STATE TEAMS RANK WELL IN THE EAST

Syracuse is Only Eleven That Defended Goal More Closely Than West Virginia.

In placing West Virginia teams in the standing of eastern eleven, comparative scores are taken into consideration, where this is possible. West Virginia University is placed below Washington and Jefferson because the latter played possibly a more difficult schedule and had scored two more points than the Mountaineers.

On the other hand West Virginia decisively defeated Wesleyan Thanksgiving day, when Washington and Jefferson was only able to win from the same team 7 to 3, ten days before. Another way of comparing the two is against Geneva when Washington and Jefferson scored six points and West Virginia a total of thirty-three. The table below, however, merely shows points scored.

West Virginia must be given due consideration in the ranking of the eastern teams by virtue of its decisive victory over Carlisle and its 7 to 3 game with Washington and Jefferson. Following is the records of points scored by the leading eastern teams and their opponents:

Eleven	Points	Opp.
Cornell	287	50
Pittsburg	247	26
Harvard	164	36
Washington and Jefferson	213	45
West Virginia	211	20
Lafayette	206	112
Franklin and Marshall	229	30
Dartmouth	194	40
Georgetown	317	40
Penn State	148	51
Syracuse	168	16
Colgate	221	38
Princeton	136	33
Amherst	81	66
Swathmore	94	71
Brown	166	32
Army	114	57
West Virginia Wesleyan	167	69
Navy	99	118
Yale	83	98
Pennsylvania	124	73
Carlisle	84	197

ROAD MEN ARE TO MEET IN PITTSBURG

Convention to Open on February 28 and Continue for Three Days.

NEW YORK, Dec. 4.—The dates of February 28, 29 and March 1, 2 and 3 have been definitely fixed by the executive committee for the thirteenth annual convention of the American Road Builders Association. This meeting will also be known as sixth American good roads congress, in connection with which will be held the seventh national good roads show.

Both the sessions of the convention, and the show or exhibition of machinery, materials and methods, will be held at Mechanical hall, Pittsburgh. The formal opening of the

show will be on Monday evening, February 28, and the technical sessions of the congress will commence on Tuesday morning, February 29.

In order to put Mechanical hall in proper shape for the purposes of the convention and exhibition, the city council of Pittsburgh recently appropriated the sum of \$15,000. The work to be done will include the installation of a heating plant and the placing of a concrete floor. The building, which is owned by the city, is situated in the "Point" district at the junction of the Allegheny and Monongahela rivers, and faces on Duquesne Way. Direct railroad connections will facilitate the handling of heavy exhibits, and the location of the building in the downtown business district makes it an especially desirable meeting place.

Pittsburg, as a city for holding national conventions, such as the sixth American good roads congress will be, has advantages that can scarcely be claimed by any other city in the United States. It can be reached by practically half the population of the United States by a twelve-hour ride. Its facilities for accommodating the delegates and housing the convention and show are most excellent, and it is a city of unusual interest to engineers. The time of year selected will afford many advantages, as it will be an especially convenient time for the contractors, engineers and road and street officials to come together.

Work on the program has already been commenced by the executive committee. In making up the program the aim will be to cover all the live subjects in which those identified with highway improvement are interested. In fact, it is proposed to make this meeting a liberal education in the construction and maintenance of improved highways. The speakers on the program will include the best known authorities on the subjects assigned to them. It is confidently expected that the forthcoming convention and show will be by all odds the greatest of the kind ever held in this country.

CONFIDENCE

By an Overwhelming Majority is Voted the Government of Italy.

ROME, Dec. 4, via London, Dec. 5.—The chamber of deputies today voted confidence in the government by an overwhelming majority. The vote was taken after a debate on the recent statement of policy by Baron Scianino, Italian minister of foreign affairs, and a speech by Premier Salandra, who said that the government was fully aware of the gravity of the international situation but that its confidence in final victory was in no wise shaken.

The premier during his speech said that the turn of events only further convinced the government of the necessity and justice of the war without which the interests, the dignity and honor of Italy would have been irretrievably impaired. This conviction, he asserted, was shared by all classes of people, who he was glad to note from personal experience were ready to make all sacrifices to carry on the war.

CONFERENCE

Will Be Held by the National Security League Soon.

NEW YORK, Dec. 4.—A conference on preparedness will be held by the National Security League in Washington about the middle of January, it was announced here tonight. Recommendations to Congress will follow the presentation of the reports of the conference.

POSTPONED

Is "Billy" Sunday's Visit to Chicago, and He Will Go to New York.

CHICAGO, Nov. 4.—A sub-committee of clergymen which had arranged a series of revivals conducted by "Billy" Sunday here in January, 1917, consented today to a postponement to September 24, 1917. Mr. Sunday asked the postponement in order that he might hold a similar series in New York City in January, 1917.

STEAMER

Shows Up Safe But Its Cargo Is in Bad Shape.

VICTORIA, B. C., Dec. 4.—The Japanese steamer Hokkai Maru, bound from Tacoma to Vladivostok with cargo for the Russian government and which was struck by a storm off Cape Flattery and obliged to turn back, arrived here today, only slightly damaged. The cargo must be re-stowed.

As a deck cargo it carried the floors of the flat cars which shifted and strained the bulwarks when heavy seas were met.

FALL

Of Fifty Feet Will Result in Death of An Iron Worker.

HUNTINGTON, Dec. 4.—J. G. Turley, of Brisco, Va., a structural iron worker, was probably fatally injured today when he fell fifty feet, head first, from a scaffold at the new high school building today, landing on a concrete walk. Turley was taken to a hospital where it was stated he had received a fractured skull and that chances for his recovery are slight.

SHEPHERD ELECTED.

HUNTINGTON, Dec. 4.—Fifteen letter men gathered at the annual football banquet given by Marshall College here tonight and unanimously elected Benjamin "Fighting" Benny Shepherd, a guard, of this city, captain of the 1916 football team.

"SATISFACTION IS PERFECT" SAYS F. C. MERRIMAN

Well Known Adamston Man Writes Burke's Drug Store Remarkable Praise of Nerv-Worth.

Is the reader troubled with any ailment of a nervous origin or has he a relative or friend so troubled? In either case it is a duty to read and profit by the following statement, just made over his own signature by F. C. Merriman, of Adamston, this state.

"Burke Drug Store—My nerves were weak and shaky and I had to be very careful in the morning what I'd eat. Sleepless nights. Some bloating. Felt tired in the morning when I'd get up. Not much energy or ambition. Nature called me often during the night, and I had to get up five or six times. Did not care if I did anything or not. Very dependent at times. I hated to go to work as I did not feel able.

"I have taken one bottle of Nerv-Worth. My nerves are better. Not near so shaky. I eat what I care to eat and it doesn't bother me. Have tested Nerv-Worth in that direction and have eaten things I would not dare to touch before and it didn't hurt me one bit. Sleep very good. No bloating. I feel refreshed in the morning. Get up feeling entirely different than I did. More ambition and am feeling entirely different than I did. I do recommend Nerv-Worth to my friends at it's given me perfect satisfaction.

(Signed) "F. C. MERRIMAN." There is nothing to add to this strong praise. Only remember that Burke's Drug Store sells and guarantees this world's greatest nerve tonic. Ask for sample does.
