

## SECOND FILTER WILL SOON BE FINISHED

From Wednesday's Daily.

It will be gratifying to the public to learn that the filtration system at the waterworks plant will be finished this week and that in the future Canon City will have an abundant supply of clear, pure water at all times. The second filter basin, now nearly ready for use, covers an area of approximately three-eighths of an acre and will be a valuable auxiliary to the one put into operation about a month ago. It contains four feet of sand and gravel and is built in conformity with the latest ideas in such

construction. Sixteen hundred cubic yards of gravel and washed sand have been put into it and it is computed that it will filter two million gallons of water every 24 hours, or rather more than the present daily consumption of the community. With both filters in use a supply of pure water sufficient for a town of 25,000 population will be available. When the task on which the men are now employed is finished they will devote their attention to improving the grounds adjacent to the waterworks plant.

## ANOTHER PRETTY WEDDING WEDNESDAY

From Wednesday's Daily.

A very pretty wedding was solemnized at high noon today, when Miss Alice Harding, daughter of Mr. and Mrs. L. L. Harding, of this city, was united in marriage to Mr. Wilse Brewster of Buena Vista, Colorado. The wedding took place at the home of the bride's parents, 903 Allison avenue. The ceremony was performed by Rev. Frederick Carman, rector of Christ church of this city. The house was beautifully decorated with asparagus ferns, under a canopy of which the couple were united. The bride was dressed in a traveling suit of brown and carried a shower bouquet of sweet peas. The groom wore the conventional black. The bride and groom were unattended. About forty guests were present, relatives and immediate friends of the contracting parties. The out-of-town guests were Mrs. George Brewster, and daughter, Irma, of Salida, mother and sister of the groom, and the Misses Gladys and Gretta Saffin of Cincinnati, Ohio, cousins of the bride. A delicious luncheon was served at the close of the ceremony. The bride is a young woman of man good, sterling qualities, which qualifies her to take any position in life. The groom is a man of excellent family, with good business abilities and generally liked by all who know him. Mr. and Mrs. Brewster were supposed to leave on No. 1 for Buena Vista, but they gave the guests the slip and went to Florence where they left on No. 2 for Denver. The happy couple will make their home at Buena Vista where Mr. Brewster holds the position of sheriff of Chaffee county. The Daily Record joins with their many friends in Canon City in wishing them great happiness in their new relationship.

## GOVERNMENT TO ESTABLISH WEATHER STATION HERE SOON

From Wednesday's Daily.

Under the provisions of the appropriation obtained by Senator Guggenheim from the federal treasury last winter a station of the weather bureau of the Department of Agriculture will be inaugurated here very shortly by Fred H. Brandenburg of Denver and will be placed in charge of Prof. G. C. Sherwood, who has been appointed local observer. Through the efforts of Dr. F. N. Carrier the matter of obtaining a station of the bureau here was brought to the attention of Senator Guggenheim, who succeeded in getting an appropriation of \$1500 from the government for its support for a period of two years. Mr. Brandenburg is expected in Canon City this afternoon to install the new service and to explain to Prof. Sherwood the duties that will devolve upon him. The establishment of a station here for meteorological observations will be of great value to the farming, gardening and horticultural interests of the community, particularly during the spring and autumn months, and will be duly appreciated by all classes of our citizens. The observations will, in all probability, be made from the roof of the high school building and the signal flags will be hoisted there if present arrangements are carried out. Records of the condition of the weather, including the temperature, humidity, sunshine, the direction and velocity of the wind, snowfall, etc., will be made once every day and given to the public through the local press. Among the instruments which will be sent from the weather bureau at Washington for use at the Canon City station will be a maximum and minimum thermometer, a barometer, hygrometer and an anemometer; the two latter for measuring the density of the atmosphere and the velocity of the wind respectively.

## MILLER TO BE RE-LEASED FROM JAIL

From Wednesday's Daily.

After completing a twenty days' sentence in the county jail for some misdemeanor under the laws of the state Louis Miller will be given his liberty tomorrow. At present there are ten prisoners in the county jail, most of them having been bound over to the November term of the district court for trial. They are as follows: Ed. J. Kaufman, larceny; Patrick Sullivan, attempted rape; Louis Miller, larceny; Rosenda Agiri, assault with intent to do bodily injury;

G. E. Dement, breach of trust; Angele Mesch, exposure of person; W. H. Hawkins, (colored) larceny; Leon Palmer (colored), larceny; Frank Ravoli, abduction. Kauffman, who is doing a jail sentence for stealing a quantity of cutlery from the Harding Hardware company while assisting in the removal of its stock of goods from its old to its new place of business, will be released on the 27th inst.

## WILL ENDEAVOR TO LOCATE STATE HOME HERE

From Wednesday's Daily.

A joint meeting between a special committee representing Canon City Lodge, No. 7, Independent Order of Odd Fellows, and the Canon City Business Men's association will be held at the office of Secretary Maddox of the latter organization at 4:00 o'clock this afternoon for the purpose of discussing ways and means for securing the location of the proposed Odd Fellows Home in this city. The committee from the lodge will be composed of Judge Charles E. Waldo, C. H. Roddin, P. M. Linner, Augustus Pease and Lafe Combs. The matter of locating the proposed home will come up for determination at the meeting of the Odd Fellows grand lodge to be held in Cripple Creek next October. It is understood that a donation of at least forty acres of irrigated land contiguous of the city limits will be required to secure the prize.

It is understood that the grand lodge has the sum of \$100,000 to put into the contemplated home and many towns are after it in consequence of the added value it will give to real estate holdings.

## BIRTHDAY SURPRISE PARTY

From Wednesday's Daily.

About twenty of the friends of Mrs. Lloyd Williams surprised her last evening with a party at her home 1232 River street. The occasion of the gathering yesterday being the birthday anniversary of Mrs. Williams. Refreshments were served and a general good time was enjoyed by all.

Mr. B. Walton is a new-comer to this city and has taken up his residence at 1205 River street. He came from Pueblo and is employed by the D. & R. G. railroad.

Mrs. John Katerman returned to her home in Florence yesterday, after a visit here with her parents, Mr. and Mrs. Lage Combs on Greenwood avenue.

## LINCOLN PARK NEWS

From Wednesday's Daily.

Miss Munice is helping Mrs. Andrews in drilling the children.

Chas. Trotter of Ordway has been visiting his parents on Park avenue.

The Hunter family are looking after Joe Hoyt's cherry crop during his absence in New Mexico.

Grandma Shaver, who has been ill at her home on Grand avenue is able to be about again.

Lincoln Park is fragrant with the perfume of new mown alfalfa hay, as ranchmen are getting in their supply for the winter.

Will Kelling from Westcliffe is taking care of the home interests while his brother, Fred, is at the Salida hospital.

The wedding guests from a distance who have been spending some days at the home of Dr. Youngman have departed.

Mr. Gillen and sister and Miss Mable Cuthbert spent a pleasant evening with the Gebhardt young folks Monday.

Dr. Leon Woodford is down from Denver visiting the home folks before going west to assume professional practice.

Mr. Affleck on Sherman avenue has been working on his large back porch at odd times and has it nearly completed.

Stewart, Mrs. May.  
Strange, Mrs. Charles.  
Slug, Mr. Alf.  
Urbatsch, Miss Anna.  
Walfarid, Mrs. Lottie.  
Warshle, Mrs. Mary.  
Williams, Miss Clara.

## THE GLORIOUS FOURTH

Reproduced by the courtesy of LIFE.

THE movement for a safer and saner Fourth of July is attracting more attention than ever this year. In some towns and cities the sale of dangerous fireworks has been limited. In other places it has been prohibited altogether.

According to Mrs. Isaac L. Rice, a conspicuous advocate of the safe and sane Fourth, the casualties of last July were 6,000, while the total losses to the Continentals at the battles of Lexington, Bunker Hill, Fort Moultrie, White Plains, Fort Washington, Monmouth and Cowpens were only 1,119.

The reformers have no quarrel with American patriotism or with the Fourth of July itself. They love Old Glory and believe that the Fourth of July should be America's day of days. But they object to the great yearly death toll caused by toy pistols, cannon crackers, fireworks, bonals and firearms of every description.

With mute eloquence Life's picture "The Glorious Fourth" tells its own story of tragedy, of heartbreak and of suffering.

**Must We Have A Scene Like This In A Canon Cityome Before We Fully Realize The Importance Of Saner Fourth Legislation?**

## POPULAR YOUNG PEOPLE MARRY

From Wednesday's Daily.

A very pretty home wedding was celebrated at the residence of Mr. and Mrs. O. J. Rundahl, 829 Main street, at high noon today when their daughter, Miss Linnie, was married to Mr. Will W. Coleman of Fort Collins. The nuptials were solemnized by Rev. C. E. Sparks, pastor of Trinity English Lutheran church, in accordance with the ritual of his denomination.

Only a few relatives and the more intimate friends were in attendance; both bride and groom having expressed a preference for a quiet, simple ceremony. The bride wore a handsome dress of embroidered white net and was unattended. The wedding march was played by Miss Mae Rittenhouse and during the wedding service Professor Pegram sang, "O, Promise Me." After congratulations had been extended to Mr. and Mrs. Coleman by the assembled guests refreshments were served and an opportunity afforded the company of inspecting the presents, which were numerous and costly. The happy couple left on the Denver & Rio Grande train No. 2 this afternoon for Denver where they will spend their honeymoon, later going to Fort Collins where they will make their home. They were accompanied to the railroad station this afternoon by host of the guests and were showered with rice and other symbols of good luck.

The bride is one of Canon City's most popular and accomplished young women and her friends are legion. She has lived here nearly all of her life and is as capable as she is winsome and attractive. In leaving here she carries with her the best wishes of a wide circle of acquaintance. The groom came to Canon City a few years ago from Hastings, Nebraska, and by his gentlemanly conduct and industry soon established himself in the good opinion of the community. For some time he was employed in a clerical capacity at the Ceylon Tea store, subsequently resigning his position there to engage in business on his own account at Fort Collins, where he is "making good" in mercantile lines. A multitude of friends unite in wishing them a long life of perennial happiness and prosperity. Mr. and Mrs. Coleman will be at home to their friends at 502 Plum street, Fort Collins, after July 15th.

## NEW GRAND STAND FOR BALL GROUNDS

From Wednesday's Daily.

The Sunday School Athletic League of this city is receiving bids from the contractors for the building of a grand stand on the baseball grounds at the rear of the high school building. The stand will be one hundred feet long and nine and a half feet high with four tiers of seats. This will add greatly to the comfort of the visitors at the games as well as a boom for the athletic spirit of the city. It would be a great help to the town if more people would take more interest in the S.S.A.L. ball games which are played on the grounds every evening from 6:00 to 7:15 o'clock except Saturday evening. They are good games of ball.

## ENTERTAINS AT LAWN SUPPER AND HOUSE PARTY

From Wednesday's Daily.

Miss Merle McLain entertained a number of her friends last night with a lawn party at her home on North Sixth street. The company assembled at 7:00 o'clock at which time supper was served on the lawn. Those present were the Misses Lella and Fernie Armstrong, Blanche DeWeese, Lella Dickinson, Hazel Gardner, Rose Lines, Margaret McKenzle, Veda Ragsdale, Frank Boyle, Herbert Combs, Albert Garlinghouse, Boyd Gatewood, Herman Graves, Maple Hari, Earl Lee, Montgomery Rodgers and Burdon Sherrill. All enjoyed a good time which is characteristic of the McLain hospitality. The young ladies were Miss McLain's guests for the night.
