

Thousands Have Kidney

Trouble and Never Suspect It.

Prevalence of Kidney Disease.
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physician, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Lodge of Sorrow Commemorates the Departed

Since the organization of Canon City Lodge, No. 610, Benevolent and Protective Order of Elks, has witnessed sixteen of its members pass to the grand lodge room above, and, in loving memory of those who have gone to the silent shades of the great beyond, an annual memorial service is held by the living. Three seats in the lodge council have been vacated during the last twelve months, and, it was to remember lovingly and regretfully the absent brothers, that the members of No. 610 met at their hall at 7:30 o'clock Sunday evening and resolved themselves into a lodge of sorrow.

Those who have passed away during the calendar year now drawing to a close were Dr. Thomas H. Craven, Ferdinand Stockder and J. Herbert Renshaw, the latter dying at his home in England about three months ago. Everywhere throughout the United States and in the islands of the sea over which the flag of our country floats special services were held by the Elks on Sunday in honor of their dead. With heavy hearts, but with loving recollection of "the missing ones," the members of the order gathered, and, with appropriate ceremonies, paid tribute to the character of those of their associates who had crossed the dark river and gone to that bourne from which no traveler returns.

The memorial exercises here Sunday evening were most interesting and impressive and were listened to by a large throng of people which had joined the members of the brotherhood in doing honor to the occasion. The program, with its delightful music and its eloquent addresses, was much enjoyed and was as follows:

Piano solo—"Last Hope"—Gottschalk—Prof. Tom Taylor.

Opening ceremonies—The Lodge Members.

Opening ode—Tune Auld Lang Syne—Prayer—Rev. Edgar A. Sherrod.

Vocal solo—"O, Dry Those Tears"—By Teresa Del Riego—Miss Mabel Young.

Eulogy—Bro. Herbert Renshaw.

Bro. Fred Stockder, Bro. T. H. Craven.

Quartette—The Beautiful Country—(Parks)—A. C. Dickinson, W. T. Little, Frank McFarlane, T. M. Harding, Jr.
Address—Bro. M. W. Purcell, Colorado Springs Lodge 309.
Vocal solo—"The Better Land"—(Cowan)—Mrs. Arthur Penna.
Quartette—"Just Beyond"—(Parks) Closing ceremonies—Lodge members.

Doxology.

Hawley & Son Have Hand-Some New Hearse

The undertaking firm of Hawley & Son have purchased a beautiful new hearse, the equal of anything of the kind in the state, which it has put into commission in connection with its business in the Acme block at 724 Main street.

Instead of the conventional black hearse and its trimmings are of a silver gray color, a hue much in vogue with such vehicles in all of the larger cities of the country, and one that can hardly fail to commend itself to the public by its modesty and restfulness to the eye. It is a splendid vehicle and its possession is a credit to the firm which has brought it here, proclaiming as it does its enterprise and its determination to keep fully abreast of the times in everything that relates to its business or concerns its patrons.

Called to Seattle by Illness of His Father

Lafe Combs left for Seattle, Wash., this afternoon in response to a telegraphic message received Saturday stating that his father, J. W. Combs, was critically ill at his home in that city. Mr. Combs, Sr., has made his home at Seattle for several years, moving there from Iowa where he formerly resided. He has been suffering from cancer for a long period, and, it is presumed, his present condition is due to the ravages of that disease.

This is Worth Reading.

Leo F. Zellinski, of 68 Gibson St., Buffalo, N. Y., says: "I cured the most annoying cold sore I ever had, with Bucklen's Arnica Salve. I applied this salve once a day for two days, when every trace of the sore was gone." Heals all sores. Sold under guarantee at Seely drug store. 25c.

Remains to Be Taken to Dakota for Burial

The funeral over the remains of the late Adda Berninger was held in the chapel of Hawley & Son's undertaking establishment at 724 Main street at 2:30 Saturday afternoon. Rev. H. M. Jamieson, pastor of the United Presbyterian church, conducting the service.

Miss Berringer died at 618 Forest avenue on Thursday of pulmonary tuberculosis after a lingering illness, aged 37 years, 8 months and 21 days. She came here from the east about fifteen months ago for the benefit of her health. A brother of the deceased, Frank Berringer, arrived here on Friday from Ramona, South Dakota, and will take the body to that place for burial; leaving here at noon Sunday. The parents and other family relatives live at Ramona.

In Jail for Killing Deer Out of Season

William Lewellyn was arrested at his home near Wilbur by Deputy Game Warden Givens of Florence on Thursday and brought here and arraigned before Judge Cooper of the county court on the charge of killing deer out of season in violation of law. He pleaded guilty to the charge and was fined one hundred dollars and costs, the total assessment being one hundred and twenty dollars. In default of payment Lewellyn was committed to jail where he will cancel his indebtedness to the county at the rate of five dollars a day.

Lewellyn killed one deer and so badly wounded another that it had to be killed by the game warden. The prisoner, who is only twenty-four years old, claimed that he killed the two animals out of necessity, as his widowed mother and family were in destitute circumstances. It was subsequently ascertained, however, that Lewellyn's assertion in that respect was a fabrication, told for the purpose of obtaining the sympathy of the court. The carcasses of the deer were brought here by Mr. Givens and placed on sale in the local meat markets.

A New Forty-Horse Colburn Touring Car

During his visit to Denver last week C. A. Biggs exchanged his seven passenger Thomas touring car for a new forty-horse power Colburn machine, having a capacity for five people. It was manufactured in Denver and is specially adapted for use in a mountain country, such as we have here. In the recent economy race from Denver to Greeley and return, a distance of one hundred and twenty miles, the machine purchased by Mr. Biggs made the trip with a consumption of a little over sixteen quarts of gasoline, or one gallon for each thirty miles traveled, conceded by autoists to be a marvellous performance. Ordinarily, however, the Colburn uses about one gallon of gasoline in a run of twenty miles.

Harold Brinker, who holds the auto record for the run between the two places, made the trip in a Colburn car not long ago between Denver and Colorado Springs, a distance of seventy-three miles, in one hour and fifty-four minutes.

Interesting Railroad Meeting on Lincoln Park

The public meeting at the McKinley school building on Lincoln Park Friday night to discuss matters in relation to the construction of the Kansas-Colorado electric line through that suburb was a most interesting one and was well attended considering the fast but little publicity had been given to the matter.

Rev. Allan Bell, recently elected a member of the general assembly, was made chairman of the meeting and J. P. Farmer, secretary. The gathering was called by the railroad company for the purpose of ascertaining whether the people on the south side of the river really desired the road or not, if so, what they were willing to do in a material way to promote its success.

If any doubt existed that property owners on Lincoln Park and South Canon were not favorable to the proposed enterprise it was dispelled by Friday night's meeting, which placed itself upon record as being enthusiastic for the proposition and willing to encourage it in every possible way. The opinion was expressed that the right of way could be secured without cost to the company and that whatever assistance was needed to assure the building of the road would be forthcoming at the proper time.

President Atwater, Henry Hutton and other representatives of the company were present and outlined the intentions in relation to the road, which were such as to commend themselves to the people living in that locality. The road will branch at Brewster; one portion of it coming up on the north side of the river, and the other through Lincoln Park and South Canon, thus completing a loop that will connect all parts of the community. It is probable that the river will be crossed on a viaduct at either First or Fourth streets, but that is a question to be determined later.

On motion chairman Bell was instructed to appoint an executive committee of five members to look after the right of way and other matters involved in the arrangements for the contemplated railway. The personnel of the committee was not announced, but will be made public by Rev. Bell in the course of the next few days.

Wednesday Musical Club Met with Mrs. McClintock

The meeting of the Wednesday Musical club was held at the home of Mrs. McClintock. After the regular business was transacted the following program from the Oratorio was rendered:

"Dead March from Saul".....Handel
Miss Dale
"Overture" from Messiah.....Handel
Miss Conaway
"Come Unto Me" Messiah.....Handel
Mrs. Watson
"Aria" from Elijah.....Handel
Mrs. Lane

Miss Nellie Felter delighted the club by giving two very fine violin numbers. Miss Felter is a member of the Colorado Springs Musical club.

Yeomen Regaled Themselves with Oyster Supper

The members of Canon City Homestead No. 133, Brotherhood of American Yeomen, elected for the calendar year 1909 Friday night as follows: Clarence L. Hawley, Foreman; E. E. Brooks, master of ceremonies; Chas. H. Raddin, correspondent; D. J. Houston, master of accounts; Lone Townsend, chaplain. The other officers are appointive and will not be named until after the first meeting night in January, at which time the installation will take place.

At the conclusion of the business session Friday night an old-fashioned oyster supper was served to nearly two hundred members of the order who had gathered to do honor to the occasion. The bill of fare included, in addition to the oysters cooked in various ways, pickles, coffee, etc., and was greatly enjoyed by all having the pleasure to be present. The Yeomen is one of the strongest fraternal organizations in Canon City, having something like four hundred and sixty names upon the membership roster.

Answers Every Call.

Canon City People Have Found That This Is True.

A cold strain, a sudden wrench, A little cause may hurt the kidneys, Spells of backache often follow, Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific.

Many Canon City people rely on it. Here is proof:

L. A. Schamp, living at 421 Pike avenue, Canon City, Colo., says: "About ten years ago I strained myself and after that was bothered with my kidneys. At times I suffered severely from pains over the region of the kidneys, and I was also annoyed by the too frequent action of the kidney secretions. I finally procured a box of Doan's Kidney Pills at Hunter Palmer's drug store, and had taken only a few doses when I could see an improvement in my condition. So pronounced have been the results from their continued use that I cannot express myself too strongly in their praise."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Vinol Cures Chronic Coughs, Colds and Bronchitis After Other Remedies Fail

"I have been troubled with a chronic cold and bronchitis for a long time and have tried many remedies without finding relief. Through the kind suggestion of a friend I tried Vinol, and after taking four bottles, am entirely cured." A. H. Wilde, 732-8th Avenue, Minneapolis, Minn.

S. McDonald, 147 W. Congress St. Paul, Minn., writes: "I contracted a severe cold last winter and thought I would never get rid of it. I tried Vinol as a last resort, and it has completely cured me."

Vinol combines two world-famed tonics, the healing, medicinal properties of cod liver oil and tonic iron, deliciously palatable and agreeable to the weakest stomach. For this reason, Vinol is unexcelled as a strength-builder for old people, delicate children, weak and run-down persons, after sickness and for Chronic Coughs, Colds and Bronchitis.

Theatrical Excursion to Pueblo a Big Success

The special theatrical excursion run from Canon City and intermediate points to Pueblo Thursday night on account of the production of Ben Hur at the Grand opera house was one of the most successful affairs of the kind that has taken place in several years. There were about a hundred passengers out of here, about eighty out of Florence and enough from other stations on the way to enable the train to pull into Pueblo with considerably more than two hundred people on board. The presentation of Ben Hur was a masterly one, fully redeeming the highest anticipations of its patrons.

Harmony Rebekah Lodge Chooses Annual Officers

At the regular meeting of the members of Harmony Rebekah Lodge No. 96, Thursday night, the following officers were selected for the next ensuing year:

Clem DeVivier, noble grand; Jessie Bennett, vice grand; Belle Durant, recording secretary; Estella Lonnacker, financial secretary; Julia Harris, treasurer. The installation will not occur until the first regular meeting in next month.

Trustee for three years, A. H. White.

East Canon Notes.

Mr. and Mrs. Geo. Diamond of E. Main street gave an oyster supper to twenty-eight of their friends Wednesday evening, and better than the supper, which was of the best, was the social time. It was at a late hour when the guests departed thoroughly satisfied with their host and hostess, and themselves.

The East Canon division of the Ladies association of the First Presbyterian church, met with Mrs. Jessie Knowels of Orchard Park Thursday afternoon, where a good deal of work was accomplished, and a delightful social time was enjoyed by all. Dainty refreshments were served.

Thursday evening as Mr. O'Brien of Park Center was returning to his home from the city, his horse dropped dead, between 10th street and Orchard on what is known to E. Canonites as the diagonal. It is quite a loss and the neighbors sympathize with him.

Will Taylor of Park Center, who went up to work on the new reservoir has returned. He reports the ground as frozen to hard to do anything with. We are sorry for the men who are thrown out of what seemed to be a good job, but the contractor has the worst of it.

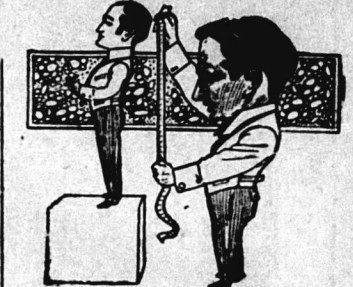

Washington School.

At a meeting of the Board of Education Tuesday it was decided to close the Washington school until the repairs needed for the safety of the pupils and building shall be completed. Mr. Ryle will carry on the work of the "A" class in the eighth grade at the High school in order to complete the work in time for the regular promotions to the High school. The promotions of the remaining classes will be delayed one week and school will be held at the Washington building during the spring vacation to make up for lost time.

It is thought that it will take until December 13 to complete the new fuel which is to replace the old one now being torn down, and that school will open on Monday, December 14.

W. B. Rowland, notary public, 222 Main street.
