

WEAK, NERVOUS, DEPRESSED IN SPIRITS, and a prey to innumerable ailments as well as physical evils, the victim of dyspepsia is indeed an object of commiseration. Yet it is absurd for him to despair. We can not how low, weak, nervous, and irritable he may be, the cordial properties of Hoodland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, are stronger than the many headed monster which is preying upon his body and mind; and if he chooses to try them, we will ensure a speedy cure.

For Sale by MILLER & BRITTON.

As a SPRING and SUMMER MEDICINE, Hoodland's Spanish Mixture stands pre-eminent above all others. Its singularly efficacious action on the blood; its strengthening and vivifying qualities; its tonic action on the liver; its tendency to drive all humors to the surface, thereby clearing the system according to Nature's own prescription; its harmless, and at the same time extraordinary good effects, and the number of cures testified to by many of the most respectable physicians of Richmond Va., and elsewhere, make the conclusive evidence that there is no humbug about it. The trial of a single bottle will satisfy the most skeptical of its benefits.

Sold by RICE & THOMSON, Sumterville, S. C.

Sole agents for the Proprietors.

A Boon to the Afflicted.

Dyspepsia, until within a few years back, has been considered incurable. But now it readily yields to, and is summarily eradicated by, PLANET'S Bitters, which form one of the safest and pleasantest remedies for disease of the stomach and liver. This wonderful remedy has not only cured a single case. It is, without doubt, one of the most valuable medicines ever known, and it is by patients as well as by the press, and practicing physicians, that its curative lives should always have a supply of these Bitters at hand and ready for use at a moment's notice. Being Tonic, Alterative and Purgative, it cures Liver complaints, Indigestion, Flatulency, commonly called Nervous Affections, Planet's Bitters are employed with the greatest success.

For sale at RICE & THOMSON'S Drug Store.

Notice.

THE Marshal would advise those who own stock in and about the town or village, that a small number of dogs are confined in the common pound, the owners of which will do well to remove them by paying for the cost of their food since they have been put up. He is unwilling to sell his neighbors' property, and therefore the sale, which he gave a recent notice, has been postponed.
