Seegers' Unadulterated Ale AND LAGER BEER.

L AGER BEER containing Copperas, and ALE doctored with Salt, Lime and Alum are the latest adulterations discovered in New York. Professor MAPES, of New York, analyzed the BEER from a dozen different Breweries, and all were found adulterated with noxious substances. It is said that the sale of drugs to Breweries is a profitable part of the trade. This is perfectly infamous. Conclude Indicus (fish-berry) Nux Vomica, dog button, from which Strychnine is obtained, are some of the delectable substances found in BEER. These are potent poisons, and the Brewer found using them should be drowned at once in one of his own rats. P. S.—I am willing to be drowned in my own RATS; if any impurities shall be found in my BEER. I shall continue to make a HEALTHFUL BEVERAGE, so that it may be drunk by the most delicate without the least danger. JOHN C. SEEGER'S. Columbia, S. C. June 24—2m.

PIEDMONT LIFE INSURANCE COMPANY, OF RICHMOND, VA.

CAPITAL INVESTED AND WELL SECURED.....\$100,000
PREMIUMS EARNED FIRST 19 MONTHS, OVER.....600,000
NUMBER OF POLICIES ISSUED, OVER.....3,100
Eighty-Seven and a Half per centum of Profits paid to Policy Holders.

Insure Your Life in a southern Company.

A Life Insurance Policy is the surest protection you can secure for those dependent upon you.

Advantages of the Piedmont.

It is confined to Life Insurance only, and does not mix with the uncertainty of other business.

The rights of policy holders are clearly defined on its policies as PART OF THE CONTRACT, and not left to OUTSIDE PROMISES of Agents.

It has no useless restrictions on residence or travel; fully provides for the non-fulfillment of its policies and places all on fair equality as to occupation.

It has declared a dividend to its policy holders the first Eighteen months of 40 per cent.

The late war taught many the heavy penalty of being separated from the Home Office by the Companies forfeiting what had been paid and refusing to reinstate the policies.

"THE PIEDMONT" provides against this in HER POLICIES, and all who may, by any mishap or revolution, be separated from the Office, the right to reinstate policies within one year after intervening cause is removed, or to be ENTITLED TO SAME RIGHTS AS TO NON-FORFEITURE.

AS THOUGH THE HINDERING CAUSE had never existed, at the option of the insured, so that no contingency can take from her POLICY HOLDERS their just rights. THIS IS DONE BY NO OTHER COMPANY.

It has paid all its losses promptly, without waiting for the NINETEEN days grace, and has never contested a claim.

Parties contemplating insuring, are requested to examine our policies and compare them with other companies before insuring.

The COMPANY has determined to establish a BRANCH OFFICE in SOUTH CAROLINA with President and Directors selected from Policy Holders of this State, which will give you all the advantages of a HOME INSTITUTION as all the Premiums received, will be left here and invested in your own State.

The "PIEDMONT" issues Policies on the Ordinary Life, Ten Annual Payment, Five Annual Payment, Single Payment, Endowment, Joint Life, Children's Endowment, Return Premium, or any Table used by other Companies.

WM WILLIAMS, D. D.,

THE next Session (of eight months) opens on Wednesday, September 1, 1869, when there will be an Inaugural Address by Professor TOY. It is on every account important for Students to be present on the first day.

The studies are exclusively Theological, and embrace an extensive range of subjects, in which the best College graduates and those who have only a plain English education can alike find whatever they are prepared for and prefer. The whole course requires at least three years, but a Student may come for only a single Session, and select his subjects, with advice from the Professors if desired, and may graduate in each of the particular schools he attends. No charges for tuition, nor fees of any kind. Text-Books lent to those who cannot conveniently purchase them. Students may board at the Seminary Hall, with rooms free of rent, and paying only the actual cost of living, which for the past Session averaged \$8 25 a month. Those who prefer it may board in private families, at about \$15 per month. In either case, fuel, lights and washing will add some \$2 50 a month. Brethren wishing to attend, but unable to command the necessary means, will please write promptly to Rev. B. MANLY, Jr., who will arrange to give them pecuniary aid. Churches and Individual brethren and sisters are requested to send him contributions, large or small, for that purpose. Greenville is in a healthy mountain region, and is reached by Railroad, via Columbia, S. C. For further information, Catalogues, &c., address Rev. JAMES P. BOYCE, (Chairman of Faculty,) any of the Professors, or
