.50 extra per month, provided they hold a state certificate, \$5 extra if they hold a grammar school diploma, and \$7.50 per month if they hold a high school diploma. Furthermore, it is possible to receive an additional \$2.50 per month for merit.

Superintendent Egerton expressed his satisfaction with the new order yesterday, stating that it would now be possible for every teacher to obtain a raise in salary which would be based on what the teacher actually accomplishes.

"It puts a value on college education," he said, "a thing that has been lamentably lost sight of in this state, and in every respect is the most practical scheme yet inaugurated to create educational proficiency in teachers. I am sure the new order will work out satisfactorily and will add greatly to the general efficiency of our teaching force."

Others interested in school work expressed their approval of the new plans taken up by the county board, and there is little doubt but that the scheme will be taken up throughout the state.

TROUT FRY THRIVING, SAYS GAME WARDEN

Provo, May 1.—Fish and Game Warden Brig Madsen reports that after a careful investigation he finds that the trout fry planted in the Utah streams this spring are all doing well and that the prospects are for a big increase in the fish population of the streams. Mr. Madsen further states that fry have not been planted in muddy streams, but in springs and tributaries where the waters are clear and where there is no destruction caused by muddy water, and this has been true for the last few years.

Mr. Madsen gives many instances showing the increase of fish and the successful growth of fish planted,

which shows that the planting has been a success.

On the criticism which has been made on the planting of fry by the state warden and deputies, Mr. Madsen claims they are being planted with the most approved scientific methods, and quotes from "Artificial Propagation of the Atlantic Salmon, Rainbow Trout and Brook Trout," issued by the United States commission of fish and fisheries.

Under the head of "The Planting of Fry," it says: "In their natural state, as soon as the weight of the food sac has been diminished by absorption enough to permit their rising, the fish begin to take food, and by the time the sac is entirely gone they are probably taking it regularly. When very young fry are transferred to outside waters, where there is natural food only. It should be done eight to ten days before the sac is absorbed, for if delayed until after the sac disappears many will die before they become accustomed to finding food in their new home."

JUNIORS WIN

The Weber Academy athletes held their first interclass meet on the Academy campus, Saturday afternoon, the various contests being of exceptional interest. The juniors were the successful contestants, the score being 46 points to the seniors' 39, sophomores' 13, and Freshmen's 1.

Although the sophomores and freshmen secured but few points to their credit, some good material was discovered among them, it is said, and with a little more training and development some of the academy expects to produce some more first class school athletes to compete for honors in the general meets.

All in all, participants made a very creditable showing, and one that will find considerable discussion among the other schools. Following is the order and results of the contests:

One hundred yard dash—Clark, Roberts, Ingles. Time, 11 seconds.
 Mile run—Ballantyne, Schellin, Thomas. Time, 5 min. 52 sec.
 Broad jump—Clark, Greenwell, Benton. Distance, 21 feet 2 inches.
 Shot put—Benton, Watson, Wiggins. Distance, 39 feet 10 inches.
 440 yard dash—Roberts, Ingles, Schellin. Time, 57.2 seconds.
 High jump—Greenwell, Benton, Clark. Height, 5 feet 6 inches.
 Hammer throw—Benton, Harris, Greenwell. Distance, 92 feet 2 inches.
 Half mile run—Roberts, Clark, Eccles. Time, 2 minutes 10 seconds.
 Pole vault—Benton and Critchlow. Height, 9 feet 6 inches.
 Relay: Juniors—Ford, Pyott, Roberts, Clark. Time, 1:45 seconds.

PARENTS HEARTBROKEN

The body of Harry Pennington was shipped to his home at Stanberry, Missouri, last evening, accompanied by S. F. Hawkins who came to the city Saturday for that purpose. Pennington is the young man who died at the county infirmary, Thursday evening, of scarlet fever.

Mr. Hawkins stated that the boy's father is John P. Pennington, a well-known undertaker and furniture dealer of Stanberry, and that both he and the boy's mother are heartbroken

over their son's sad death among strangers.

Harry had left home only a short time ago, and had spent a month at Cheyenne. His temporary employment having ended there, he had started for British Columbia, but had stopped off for a day in Ogden on account of his not feeling well. It was at this time that he was taken ill with what developed into scarlet fever.

Previous to Mr. Hawkins' arrival a letter from the lad's mother had arrived, and which was opened by the authorities. In the epistle the mother cautioned her son to try to hold his position longer and not drift about the country, as he seemed to have a tendency to do.

WAS PRESENT AT PARK BANQUET

Superintendent Jeffers of the Utah division of the Union Pacific returned this morning from Omaha, where he had been to attend a banquet given to former General Superintendent W. S. Park of the principal company of the Harriman railroad system. Discussing the incident briefly with a Standard reporter today Superintendent Jeffers said:

"The dinner tendered Mr. Park by his former railroad associates was one of the important social events of the Omaha club and was attended by the more prominent officials of the Union Pacific system. Judge Loomis of the legal department of the road presided and the principal address of the evening was delivered by General Grenville M. Dodge, who made the original and final survey for the Union Pacific road and who was a prominent factor in the construction of the line. The address was especially interesting as showing the remarkable growth and development of the territory adjacent to the road during the last quarter of a century."

"Addresses of a complimentary nature to Mr. Park were made by many of the guests and he was a prominent factor in the construction of the line. The address was especially interesting as showing the remarkable growth and development of the territory adjacent to the road during the last quarter of a century."

"Mr. Park made a forceful and eloquent address himself and expressed grateful appreciation for the kindly sentiments uttered by his old friends and associates. The event was a splendid success and thoroughly enjoyed by everyone present."

FAMOUS CARTOONIST RETURNS FROM HUNTING IN AFRICA.

San Francisco, May 2.—John T. McCutcheon, the Chicago cartoonist and war correspondent, arrived here yesterday on the steamship Asia, accompanied by Fred M. Stephenson, son of United States Senator Stephenson of Wisconsin. Both men spent four months hunting in the big game country of East Africa, part of the time with Col. Roosevelt.

"CYCLONE" GOES INTO TRAINING

Today Cyclone Johnny Thompson and Pete Sullivan start training for the twenty-round meeting at Saltair May 10. Thompson has established quarters at Ogden. Sullivan will train in Salt Lake, which he now claims as his home.

As the articles call for catch weights, there will be no strenuous work to take off weight, just enough to get in top shape for the meeting. To clear his record of two decisions against him, Thompson made his match here, and says that he will more than even up by winning the way he did at Utah Hot Springs in 1908.

Sullivan and his backers are just as confident, however, and when the sides line up for the betting fray there promises to be many wagers flying thick and fast.

Thompson says that he will do but little boxing, as he does not need it. Plenty of road work, and with the gymnasium apparatus, will constitute his daily program. Sullivan will have about the same program. Pete's boxing is admitted to be about the cleverest in the lightweight division, and he will need little preparation in that line. Both are now in condition, and with the prep of one week will be on edge for a great battle.

SPORTSMEN ORGANIZE NEW SHOOTING CLUB

BRIGHAM CITY, May 1.—Another sportsmen's club has been organized in this city the past week. The new club will be known as the Brigham City Gun club. The company will take over leases on several large tracts of land lying southwest of this city and shooting tickets will be issued to the members of the club, authorizing them to hunt on these grounds. The permits will be for the calendar year in which they are issued only.

The tracts included in the company's lease comprise some of the choicest hunting grounds west of this city, with the possible exception of the tracts in the neighborhood of Bear River bay.

The officers of the new club are as follows: Joe Zimmerman, president; Peter Larsen, vice president; Jacob C. Jensen, secretary and treasurer; these, with M. A. Bothe and Nels Jensen, form the directorate.

JACK JOHNSON GETS INTO TRAINING GAME

SAN FRANCISCO, May 1.—Jack Johnson, heavyweight ring champion of the world, is fastidious in his training quarters at the sealock house on the beach at the fringe of the Pacific ocean, where he is to prepare himself for his fight with Jeffries at Emeryville July 4.

Practically all of the training apparatus has been installed, and Johnson will devote his time for the next few days to light preliminary training. Johnson weighs 228 pounds and seems to be larger and stronger than ever before in his career. Experienced ring men who have seen the big negro fighter here believe he will have little difficulty in bringing himself about to the best possible physical condition.

When the champion begins training he will take to the road for eight or ten miles each day, do light work in the gymnasium and spend his spare time between short walks and beach rides, in the inevitable automobile. In a week's time he will begin his daily sparring routine and will gradually build up his activities in this line until he has reached the 15-round daily limit.

On four days each week he will box in the gymnasium, which is a last season's dancing auditorium made over. The ring will be arranged on the stage at one end, and the defender of the title will give exhibition sparring matches to audiences of paid admission.

ADDITIONAL FORFEIT TO INSURE BIG MATCH

BEN LOMOND, Cal., May 1.—Sam Berger, Jeffries' manager, left Ben Lomond tonight for San Francisco to be present at the posting of the \$30,000 additional purse money for the big fight, in that city tomorrow. The money will be deposited with a San Francisco bank and later will be sent to Stakeholder Tim Sullivan of New York. The articles of agreement call for the posting of the remainder of the purse, \$31,000, forty-eight hours before the fight. Berger will attend a meeting Wednesday at which the referee for the match will be chosen.

Berger and Jeffries had a long discussion today regarding the third man in the ring, but neither would discuss the matter afterward, or make any prediction as to the probable choice. It is known that Berger will submit a list of eight or ten men, and also will mention two who have been placed on Jeffries' blacklist. Five well known California referees will be on the card, including Jack Welsh, Phil Ward, Billy Roche, Eddie Smith of Oakland and Charlie Eytan of Los Angeles. In addition Malachy Hogan of Chicago and Otto Floto of Denver also are known to be acceptable to Jeffries. The names of Bob Vernon of New York and Sandy Griswold of Omaha and Ed W. Smith of Chicago have been suggested, but are not being given serious consideration.

Jeffries' disappointed a small crowd of visitors at his camp today by eliminating the boxing bout from the day's program. The onlookers saw nothing more thrilling than a game of handball between the former champion, his nephew, Tod Beyer, and Billy Papke this morning, and caught only a glimpse of the big fighter in the afternoon as he walked to the fish hatchery, one of the points of interest near the camp.

Jeffries declared tonight that the eruption on his back has entirely disappeared and that he expects to have no more trouble with the affliction.

BRUS HFEELS BETTER.

SAN ANTONIO, Texas, May 1.—Mrs. John T. Brush said tonight the

improvement shown today in the condition of Mr. Brush, owner of the New York Nationals, was more marked than at any time in the last ten days.

CHICAGO BEATS DETROIT.

CHICAGO, Ill., May 1.—Chicago defeated Detroit in a hard fought 15-inning game today, 4 to 3. Walsh pitched in fine form, but had poor support in the ninth, when Hahn dropped a long fly. Blackburn fumbled two line drives which gave the visitors two runs. Chicago came back in their half and tied it up on a base on balls, a sacrifice, an out and a hit. The finish came in the fifteenth, when Tannehill hit a clean drive to left for two bases, went to third on a sacrifice and scored on a wild pitch. Score: R. H. E. Chicago 4 7 5 Detroit 3 8 2 Batteries—Walsh-Payne; Browning, Willets, Pernell and Stange.

WINS IN NINTH.

CHICAGO, May 1.—After Pittsburg scored one run today in the ninth, Chicago scored two and won a fierce, contested game, 2 to 1. The winners lost a score in the eighth when Hoffman fell between third and home and twisted his knee. He could not get up and Gibson tagged him while he lay on the ground. In the ninth Wagner singled, went to second on Miller's infield out and scored on Flynn's single. With two out in Chicago's half of the ninth, Wagner fumbled a double, a grounder, and Chance and Steinfeldt followed with two baggers, scoring two runs. Score: R. H. E. Chicago 2 5 0 Pittsburg 1 9 1 Batteries—Overall and Needham; Camnitz and Gibson.

WON IN NINTH.

CINCINNATI, O., May 1.—Cincinnati defeated St. Louis 5 to 2 today in a ninth-inning play. With men on second and third, two out, one run needed to tie, and two strikes and three balls on him, Egan singled in the ninth and brought Paskert home with the tying run. Hauser threw wild a moment later and Miller followed with the winning run. Suggs pitched well. Score: R. H. E. St. Louis 5 6 3 Cincinnati 2 11 5 Batteries—Willis and Phelps; Suggs and McLean.

TIED IN NINTH.

ST. LOUIS, May 1.—Cleveland took the second game of the series today by 5 to 4 in eleven innings. St. Louis tied the score in the ninth, but the visitors won out on successive singles in the eleventh by Lord, Bradley and Perring. Score: R. H. E. St. Louis 4 11 1 Cleveland 5 12 1 Batteries—Peltz, Kinsella, Waddell and Stephens; Falkenberg, Berger and Clarke.

MURDERER IN PAIN GIVES UP

SAN FRANCISCO, May 1.—Driven from his retreat in the canyons of the Alameda county foothills, where he has been hiding for the past ninety days, George Bessor, who shot and killed Miss Eleanor Fleber, his sweetheart, January 29, in a fit of jealousy, came back to the city today to surrender himself to Detective James Reagan, an acquaintance, and was captured by the police before he could voluntarily give himself up. Bessor tells a story of terrible hardships endured while concealing himself from the police.

DOGS SLAUGHTER MANY CHICKENS

One night last week, Richard Leek, of 2627 Jefferson avenue, called on his neighbor George Halverson, and stated to him that he thought some one was in the Halverson chicken coop. To be certain about the matter, the gentleman slipped out in the darkness toward the coop. The barnyard disturbance, by way of cackling hens, convinced them that there was something doing and that thieves were surely making a desperate raid. They reached the coop just in time to witness the escape of a couple of dogs, through the adjoining fence.

An investigation disclosed the fact that all of the Halverson chickens—seventeen of them—had been killed. Some of them had been eaten by the dogs and the bodies of the others were torn to pieces.

Thinking something might be amiss at the Leek coop, the gentlemen visited it, and to their great surprise, found that every chicken in the coop, except two setting hens, had been killed by the dogs. The premises in both instances were strewn with blood and feathers, indicating that the dogs had done the slaughtering during the evening and in short order. There were twenty-six chickens found in and around the two coops.

MUCH MONEY FOR COUNTY SCHOOLS

An estimate of the funds needed to conduct the public schools of Weber county for the ensuing year has been made by Clerk L. H. Frorer, the year beginning July 1st, 1910, and ending June 30th, 1911, as follows:

Pay of teachers \$31,000
 Pay of board of examiners 100
 Expenses of county institute 100
 Superintending the schools 1,500
 Contingent expenses for running schools 300
 Buildings and sites 9,000
 Current expense funds, supplies, text books, repairs, improvements, interest on bonds, sinking fund, etc. 26,000

Total \$68,000
 Of the above it is estimated \$40,500 will be raised by tax levy and \$15,500 from apportionment of state school taxes, state interest and rentals, leaving a balance of \$11,000 to be raised by county school taxes.

OGDEN WOMAN DIES IN RIVERDALE

At her home in Riverdale at 3:30 Saturday afternoon, Mrs. Gertrude Roman passed to the Great Beyond, after a brief illness of paralysis. She was fifty years of age, the wife of Daniel B. Roman, and well known in Ogden as well as in other sections of Weber county. She was dearly beloved by those who knew her, and was looked up to by all as a woman of sterling qualities. The family removed from Ogden to Riverdale only a few years ago.

Mrs. Roman was born in Amsterdam, Holland, November 29, 1859, was the daughter of Hermann and Marie Baaker Terboogian. When a young woman she joined the Latter-Day Saint church in her native land, doing much to bless the elders who were laboring in The Netherlands at that time. She was faithful to her religious convictions to the end. September 23, 1879, with her parents, brother and sisters, she arrived in Ogden City. A husband, four sons, two daughters, three grandchildren, one brother and one sister together with a host of friends will mourn her demise.

Funeral services will be held at the Riverdale Ward meeting house Wednesday, at 1 o'clock. The casket will be open at the home Tuesday afternoon and evening, also Wednesday until 12:30 p. m. Interment will take place in the Ogden City Cemetery.

CLERKS TO MEET TUESDAY NIGHT

If the retail clerks of Ogden are to secure the early closing on Saturday night, they must manifest considerably more interest in the subject than was shown at the last meeting.

Tomorrow another meeting of vital importance is called at the court house at 8 p. m., and the attendance of every clerk in the city is desired. Matters of importance are to be discussed. (Signed) A. B. FOULGER, chairman.

ARKET WEAK, WITH STRENGTH IN SPOTS
 New York, May 2.—Opening prices of stocks showed many declines except for a handful of issues in which were included Union Pacific, St. Paul, Missouri Pacific and Erie. Amalgamated Copper was sold, under severe pressure, of 3,500 shares, at 66 3/4 and 66 compared with 67 1/4 on Saturday. There was a spread also in the opening quotations for United States Steel of which 7,000 shares sold at 79 7/8 and 79 5/8, compared with 79 1/4 on Saturday. Chesapeake and Ohio, Rock Island and American Cotton Oil declined 1 and Atchafalaya, American Smelting, Anaconda, American

Buying orders were encountered which rallied the whole list to Saturday's closing. Large selling orders then made their appearance in the copper stocks, United States Steel, Union Pacific and Atchafalaya, and the whole market went down at a rapid rate.

There was another brisk rally later. Sales of stocks were due to influences carried over from last week. Bear operators showed hesitation in selling at low prices and pressure relaxed. A slow dull recovery ensued. Some of the banks renewed call loans at 4 1/2 per cent, suggesting an easy tendency in the money market.

The market turned weak again at noon when prices dropped abruptly to the lowest for some stocks. Southern Pacific and Northern Pacific lost 2. Reading 1 3/4, Union Pacific and United States Steel 1 5/8. Bonds were easy.
