The mayor's proclamation follows: The mayor's proclamation follows:

To the Citizens of San Francisco:
Forty of our boys from the Columbia Park boys' club, under the direction of Major Sidney S. Peixotto, N. G. C., have been touring Australia and the neighboring islands for the last nine months. Everywhere they were accorded a welcome that was second only to that given to the American fleet on the occasion of its recent visit to the antipodes. The boys have been received as representative San Franciscans and Americans, and have everywhere brought credit and honor to their city and country.

credit and honor to their city and country.

It is but fitting that we give the boys and their leader, Major Petxotto, who has made the welfare of the boys of San Francisco his life work, a hearty greeting as they return from an undertaking that stands unparalleled in the history of boys' work.

A reception is to be tendered these returning members of our community on the floor of the Merchants' exchange on the afternoon of February 9 at 3:30 o'clock. It gives me pleasure to invite all the citizens of San Francisco to be present at this time that we may give our boys a royal greeting.
