

EARLHAM STUDENTS PREPARE FOR GAME

Will Make a Demonstration
When Quaker Football
Team Meets DePauw.

A GOOD CONTEST EXPECTED

DOPESTER HAS IT THAT DEPAUW
WILL DEFEAT EARLHAM—
PREACHER PLAYER TO APPEAR
WITH DEPAUW.

By Tort.

The Earlham student body is preparing to make a big noise and open whole crates of ginger at the DePauw game Saturday, which contest will be the last one seen on Reid Field this season. Every evening the students have been meeting and practicing battle songs which they hope will stimulate their warriors to smite down the sassy Methodists. On the afternoon of the game, the students will parade on Reid Field headed by the Richmond City band. President Kelly has praised the students in chapel for the determined spirit they were showing in the face of almost certain defeat, so the rah rah lads and the fair co-eds are feeling right pert, thank you.

The game Saturday promises to be snappy, hard fought one—which is always the case when a bunch of Quakers and a bunch of Methodists line up against each other.

On uncertain football dope the DePauw outfit appears to have the bulge on Earlham. The Quakers, for instance, were defeated by Purdue 40 to 0, while Purdue only defeated DePauw 29 to 4. This week Earlham has been indulging in fast practice work and the hopes of the fans have gone up fifty points. Especial improvement has been made in the forward pass play. The defense has improved greatly and the scrubs have been using DePauw plays against the varsity. The end positions will be well taken care of for the Quakers as Hancock will get back into the game and Bruner will hold down Gaston's old job. C. Jones has been making great improvement in his quarter back play and "Big" Macy has coached his line-men so hard that they are now charging fiercely and tackling low.

The Rev. Greenstreet of Economy, known as the "fighting parson," will play with the DePauw team.

FALLS PROVE SEVERE

Several Well Known Women
Injured Within Past
Few Days.

MANY BONES ARE BROKEN.

Falls have proved unusually severe for several well known women of the city within the last few days. Limbs have been broken or sprained in each instance. One of the most painful accidents befell Mrs. Clara B. Graves, of North Seventh street, principal at the Baxter school. While carrying an ash bucket on the back porch at her home, Mrs. Graves slipped and fell. One of the small bones in her left foot was broken and the ankle sprained. The injury swelled to such abnormal size, that the attending physician has been unable to put the foot in a cast.

Mrs. Houghton Hurt.

While descending the stairway at her home on South Tenth street, Mrs. R. E. Haughton caught her heel on the edge of the step and was precipitated to the bottom. Her back and lower limbs were sprained so severely that the attending physician states it is probable she will not be able to walk for several months. Mrs. Haughton's age and fragility are against her speedy recuperation.

Fractured Hip.

In a fall at her home on Ft. Wayne avenue yesterday, Mrs. Marie E. Menke, aged 78, fractured her right hip. The accident was very painful and Mrs. Menke's advanced age is a factor that will have to be overcome in order for her to recover. Her injury is considered quite serious.

Mrs. Isaac Laning of North Seventh street has but recently recovered from a fall in which she fractured her arm.

COST HUGHES \$369.65.

Expense Account of Governor Has
Been Filed.

Albany, N. Y., Nov. 12.—Governor Hughes has filed his certificate of election expenses with the secretary of state, giving his total expenditures as \$369.65. Of this sum he spent \$260.16 for travelling and incidental expenses; \$96.71 for hotel bills, including telephone and messenger charges, and \$12.78 for telegrams.

"Everything has its cause, if we can but find it," said J. McKee Borden, secretary of the department of charities, at a banquet in New York. "Once in a miserable slum, I heard two little girls beggars talking. 'Why is it said the first, that the poor is allus more willin' to help us than the rich? The second answered promptly and bitterly: 'Them wot don't mind givin' is the ones wot stays poor.'"

GREAT WRESTLING CONTEST TONIGHT

Charley Olson and Peterson
In Handicap Match at
Coliseum.

OLSON THE CHAMPION.

NOTWITHSTANDING AMERICUS'
CLAIM, INDIANAPOLIS LAD IS
CONSIDERED LIGHT HEAVY-
WEIGHT LEADER.

By Tort.

"Charley Olson, who wrestles here tonight with Peterson, is the champion light heavyweight of America, notwithstanding the fact he lost the match with Americus at Baltimore last week on fouls. It is easy to explain why he lost the match," stated Promoter Charlson today. "Americus makes his home in Baltimore and it is known to every wrestler in America that a man who meets Americus in his home town has no chance of winning."

"The Baltimore sports bet heavily on Americus and they positively refuse to stand for any referee who will permit them to lose their money. Outside of Baltimore, the Indianapolis boy could defeat Americus any day of the week."

A fellow has no chance in Baltimore if he goes up against Americus," remarked Peterson, with a smile.

Peterson, besides being a splendid wrestler, is known as one of the cleverest middle-weight boxers in the country.

The match tonight between Olson and Peterson will be pulled off at the coliseum. Olson has agreed to forfeit the match providing that he does not throw Peterson three times in seventy-five minutes or in case Peterson throws him once.

BECOMING THE TOPIC OF UNIVERSAL INTEREST.

The remarkable results that are being accomplished through the state by the new remedy, Root Juice, is rapidly becoming the topic of universal interest. So many people are praising the remedy that the general interest in it is becoming widespread and it is now being sold in such enormous quantities that it is hard to supply the demand. It seems to soothe, heal and strengthen the stomach, liver, kidneys and bowels with such rapidity that those who have suffered for years with indigestion, rheumatism, kidney troubles and nervousness notice great improvement before they have used the first bottle.

Mr. John K. Stevens, police officer, of 1513 Summit street, Fort Wayne, Ind., said: "I am glad to be able to truthfully say that I have found the great remedy to be all that was claimed for it. My kidneys and bladder were in a bad condition before I commenced taking it and had been so for some time, but I am now glad to say that I am entirely cured, and many of the city have told me the remedy has cured them."

The great remedy has cured many people at this point within the last few months. It is sold for one dollar a bottle, or three bottles for two dollars and a half. Those who wish to know more about it and would learn of the many cures it has made, should go to A. G. Luken & Co.'s drug store.

CELEBRATE THEIR GOLDEN WEDDING

James Baker and Wife of New
Paris Observe Occasion.

New Paris, O., Nov. 12.—James Baker and wife celebrated their golden wedding anniversary on Wednesday. Mr. and Mrs. Baker, their son, Charles, and wife, and Jerome Jordan and wife, went to Indianapolis, Tuesday and the day was duly and happily observed at the home of Mr. Baker's daughter in that city.

BOULEVARD IS NOT LIKELY

Great Expense Involved in
Lengthening 16th Street.

The making of South Sixteenth into a boulevard and opening it from E to J streets, is being given some consideration, but it is not deemed probable any tangible results will follow in the near future. To extend the street five squares further south would require a considerable expenditure and the right of way would have to be secured through private property.

Jewish chess players have retained the championship at that game for the last forty-two years. Steinitz held it for twenty-eight years 'till 1894 and Lasker has been champion ever since. Dr. Lasker attributes this predominance of the Jewish genius in chess to the fact that its rules are entirely based upon those of self-defense in the struggle of life, and the Jews are adepts in this art.

That Woman Has the Right Idea

Who Believes That it is Her Duty to Get the Most For Her Money Always

She considers values carefully before she spends a cent. She knows and will acknowledge that the Hoosier saves her from 10 to 20 per cent. on all her purchases. She has the security of quality and we give her the most definite and positive assurance that words and intention can convey that we'll make good anything that you don't find good. We can't always avoid errors either in our dealings or in our merchandise, but we can always correct them if you let us.

Affairs of the Sporting World

Yesterday at the Chicago meeting of the National association of Minor Leagues the Eastern and the American association withdrew when the directors refused to adopt a motion reducing the Southern and Western leagues to class B organizations. The Eastern and the A. A. claim they are not rated high enough and that they do not intend to have a bunch of bush leagues dictate to them what they shall and shall not do.

Bob Hancock is in the city and denying the story that he bit off Prindle's finger at Anderson. Bob says that while Prindle was bear hugging him he got excited and accidentally bit off his own finger. This is regarded as a bad habit for Mr. Prindle to acquire and he should promptly break himself of it, as he only has a limited number of fingers and thumbs.

Local hunters report that in this part of the country quails are almost as scarce as polar bears. Now we wonder whose fault that is?

Not in some fifteen years has a southpaw topped the National League's pitching brigade. Two left-handers have basked in the spotlight in the American League, to-wit: Waddell in 1905 and Plank in 1906. A paragraph going the rounds has it that Matty McIntyre has just said that if Detroit is going to trade him there is no place he would rather play than in St. Louis under McAlister.

Elmer Stricklett, who jumped the Dodgers a year ago to play with the coast outlaws, finds that he is getting nothing but promises from his employers. He needs the dough, and if he can make his peace with the national commission and Charley Ebbetts, would like to get back in a Brooklyn uniform.

President Ban Johnson wants to do away with the kicking over the division of the world's series spoils. He hopes to get the other magnates to see the wisdom of hanging up a certain fixed sum for the teams to divide on a winner and loser basis.

King, Chance, Brown, Tinker, Hoffman and Sheppard have contracts with the clubs which are still pending. Evers and Steinfeldt are practically the only stars Murphy will have to satisfy.

The Baseball Rumor Factory is working overtime now. According to the latest the Giants are to combine with St. Louis, wreck one team to strengthen the other, and then beat the Cubs. Some managers seem to believe that the only way to lick Murphy's bunch is to jump on it in a body.

GOOD GAMES IN BUSINESS MEN'S LEAGUE

B's Defeated C's at Bowling
Last Night.

BUSINESS MEN'S LEAGUE.			
	Won.	Lost.	Pct.
A's	3	0	1.000
D's	2	1	.666
B's	3	3	.500
C's	1	5	.166

Games Tonight.
Business Men's League—A's vs. D's.

Last evening the B's of the Business Men's Bowling league, defeated the C's on the city bowling alleys. The B's took the first game with 712 pins to the C's 671. The C's then scored 710 to their opponent's 634. In the third game the B's came back and won with 740 against 642. High scores were made by Lee Nussbaum, 170; Will Bartel, 165; Klute, 171; and Bayer 164.

The game this evening between the A and C teams will be fought for blood. If the D's win the three games they will step into first place, but if they should win two the two teams will be tied for first place.

Bowling is becoming quite a popular sport this season. There are a large number of men showing up much more consistent than last year. The general average of the scores range from 140 to 180.

A number of new lockers have been installed and already they have been taken. Each team of the city bowling league has a large locker.

On a particularly blustery March morning, the story goes, Dr. Weir S. Mitchell walked round the Philadelphia City Hall square with a young editor. As the two men held on their hats and leaned against the blast Dr. Mitchell said: "I think a shorn lamp should be kept tethered here, don't you? Providence might then be induced to temper the wind."

Notice to Lovers of Good, Clean Sport.

I wish to notify you that I am not interested with Charles Olson and M. Charlson in promoting wrestling exhibitions at the Coliseum. It was my intention to lease the Coliseum for every other Monday this season, and give the public something first class in the way of clean wrestling matches, bring some of the best talent procurable here, and give the lovers of good, clean sport something for their money.

On Friday morning, Oct. 23rd, Mr. Chas. Olson, wrestler, came to my office and accepted my terms to go against some good wrestler of reputation on Monday, Nov. 9th, and I so advertised the matter that I had arranged for a first class match for that date.

But the Coliseum management leased the Coliseum for the same week to Messrs. Olson and Charlson to hold another match, and Mr. Olson going back on his agreement with me.

I do not believe that the public will long stand for fixed up wrestling bouts, where both principals receive even money, win or lose, but will demand nothing but the best, and conducted in a straight, legitimate and sportsmanlike manner, which I guarantee to do providing I am able to lease the Coliseum exclusively for this purpose.

Yours truly,

O. G. MURRAY.
