State Tax Commissioner Having Trouble with Randolph -County Court Clerk.

CHARLESTON, Dec. 13 .-- State Tax Commissioner Fred O. Blue, caofficial chief inspector of public offices in West Virginia, late Tuesday presented a petition to the supreme court of appeals and was awarded an alternative writ of mandamus, returnable at 10 o'clock the morning of January 10, against Thaddeus Pritt, clerk of the county court of Randolph county. The respondent will be asked to show why he should not be required to keep the accounts of his office in the regulation manner prescribed by the inspector of pub-

The petition was denied because the county court, which had appointed White as sheriff of the county, had not entered an order requiring him as such official to surrender to Snee, the regularly elected sheriff, the tax ticket for 1916 collections.

In the Chafin case the court held that the award by the lower court of \$19,-000 damages against the railroad company because of the death of her husband, by losing the benefit of his earning ability, was the only loss for which the widow could recover damages, and that the judgment was consequently excessive.

The court granted the appeal from the circuit court of Webster county in the case of Sarah F. Cowger against Hollywood Land and Coal Company. It also allowed an appeal and supersedeas in the case from Monongalia county against John M. Kennedy and a writ of error and supersedeas in that from Jefferson county of J. W. Gardner, etc., against

gainst T. H. Richardson and others, from Cabell county, and Albertine Andre against George Hoffman and others from Wood county. In the atter case the second petition was
