

# THE WORLD OF SPORTS

## HOWARD FALL SCHEDULE IS ANNOUNCED

WASHINGTON, D. C.—Coach Morrison has called the Howard University Football Warriors to report for practice, Friday, September 15. From then until November 30, when "The Annual Football Classic of the Year" is played at American League Park, Washington, the football world will be filled with stories of the prowess of the representatives of the two outstanding football teams.

Howard is out to win. Lincoln is out to win. May the best team win! Despite many misleading stories to the contrary, this "annual classic" will be played this year in Washington at the American League Park, and not in Philadelphia, Baltimore, or any place other than the Nation's Capital. The business arrangements for the game, by note of the Howard University Board of Trustees, will remain in the hands of the business administration of the university.

**Game to Be Played in the Morning**  
Dr. Emmett J. Scott, secretary-treasurer of Howard, announces that the reason the game is to be played in the morning at ten-thirty o'clock instead of in the afternoon as formerly is that Howard is in position to guarantee but one outstanding game every other year to the Management of the American League Park, while Georgetown and George Washington Universities, both popular institutions located here, have entered into contract to stage their annual Thanksgiving clash at the American League Park in Washington and to play all of their other home games also at the same park, thereby guaranteeing from four to six events each year in addition to the stellar Thanksgiving Day attraction.

The arrangement entered into this year, however, as between Howard University, Georgetown University and the management of the American League Park is that the Howard game shall be played at 10:30 in the morning, allowing ample time for the grounds to be emptied, and for the Georgetown-George Washington game to be staged at 2:30 o'clock in the afternoon.

**Thousands Expected at the Game**  
The thousands of visitors who will be coming to the game will reach Washington, Wednesday night, November 29, for the various festivities being arranged in their honor and will proceed immediately after breakfast Thanksgiving morning to the American League Park for the classic event of the year.

Dr. Scott also announces that the Howard University administration has arranged two receptions in honor of the football teams and visitors at the Coliseum—one immediately following the game, from 2 to 3 o'clock, and another in the evening from 8 to 12 o'clock, at which latter time the members of the Howard-Lincoln Football Squads will be present to be formally introduced to the thousands of spectators. The arrangements made for the entertainment of the visitors are now full and complete.

**Additional Seats Provided**

The American League Park has had about 10,000 additional grand stand and box seats added since the last game (1920) was played; in addition to that, some 7,000 seats will this year be placed on the South Side line, thereby affording full opportunity for each and every visitor to see every movement of the players.

The Howard schedule for 1922 is as follows:

Oct. 7—Open Date at Washington.  
Oct. 14—Virginia Theological Seminary and College, at Washington.  
Oct. 21—Agricultural and Technical College of Greensboro, N. C., at Washington.  
Oct. 28—Virginia Union University, at Richmond, Va.  
Nov. 4—Morgan College, at Washington.  
Nov. 11—Virginia Normal and Industrial Institute, at Petersburg, Va.  
Nov. 18—Hampton Institute, at Washington.  
Nov. 30—Lincoln University, at Washington.

In 1920, Dr. Scott denominated the Lincoln-Howard football game of that year "The Football Classic of the Year." This slogan was accepted the country over as an apt description of this annual event. All eyes are now turned toward the American League Park, Thursday morning, Thanksgiving Day, at 10:30 o'clock, when the 1922 Football Classic will be staged by these two outstanding institutions of learning.

## WINS SECOND PLACE IN AUTO RACE MEET

WICHITA, Kansas, September 6.—Ernst Gayden, of Kansas City, Kansas, was the only colored racer to compete in the Auto Race Meet held at Meridian Speedway today. Mr. Gayden had a narrow escape from death in the races. He specially built Marmon on a very sharp and dangerous curve, when the latter skidded into the Marmon. This, however, did not prevent young Gayden (only 21 years of age) from landing in second place.

The race was a sixty-mile free for all, and Gayden's time was 1:12:10.35 sec. Ernst scored the summer months in Chicago, where he has many friends, and all of them will be glad to learn of his success on the track.

## SPORTIVELY SPEAKING

By Al Monroe

"Strut Miss, Lizzie," now appearing at the Auditorium Theatre under the personal direction of Creamer and Layton producers of the show, was the cause of our trip to the loop early in the week. Messrs. Creamer and Layton are presenting what has correctly been P. A. as a stellar attraction. Some of the numbers are fit for the "hook." About others we cannot say as much, however, the show is well staged and acted. In fact it is these qualities that tide the performance to the degree of esteem that it now enjoys at the big loop play house.

Some of the numbers are what you truly call "not so good." Some a bit rough, but these are so well acted and appreciatively brief until one hardly has time to realize this fact. It is a great show, something every Chicagoan should see. Lets go.

Another Seams, senior member of the Prairie Tennis Club, has set an example for those younger members of the club who aspire for topmost laurels. With something like 60 years passed on the age, more than 30 years recorded in the Tennis column, Mrs. Seams is still able to hot competition for the best of our numerous stars in the racket world.

Just last year Mrs. Seams threw a scare into the local as well as the national championship camps, she was most certainly a dangerous runner-up in each of the tournaments. It is a remarkable example of what conditioning and proper care of the system will do. Join the club young girls. Have a few moments each day with "Mother" Seams, let her teach you a few pointers on caring for the system. It will not only make you a great tennis player, but carries much less risk for those who hope to face the essential duties of a house wife. You tell us.

Much has been said both pro and con about the ability of the leading negro teams as compared with the white teams that comprise the National and American leagues. Some arguing that were "we" given a chance we could put a number of teams to compare favorably with those teams in the field. With apologies to "Bill" we should like to say that the latter, a man who has been closely associated with both sides to the story, says "It is folly to compare them. Anyway, whether the Sox trainer is right or wrong, he has certainly convinced us to at least the price of a meal. Bill said that Dick Kerr backed with a bunch of ex-slaves would drub the Giants, we thought different and oh well, had 25 cents was all we had in our "pocket" until the end of the game after which we had less. Who next?

The point we were striking after in the above article is this: We have received numerous letters the past week asking us to inform by any means appropriate of the seemingly unfair bit of action that was handed their team by the officials of the Negro National League. It seems that the President of the league called off a regular scheduled game with the Cleveland club, used game white team because it seemed to play a better proposition financially. Space will not permit us to publish any of the letter, but we think it fair to the confidence they have shown in our policy to at least reproduce their attack upon the league officials. Whether Mr. Buckner is right or wrong, if the one thing is to allow finances to take the preference over the necessities of the game and the development of players and fans to support them, they must never expect to ascend to the point where there will be no question to the ability of negro base ball. Hot stuff!

Some time ago we referred to Hugh Fullerton of the Chicago Daily Tribune as a genius of sport writers due to his matchless ability as a "Dopster." If you should ask Mr. Fullerton if he knew that his selection in regard to the outcome of any athletic contest is regarded as the for which the letter X stands, he would undoubtedly be too modest to answer in the affirmative. This however is exactly what Hugh has done, to some it may seem like an unconscious act nevertheless it is true.

In a series of articles, just ended, Mr. Fullerton the probable meeting between Jack Dempsey, white heavyweight champion and Harry Wills logical challenger. The stories became a national issue, fans from the Atlantic to the Pacific were wont to know upon which of the fighters Hugh was to lay his miraculous hand and pronounce as the one to some day raises his hand as a token of triumph at the request of the referee. Did Hugh do it? It is a bit of sad news for those few who did not see Mr. Fullerton's final article, but in keeping with our policy we must tell the first time in his life he failed to enlighten us on a subject we were anxious to know. It was a terrible situation, perhaps rivaling that of "Casey at the bat," the count was three and two on the grand old dopster, but we have seen him in these holes before and watched him battle himself out.

Fullerton came out alight and in a marvelous manner or perhaps he should say his inimitable manner, but the sad feature about it all is that he left us in Mr. Fullerton said: "A lucky punch is Wills only chance to

## NEW YORK WILL PERMIT WILLS-DEMPSEY BOUT

NEW YORK, Sept. 11.—Jack Dempsey and Harry Wills may meet in the ring at the Polo grounds on the afternoon of October 12, or Saturday, October 14.

The Republic A. C., within a day or so will wait on the New York boxing commission, ready to meet every condition, with slight modification, demanded by William Muldoon, chairman, in connection with the promotion of the match. John M. O'Connor president of the Republic A. C., will tell the boxing commission that:

A bona fide offer has been made to Jack Dempsey, the heavyweight champion. Harry Wills, the boxing commission's recognized challenger, has been signed. Security of \$250,000 will be provided. A general admission as low as \$2 will be charged.

These are the paramount conditions imposed by the commission. In addition to meeting these the Republic A. C. will suggest that:

**Muldoon in Full Power**  
William Muldoon, chairman of the New York state athletic commission, shall act in conjunction with the promoters and have full direction and supervision of the match, including all finances.

If there is anything in the nature of an excess profit a tax may be levied in favor of any charity or charities named.

"In regard to the general admission of \$2, my club is prepared to meet this condition," said O'Connor. "Mr. Muldoon has suggested that 40,000 general admissions be placed on sale at \$2, but I believe that Mr. Muldoon, on careful consideration, will agree that it would make for impossible confusion to attempt to handle a general admission of any such size. I also am of the opinion that an admission of that size might attract a preponderance of an element such as Mr. Muldoon would not approve."

**The Club's Proposed Scale**  
"Here is the scale of admission my plan to Mr. Muldoon will present:

20,000 at \$2.....\$40,000  
5,000 at \$3.....15,000  
5,000 at \$5.....25,000  
5,000 at \$10.....50,000  
10,000 at \$15.....150,000  
15,000 at \$25.....300,000  
20,000 at \$25.....500,000

Total.....\$1,080,000  
"It will be seen that more than 25 per cent of the total attendance will be admitted at \$2 each, and that two-fifths will be admitted at \$5 or less. If this is commercial avarice and an excessive profit results my club still stands ready to submit to any additional reasonable tax that will turn over a portion of the profits to any charity or charities suggested."

**Terms of Both Boxers**  
The club said it had signed Wills for 12 1/2 per cent of the receipts. The commission ruled that only 50 per cent may be given for the feature bout. Thus Dempsey is left 57 1/2 per cent of the receipts, or to put it another way, he would get 75 per cent of the boxers' share.

Here is what the principals would get if the commission agrees to the proposals of the club and Dempsey signs up:  
Estimated gate receipts, \$1,080,000; Dempsey's share, \$395,000; Wills' share, \$125,000; promoter's share, \$560,000.

All expenses of the match would of course have to be paid out of the promoter's share and these, it is estimated, would total at least \$200,000.

**DETROIT DOWNS CRESCENTS**  
DETROIT, Mich., Sept. 9.—The Crescents, New Orleans Southern champions of the south, went down to defeat in the first game of the carded three game series here, the local leaguers walking off with the contest by score of 3 to 2. The Southerners could do nothing with the delivery of Bill Force, grabbing but three widely scattered blows, while the local hurler breezed nine of them. "Lefty" was pitched winning ball, but the offense of his mates waxed too weak for results. After two were out in the second inning, a single, an error following another base blow gave the Crescents their first run. A base on balls, a sacrifice, and a two ply smack in the seventh gave them the second run. Wesley tore off a home run with two out in the first, when the locals scored one run. A single, a double followed by a double smack, gave the home team two runs in the fifth. The score: Detroit.....100 020 00x—3 7 1  
New Orleans.....010 000 100—2 3 1

Runs—Wesley, 1; Higgins, 1; Williams 1-3; G. Wilson, 1; A. Wilson, 1-2. Errors—Force, Pryor. Two-base hits—Harris, Williams, Lane. Home run—Wesley. Sacrifice hit—A. Wilson. Base on balls—Off Force, 2. Struck out—By Force, 9. Batteries—Force, Williams; Lucas, Gee.

## GOURDIN AND BUTLER BEATEN IN BROAD JUMP

NEWARK, N. J., Sept. 9.—Those who expected to see Gourdin of Harvard repeat his record breaking performance of last year and easily capture the running broad jump in the National A. A. U. track and field meet, or had visions of seeing our own Sol Butler give the Harvard star a bitter fight for the honors in this particular event, were given the surprise of their lives last Saturday afternoon when one Dehart Hubbard of Cincinnati easily outdistanced the two national and world's champions at this event.

Hubbard was entered in the junior meet Friday and experienced little trouble topping the field in several of the important events including the broad jump, the hop, step and jump. And on Saturday he was again entered in the senior meet. It was in this particular contest that Hubbard distinguished himself. Gourdin, who startled the world with a leap of more than 25 feet last year during the international meet, and Sol Butler, for a long time recognized as national champion, were also to take part. It was undoubtedly a task for the one we should be likely to "want" to dodge. Hubbard did not. He went into the race, and to the surprise of the several thousand who looked on, outdistanced both the super-jump men. Gourdin finished second while Butler finished third. Hubbard's jump set a new record for the broad jump in the A. A. U. tournament. The former record holder was H. T. Worthington of the Boston A. A. His mark was 23 feet 1 inch, made in 1914.

## Norfolk Beats Anderson in Eight

BOSTON, Mass., Sept. 11.—Kid Norfolk, who a short time ago was a victim of the invisible punch administered by the powerful Harry Wills, proved that he is not a set-up for the underdogs, at least, by gaining a well-earned decision over Lee Anderson here tonight.

Norfolk was easy the master of the situation all the way. In the very first stanza he sent a smashing right to the jaw that made Anderson groggy; it was a terrific punch and had the kid landed the second attempt at the same spot it would have undoubtedly meant the raspberries for Anderson. It was surely smart management that did not make him continue the lead he had so easily gained with this wallop.

**STARS WIN SHORT ONE**  
DETROIT, Mich., Sept. 10.—Detroit Stars defeated the Crescents of New Orleans, southern colored league champions, at Mack Park, Sunday, in the concluding game of the series, 3 to 0. Rain stopped the game in the fifth.

## FOSTERS TAKE FINAL AND SERVES FROM STARS

DETROIT, MICH., Sept. 7.—The American Giants of Chicago defeated the Stars here today in the final game of the series and as a result captured the series, two games to one. It was a tightly contested affair, featured with spectacular fielding and clever base running. Score:  
Giants.....0 10 0 0 0 0 11—3 10 2  
Stars.....0 0 0 1 0 0 10—2 8 1  
Batteries—Brown and Brown; Holland and Petway.

**Tate's Hand O. K.**  
"Bill" Tate, "Kid" Howard's protégé, who has been on the shelf since his fight with Jack Thompson, has just about recovered and will start light training today. Manager Howard said today that he intended taking Tate to New York in a few days in an effort to land a match with Wills.

It would be a good thing to have Tate and Wills meet again and settle that little argument of theirs that terminated in a "DRAW" some time ago when they fought a pair of fights that was classed as one. The Easterners are not willing to concede Tate a chance with Wills and meeting would be well received by them.

## TOO MUCH ROGAN, SO GIANTS LOSE

KANSAS CITY, Mo., Sept. 10.—Bullet Rogan was himself here today, and the American Giants of Chicago, leaders of the league, did not have a ghost of a chance. The final score was: Monarchs 10; Giants 3.

The Monarchs stalked Rogan to a try run lead in the first inning. In their half of the second, the Chicagoans came within one of tying the count. The third produced nothing but a number of strikeouts and fly outs and a lot of brilliant fielding, but in the fourth, Moore, the hard hitting shortstop of the Monarchs, iced the game away by sending one of the longest drives of the season over the right field wall with one on.

It was a terrific wallop, perhaps the longest of the season, clearing the right field wall by 20 feet. Dave Brown started on the hill top for the Windy City bunch, but was chased in the very first frame when a barrage of Kansas City blows sent him to the showers. Owens, the young collegian, finished the game, but most any old boy might have finished the game with the same results the way Rogan was pitching.

**Score:**

The summary: Errors—Duncan, Gardner, Lyons, A. Williams. Two-base hits—Williams, Beckwith, Owens, Carr, Johnson, Duncan, Home run—Moore. Sacrifices—Johnson, J. Brown, Dempsey. Double plays—Hawkins, Carr, J. Brown. Double plays—Anderson to Hawkins, Williams to Duncan to Grant. Bases on balls—Off Brown 3, off Owens 2, off Rogan 2. Struck out—By Rogan 9, by Brown 1, by Owens 5. Hits—Off Brown 2 in one. Hit by pitched ball—McNair by Brown, Anderson by Owens. Time taken—2:35. Umpires—Wheeler and Boyle.

## AS A FIGHTER, TUT IS SOME FARMER

NEW YORK, Sept. 8.—"Tut" Jackson, erstwhile aspirant to heavyweight pugilistic supremacy, is going back to his farm near Washington Court House, Ohio, having decided last Tuesday night that the knocks one gets in the long-up world of fist-cuffs are altogether too hard.

A strapping, happy-go-lucky chap, "Tut" was lured from his farm by the gladiator of the ring. He found that money came easier if one could win, and stayed on. He had a great time for a while. He knocked out some thing like 40 opponents, and then, one night, he got into a ring with the aged Sam Langford.

Sam, years ago, was one of the greatest heavyweights in the business. But Sam is only a shadow of his pugilistic self. "Tut" knocked him out and the country heard about it. "Tut" then made it known that he would like to meet Harry Wills, who is after Dempsey's title.

He met him last Tuesday night. They poked gloves at each other for two rounds, and two minutes and five seconds of another, when Wills swung a right to Jackson's kidneys. "Tut" tried to get up, but couldn't.

## THEY CANT STOP HIM

"Bullet" Rogan, K. C. Fonger. Perhaps the most consistent finger in the Negro National league, or any other league for that matter, is "Bullet" Rogan of the Kansas City Monarchs. Rogan is the one pitcher that we know of who has few, if any, bad days. We have seen him twirl two games a week, and in the second game he was just as effective as in the first. If there is any such thing as a man not knowing his ability, it is certainly "Bullet." He is certainly a great little finger. Ask Ruben. Manager Crawford called on Rogan to stop the Giant crush Sunday, and he did it and had very little or no trouble at all. He beat the Fosters 10-3. Besides being a great pitcher, Rogan is one of the hardest and most consistent hitters in the league, and a great outfielder. There are few like him.

**"MY BOSS IS SOME FIGHTER," SAYS JACK THOMPSON**  
About the best way to determine the ability of Jack Thompson, Dempsey's sparring partner is to tell the world that the best thing he does is telling how good his boss is. Dempsey may be a good fighter and Kearns may compel his employees to act as P. A.'s in order to hold their jobs, if so this is alright with us. But we do contend that Kearns should not men who do not publicly admit they are in the employ of the champion to act as Dempsey's propagandist. If Thompson believes that Dempsey is the greatest fighter in the world today, that's his opinion, we may have the same opinion but we are certainly not going out and try to keep Wills out of a crack at the title by saying Wills is a set-up for the champ. It might be amusing to Thompson to know that he has discovered something that the best critics have been knocking at for some time and failed to pierce. Even Fullerton couldn't solve it fully.

## CHARLESTON IS BEST CIRCUIT CLOUTER

PHILADELPHIA, Pa., Sept. 8.—Oscar Charleston, the great center fielder of the Indianapolis A. B. C.'s again proved himself to be the peer of home run hitters in two colored baseball when he smacked out two colored homers in an important clash with the Hilldells, last week, and running his total up to twenty-four homers for the season.

Mackey, his teammate, who cavorts around the shortstop territory also got a homer in the game with the Pennsylvanians, making his total 18 for the season.
