of the day. Every one is anxious to-

moderate prices.

Judge R. B. Jones, Las decidedly B Jestablished his new Head Quarters transact, or settlements to be made.

we sented in this Parish, we always we a new Comer and especially when brings with him such a good reputation as the Judge possesses.

The weater is still bad - River falling fact.

A little boy, whee playing the other day on a pile of wood, fell down and hurt himself. As he lay crying very bitterly, some one passing lifted him up and said to him: "Come, my little tellow, don't gry, i will all be well to-morrow." "Will.

A CARD TO INVALIDS.

A Cleggman, while residing in South Mongael society: Witness the social de-America as a missionary, discovered a safe and simple remedy for the Cure of Nervous Weakness, Early Decay, Diseases of the Urinary and Seminal Organs, and the who e train of disorders brought on by baneful and vicious habits. Great numbers have been cured by this noble remedy. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this mericine, in a sealed envelope, to

JOSEPH T. JNMAN. Station D. Bible House, New York City. Teb. 23, 1865-1v.

BLACK VERSES WHITE POPULATION. A variegated Controversy.

We promised in our last issue, to favor macia. more write population is the imperative need of the South." But on looking over the document, we find that the extracts than at any previous time." from our article have been so garbled and cipled characteristic that "B" is trying to being about, Our moto shall be "lies and being about, our meaning so purposely disjoint and the standard of the standard Six Months, \$4, render it necessary that a few words of let lire, and e're the next seven years shall a few words of let lire, and e're the next seven years shall comment be prefixed or rather appended have rolled ground, we shall, like the etiquette, we will give precidence to the prepose sing people. colored gentleman. We would not lose tance Prof ssor W. P. Allen, A. M., who will proceed to enlighten your understan-

> dings on the interesting subject of : The Negro as a man. - Rights Vindicated that we are an angel. Mr. Editor. -On reading your paper of Passing over the many minor devictions that "so soon as the foreign pressure was more than enough has been given to prove the trae potic power.

contend with, or the file epithets from the | tend d'extracts. that our energetic friend Jules Normand has successfully returned from the Government has, through justice, given that was a with 55 Chinese laborers, as the ballot, we shall like statesmen ever the foreign immigration as a substitute for the "worshipful B" Says that "the near o as a Very likely!"

The Professor next informs us that his propossessing people."

Very likely!

of the Sun. It is our duly to state that Mr. Normand, engages the servence of the sun to over anxious to remain on plantations, the negro labor of human admiration, does not surely families of body, and notify a horizontal superior of human admiration, does not surely families to the sun to such word in the sun to such that Mr. Normand, engages the servence of t ices of those only who have perform- of to-day; and, until a better principle shall was still so valuable, that it must be accepted their eight years of apprenticeship have been instituted—a suter foundation was still so valuable, that it must be accepted their eight years of apprenticeship have been instituted—a suter foundation was still so valuable, that it must be accepted to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently that it must be accepted to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently that the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently the charge of self coming eminestly prepared to the consequently prepared to the consequently prepared to the consequently the charge of self consequently prepared to the consequently p in Havana, and in the best circumstances. Planters in need, for this or next year, will do well by applying to Mr. Normand before his departure, which will again take place in a few which will again take place in a few with the safety and seem type of the safety and which will again take place in a few hot retard the progress of the colored man in the least. Our territory is broad, and lays.

Letters from abroad, sent to our as the present improvements of the South office will be attended to promptly.
